Ken Ludden

Radio Advertising Source ,2006

Mystic Apprentice Master Volume with Dictionary Ken Ludden,

Rage to Redemption Joseph W. Hahne,2011-06-20 Of the 17 years Joe spent living an out of control life on the edge, five of those years resulted in time behind bars in various county jails and prisons in three different states. It was during these times when he found himself locked up that Joe wrote hundreds of poems as a release from the many emotions he experienced while incarcerated. The poems shared in *Rage to Redemption* were compiled and published in the order in which they were originally written. If you choose to read the poems in order from front to back, you will actually see a life transforming through the words on these pages. The book as a whole tells a beautiful story that starts with much despair and unfolds into a life of love, faith, hope and joy. While *Rage and Redemption* has a spiritual base, it also contains some graphic imagery that portrays where the author's frame of mind was during his darkest hours. This book is full of pain, loneliness, inspiration and redemption. There is something for everyone in this poetry, even if you are not a traditional poetry fan. They are real poems that were written by a real man who deals

with real issues. Take a minute to read some of this work. We're sure you too will find something that touches you.

Mystic Apprentice 5: Psychic Skills LPE Ken Ludden,

Mystic Apprentice Volume 5 Ken Ludden, 2011-10-01 The fifth in the series of textbooks to support the Ankahr Muse Mystic Apprenticeship program. This volume covers the difference between clairvoyance and psychic abilities. It chronicles the history of psychic phenomenon from King Saul to the present day. Students at this level have mastered all of the most common skills and are ready to go beyond.
