Seal Beach Larry Strawther,2014-04-22 The wooden pier, tree-lined Main Street and ocean views, coupled with a prosperous and happy community, led Forbes magazine to name Seal Beach one of the five friendliest towns in America. Getting there, however, was a bumpy adventure. Starting in the 1860s as Anaheim Landing, the first seaport in what would become Orange County, it soon became a summer retreat for squatters and illegal saloons. Despite the efforts of real estate developers to turn the town into an amusement resort and an early center for aviation and motion pictures, Seal Beach became neighboring Long Beach's tavern, brothel and gambling destination. But order and prosperity eventually prevailed to create today's quiet residential city. Join author Larry Strawther as he tracks Seal Beach's evolution from raucous port to cherished community.

Best Beach Games Barry Coleman,2015-06-11 75 games for families to play at the beach, mostly aimed at children ages 2 to 10, with some for teenagers. Most of the games require nothing more than items found naturally on the beach. Family sand silhouettes: Draw an outline of each person lying down in the sand. Use seaweed for hair, clamshells for glasses, pink shells for fingernails, etc. Take pictures! Beach blanket bingo: Find similar pairs of items such as shells, driftwood, rocks. Put one of each into two different piles. Player 1 draws two grids with a shell and places items from one pile into each square of one of the grids. Player 2 gets a quick look at the grid with the items before Player 1 covers it with a beach blanket. Player 2 then has to try to replicate the item placement into the second grid. He gets a point for each one correctly placed.
