"The Other Place" Ken Knight, 2013-06-17 A lonely angry man and his newfound friends! Raleigh Garrett awoke in his jail cell on the morning of his sentencing date with the realistic expectation of getting many years for the violent assault that he committed. When the Judge sentenced him to just one year probation, Raleigh sets out to serve his probation time away from his racist skinhead cohorts and violent surroundings now in unfamiliar territory with total strangers to deal with on a daily basis, people whom are very friendly and giving toward him. Now the troubled young man in the Doc Marten boots can't imagine why he's suddenly being treated so kind by folks who don't know him and offered enjoyable opportunities that damn sure never came his

way before. From the bubbly young woman named Sophie who shows him unwavering friendship from the moment they first met, to the busty brunette Deanna Marquez who is way too lenient and accommodating as his Probation Officer, to the interracial couple inviting him to their private End-of-Summer BBQ party, its as if he has stepped into another reality somehow. Only these newfound friends have something in store for Mister Garrett in lieu of his past misdeeds as well the murderous act he doesnt yet know he caused. This is the place to sort it all out..if it takes 6 days, 6 years, or 6 centuries!

Lords of the Sunset Strip Blackie Dammett, 2013-03-31 'I did a double take when I saw fourteen-year-old Drew Barrymore at the bar, drinking with the Bukowski crowd. She was adorable, spoke with a potty mouth and carried on as if she was in her twenties. I was straining to approach her but backed off. I'd been in enough trouble. The next time I looked she was gone. A couple nights later she reappeared and in the same spot at the middle of the bar, entertaining the bartender. I pulled the trigger this time, and whatever I had to say she bought.' I'm eating your book! It's delicious! Lia Mack - Portland, Oregon Fervent shades of Jack Kerouac." Terry Wells - Brigg, England "Lords of the Sunset Strip" is the brutally honest and hilarious memoir of actor and writer Blackie Dammett-aka John Kiedis-who happens to be the father of Red Hot Chili Peppers frontman Anthony Kiedis. Set mostly in Hollywood but with multiple national and worldwide excursions for film shoots, love affairs and drug deals, this tell-all provides an unexpectedly candid look at an actor's transition from a wild man with a dream to a sensitive if unconventional parent with a dream. And of course, there were the women. New girls were always replenishing the scene. Dammett towed his young Red Hot Chili Pepper with him through a torrent of sex-fueled parties, auditions and business deals in Hollywood, New York and London. It's an exhilarating, exhausting and romantic journey. It had a profound and ineffable influence on Rock & Roll Hall of Famer Anthony. "Lords of the Sunset Strip" will no doubt have a similar influence on its readers as well. It's simply the biggest, baddest, boldest tale of Hollywood and Rock & Roll ever written.

Running the Table L. Jon Wertheim, 2007 From a popular senior writer for Sports Illustrated comes this high-stakes, boys-on-the-road story about the most unlikely of phenoms--a heavysset, bipolar, and endlessly charming pool hustler named Kid Delicious In most sports the pinnacle is Wheaties-box notoriety. But in the world of pool, notoriety is the last thing a hustler desires. Such is the dilemma that faces one Danny Basavich, an affable, generously proportioned Jewish kid from Jersey, who flounders through high school until he discovers the one thing he excels at--the felt--and hits the road. Running the Table spins the outrageous tale of Kid Delicious and his studly--if less talented--set-up man, Bristol Bob. Never was there a more entertaining or mismatched pair of sidekicks, as together they go underground into the flavorfully seamy world of pool to learn the art of the hustle and experience the highs and lows of life on the road. Their four-year odyssey takes them from Podunk pool halls to slick urban billiard rooms across America, as they manage one night to take down as much as \$30,000, only to lose so much the next night that they lack gas money to get home. With every stop, the action gets hotter, the calls get closer, and Delicious's prowess with a cue stick becomes known more and more widely. Ultimately, Delicious sheds his cover once and for all and becomes professional pool's biggest sensation since Minnesota Fats. In a book sure to appeal to fans of Bringing Down the House and Positively Fifth Street, Wertheim evokes a subculture full of nefarious but loveable characters and illuminates America's fascination with games and gambling. He also paints a lasting portrait of an insanely talented and magnetic hustler, who is literally larger than life.

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to

deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*
