The Distance Between Us Reyna Grande,2012-08-28 In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. Reyna Grande vividly brings to life her tumultuous early years in this “compelling...unvarnished, resonant” (BookPage) story of a childhood spent torn between two parents and two countries. As her parents make the dangerous trek across the Mexican border to “El Otro Lado” (The Other Side) in pursuit of the American dream, Reyna and her siblings are forced into the already overburdened household of their stern grandmother. When their mother at last returns, Reyna prepares for her own journey to “El Otro Lado” to live with the man who has haunted her imagination for years, her long-absent father. Funny, heartbreaking, and lyrical, The Distance Between Us poignantly captures the confusion and contradictions of childhood, reminding us that the joys and sorrows we experience are imprinted on the heart forever, calling out to us of those places we first called home. Also available in Spanish as La distancia entre nosotros.

Owens swept us away to the planet Celta, where psychic talents are the key to life—and love! Midwest Book Review predicted that “readers will want Ms. Owens to return to Celta for more tales.” And the prophesy has come true—with Heart Thief... Ruis Elder never asked for his unusual trait—the ability to neutralize others' psychic talent. Because of it, he has always been hated in his own homeland, destined to roam the harsh planet alone. But trouble finds him in front of the ruling Council—and face-to-face with the most beautiful woman he has ever seen. There's only one problem: Ailim is on the opposite side of the bench... Ailim has never before felt such passion coursing through her as she feels in Ruis's presence. And she never thought she would—at least not with a man so far beneath her station, a man who does not even have psychic powers. But even on the planet Celta, love is blind to such details. Separately, Ailim and Ruis must forgo their old lives. But together, they can take on the world...

Jailed eleven times before her fifteenth birthday, Lowery fought alongside Martin Luther King, Jr. for the rights of African-Americans. In this memoir, she shows today's young readers what it means to fight nonviolently (even when the police are using violence, as in the Bloody Sunday protest) and how it felt to be part of changing American history.
