87 Legitimate Ways to Make Money Tajudeen Alli Adunse, 2016-04-13 If you've been on the internet for more than a few hours, you've likely seen at least one advertisement teaching you how to make thousands of dollars a minute, working from your underwear, in the comfort of your own home. These ads are so ridiculously popular that if you're like most people, you start doubting whether it really IS possible to make money online. The truth is, it IS possible. It might be hard to make thousands of dollars a minute from the get-go, but there are certainly legitimate ways you can make an extra \$100 a day working from home with ease. In this book, I am going to state 87 different legitimate ways in which you can create more income. I have tried to cover all types of methods for all different personality and skill types, and I am confident that you'll be able to find at least a few that sound good to you. While some of them require more work than others, please know that you can mix and match. For example, maybe you can do a few hours of forum moderation at \$10 an hour for \$30, and then make up the extra \$70 doing something else. The key is to have fun and do whatever you enjoy. I have given an overview of each idea, and then fleshed them all out a little bit (with where you can get the info and how you can get started with expected income) so you could get started on whatever you like, immediately.

Make extra money fast with these creative ways to make money, the easy way. The best ideas to make money. Learn how to make 100 dollars a day! Want to find out the best ideas to make money? If you are here, it's because you need to find a way to make some extra money FAST! Welcome! You are in the right place! I've been working on side hustle ideas and making money on the side for over 4 years now, and I learned a trick or two on how to make money. I really believe that making extra money can change your life. It's only when we started to think about how to invest and make extra income that our lives have been truly transformed. This is what making extra money can do for you: It will help you pay off your debt. It will allow you to have the holiday of your life! You could reach financial freedom sooner. It will help you stop living paycheck to paycheck. It may help you in leaving a job you hate. You could be able to retire sooner. And making extra money doesn't have to be difficult. If you are willing to put an hour or two a day into something you are passionate about instead of watching TV or looking at Facebook, you'll be surprised at what you can achieve. One of the best things you can do to make extra money fast is to invest in your networking at work, spend time learning as much as possible and try to get a raise or promotion. This alone could help you to make an extra 100 dollars a day in no time. But if you are still a student or are looking for creative ways to make money from home, you are in the right place! I am not going to lie: you are going to have to put in some work if you want to find out how to make 100 dollars in one day. But there are some clever ways to make money out there if you are up for the challenge! If you could scrounge up an extra \$100 a day, five days per week, you'd be bringing in approximately \$2,000 extra per month or over \$24,000 per year over and above your day job. If you learned how to make \$100 a day and you put these strategies to work seven days per week, you'd be looking at about \$3,000 per month or \$36,500 per year, if you work holidays and don't take a sick day. Money like that could change your life by allowing you to pay off debt, save up a down payment for a house, or travel extensively. If you're able to survive on \$24,000-\$36,000 per year you could essentially quit your current job and make your side gig your main (or only) source of income. We're big fans of that kind of income at Niche Pursuits. Spencer tried all sorts of side gig stuff before figuring out that his side gig in niche sites held the secret sauce. Are you ready to get started? Check out these ideas on how to make \$100 a day and watch your life change before your eyes. Some of these ideas aren't sustainable for the long term, so choose a handful and rotate them throughout the month for maximum results.
