Sticklers, Sideburns and Bikinis Graeme Donald, Andrew Wiest, William Shepherd, 2013-05-20 Did you know they started 'hearing through the grapevine' during the American Civil War, that 'ghettos' originated in Venice or that 'deadline' has a very sinister origin? Jam-packed with many amazing facts, *Fighting Talk* is a fascinating trip through the words and phrases that came to us from the military but nowadays are used by soldier and civilian alike. The sources of many are surprising and their original use is often far removed from that of today. From 'duds' to 'freelancers' and 'morris dancing' to 'bikini' this enthralling book describes the military origins of words and phrases that we use on a daily basis.

Running the Bulls Cathie Pelletier, 2005 A beloved novelist returns, once again deftly combining the poignant and the hilarious.

Running with the Bulls Valerie Hemingway, 2007-12-18 A chance encounter in Spain in 1959 brought young Irish reporter Valerie Danby-Smith face to face with Ernest Hemingway. The interview was awkward and brief, but before it ended something had clicked into place. For the next two years, Valerie devoted her life to Hemingway and his wife, Mary, traveling with them through beloved old haunts in Spain and France and living with them during the tumultuous final months in Cuba. In name a personal secretary, but in reality a confidante and sharer of the great man's secrets and sorrows, Valerie literally came of age in the company of one of the greatest literary lions of the twentieth century. Five years after his death, Valerie became a Hemingway herself when she married the writer's estranged son Gregory. Now, at last, she tells the story of the incredible years she spent with this extravagantly talented and

tragically doomed family. In prose of brilliant clarity and stinging candor, Valerie evokes the magic and the pathos of Papa Hemingway's last years. Swept up in the wild revelry that always exploded around Hemingway, Valerie found herself dancing in the streets of Pamplona, cheering bullfighters at Valencia, careening around hairpin turns in Provence, and savoring the panorama of Paris from her attic room in the Ritz. But it was only when Hemingway threatened to commit suicide if she left that she realized how troubled the aging writer was—and how dependent he had become on her. In Cuba, Valerie spent idyllic days and nights typing the final draft of *A Moveable Feast*, even as Castro's revolution closed in. After Hemingway shot himself, Valerie returned to Cuba with his widow, Mary, to sort through thousands of manuscript pages and smuggle out priceless works of art. It was at Ernest's funeral that Valerie, then a researcher for *Newsweek*, met Hemingway's son Gregory—and again a chance encounter drastically altered the course of her life. Their twenty-one-year marriage finally unraveled as Valerie helplessly watched her husband succumb to the demons that had plagued him since childhood. From lunches with Orson Welles to midnight serenades by mysterious troubadours, from a rooftop encounter with Castro to numbing hospital vigils, Valerie Hemingway played an intimate, indispensable role in the lives of two generations of Hemingways. This memoir, by turns luminous, enthralling, and devastating, is the account of what she enjoyed, and what she endured, during her astonishing years of living as a Hemingway.

Hanky Panky M.K.Chester,2022-12-23 A swing and a miss or a bases-loaded home run? Baseball titan Rian Murphy returns home to nurse a career-ending injury and his shattered ego. When he learns he'll never return to the game he loves, he takes a job tending bar on the Carolina beachfront and tries to ignore his best friend's little sister, all grown up. Harper Jones doesn't intend to hit on Rian, but her brother's best friend always seemed so out of her league. When he serves her his signature drink and sparks fly, neither mind when a few stolen kisses go a little further. She might be the one to show him his life isn't over. After all, a little hanky panky never hurt anyone...

