On 21: The Philosophy of Blackjack gives you the tools to sit down at a blackjack table and beat the casino at their own game. Author and blackjack expert Andrew Marx outlines the critical steps it takes to be a winner. A blackjack player combines knowledge of the game, proven strategy, timing and practice to put him at the top of his game. The book includes step by step instructions on how to play blackjack and teaches tried and true strategies to decrease the house advantage. He talks how the mental discipline it takes to play the game well, and what to do when the cards aren't running in your favor. With helpful lessons spread throughout the book, full color visual aids and a detailed chapter index, On 21: The Philosophy of Blackjack not only gives you a solid understanding of the game, but talks meaningfully about the mental attitude you need to think like a winner.
