Be the boss people want to give 200 percent for. 4. Small Business Management: Essential Ingredients for Success (eBook) - Learn effective business management tricks, secrets and shortcuts to make your business a success. My name is Meir Liraz and I'm the author of this book. According to Dun & Bradstreet, 90% of all business failures analyzed can be traced to poor management. This is backed up by my own experience. In my 31 years as a business coach and consultant to managers, I've seen practically dozens of owners fail and lose their business -- not because they weren't talented or smart enough -- but because they were trying to re-invent the wheel rather than rely on proven, tested methods that work. And that is where this book can help, it will teach you how to avoid the common traps and mistakes and do everything right the first time.

Be a Retail Business Boss Beverly Denton,2011-04-11 Is the retail business right for you? Do you think you re at that point in your life where you believe you are ready to be an entrepreneur and run your own business? A retail business involves many concerns. It is not a onetime set-up where you look for a convenient location, put up your storefront, start selling all kinds of stuff and then hope for the money to start spinning in. There are many factors involved that may spell either success or failure for you in a highly competitive industry. Many successful retail owners will tell you that there is no such thing as a secret formula for success. They will tell you that you make your own formula for success. They will tell you that there is a lot of hard work in it. They will tell you that all the success is worth all the hard work put in. Yes, to be a retail business boss, you have to be very hands-on in running your own business and you have to do everything with persistent consistency. Day in and day out, you have got to be prepared to be doing the same things over and over and to facing surprising hurdles every hour of the business day. Being a retail business boss will require you to risk putting in capital, invest much of your time and to make an entire lifestyle out of providing and selling people what they need and want. Are you ready for it? This book will outline all the details involved in setting up and running your own retail business so that you face the challenge equipped with the basic know-how.
