How To Play Pool Simplified Reggie Corson, 2021-01-17 How To Play Pool Like The Pros Without Stress Pool is a popular game that is played all over the world by millions of people. However, there are many different varieties of the game, all with distinctly different rules and regulations. By far, the most popular forms of the game are the ones that originated in the USA, known as 'eight-ball' and 'nine-ball' pool. Both are played on a normal sized pool table with the regulation six pockets and both have multiple championships around the world. However, it is eight-ball that is the more common game - the one you'll most likely see being played at your local pool hall and the one that most people first think of when the word pool is mentioned. This guide is the road map that will take you through the key steps of learning how to play pool and it also reviews the essential game rules, skills and equipment. Follow the practices and techniques below, they're quite fun and easy in most cases. You need not practice for hours at a time (like my student) to develop a pro-like stroke. **GET YOUR COPY NOW ! Poolology - Mastering the Art of Aiming Brian Crist,2017-04-28 **** This is the SOFTCOVER/GLUED BINDING edition, NOT the notebook spiral binding **** Poolology is a breakthrough aiming system for pool players. I was once asked, How do you aim?, and I couldn't answer. I said I didn't know, and I'm sure the player that asked me that thought I was holding out on him, keeping some great secret to myself. But it was true - other than to call it instinct, I had no idea how to aim. I'd never been taught how to aim. I just shoot balls into the pocket. This question, How do you aim?, is what prompted me to write Poolology.

After experimenting with various aiming systems, I learned that most aiming systems don't work for most people. That explains why so many pool players struggle to be consistent shot makers. I wanted to fix that. I wanted to find a system that could teach players how to aim any shot on the table, how to develop a feel for pocketing balls. No such system existed, until now. It's called Poolology!