Mercy Gene Hale,2012-12-14 Mercy follows the life of Gil Mercy Aller, a small-town boy from Michigan who, against all odds, becomes the light heavyweight boxing champion of the world. Leaving behind his friends and family in the close-knit community of Iron Mountain, Gil sets off for New York in

pursuit of his dream to become a Broadway dancer. Unused to big city ways, Gil enlists the help of a priest to find lodgings and then secures employment with a local florist. He settles into a comfortable routine, pleased that he is one step closer to realizing his dream. A chance encounter in a neighborhood bar disrupts that dream and leads to a lifelong friendship. While defending a lady's honor against a couple of thugs, Gil attracts the attention of Louie, a slick boxing promoter, and his partner, Huey, an ex-fighter. The two friends witness Gil's superior fighting skills, and a reluctant Gil suddenly finds himself thrust into the unlikely, often times shady, world of boxing. Louie and Huey have big plans for Gil; they see his potential as a future champion and make him an offer he can't refuse. Gil goes along with their plans, if only to help pay for his expensive dancing lessons, and agrees to adopt the fighting name of Mercy. Under Louie and Huey's expert tutelage, Mercy wins fight after fight, rising to the top of the boxing profession and eventually earning the coveted title of light heavyweight champion of the world. His Broadway dream forgotten, Mercy is now firmly in the clutches of the boxing world, loved by his fans and hated by his enemies. Along the way, he meets Victoria, the love of his life, only to lose her in a tragic car accident. After Victoria's death, Mercy hits the depths of depression and tries to find solace in the bottle. Losing his title, his self-respect, and almost his life, Mercy is rescued by Jane, a savvy sports reporter, who brings him back from the brink of destruction. Mercy finds love again and regains his title, but he never forgets Victoria.

Fool's Mate J.D. Frodsham, 2014-08-19 Rafe Ffox-Gentry, a snooty, upper-class Englishman working for GTG, a crooked multinational based in the mythical Australian state of Galahnia, is a rakish womaniser,

whose nightly Got Laid Parades terminate abruptly when he falls for his Russian wife's beautiful and eccentrically brilliant young niece, Venetia. Put in charge of a visiting delegation of Russians negotiating a commercial agreement between GTG and the USSR, with Venetia as interpreter, Rafe finds the Soviet delegates more interested in booze, nightclubs, and women than in discussions. During negotiations in Singapore, the riotous behaviour of the sozzled Soviets leads to threatening Cold War complications, major disaster being narrowly averted by Venetia's ingenuity. Rafe returns triumphantly home, only to find himself in even greater trouble as the situation becomes unexpectedly perilous, homicidal and dismayingly revelatory. His affair with Venetia, once wildly sexual and heart-breakingly romantic, now degenerates into a series of despairing battles between love and hate. In turn sensual, brutal, satirical and witty, this riotous black comedy depicts the greed, corruption and madness of the H-bomb eighties, and spares no one, including its madcap hero, in its scathing portrait of an era as unrestrained and vicious as it was violent and grasping.

His eyes are dark and bore through me. I wonder if he's playing chicken with his eyes. Well, if he is, he wins, because I can't keep his gaze. It makes my throat close and my uterus spasm. I stare at his nose, instead. It's perfectly proportioned and as straight as a razor, but it doesn't make my airways close.

Book 4: Just Sacked: Layla has been working at her family's bar since she was five years old. But it's more than a bar. It's home. Still, maybe she shouldn't have hired Ronin—a sexy killer with a wicked motorcycle—who's giving her more than her share of attention.

The Rupture Richard Conard, 2018-04-27 The Rupture is about the crazy times we live in: current history. As well, it is about the tenth anniversary of the Columbine High School massacre and the gruesome carnage that is being planned in celebration of that incident; what was then the unimaginable mass murder which occurred on April 20, 1999. In this respect, it is also about the making of a monster. The story follows the lives of two families, the Mendez and the Phylers, from 1957 through 2009. Over the course of these 52 years their lives will occasionally intersect as they experience the progression of American culture from differing perspectives. They will witness 1950s affluence, the Free Speech

Movement, the Kennedy and Martin Luther King assassinations, the Civil Rights Movement, Wars and war protests, 9-11, Gay Rights, the struggle for Gender equality, space exploration and unimaginable technological advancements, love and hate, and the perils of those fluctuating tides and economic oscillations. They will witness the best and worst inclinations of their species until they collide and intertwine on that fateful day, April 20, 2009.
