*Small Game Hunting at the Local Coward Gun Club* Megan Gail Coles,2019-02-12 #1 National Bestseller Finalist, CBC Canada Reads Finalist, Scotiabank Giller Prize By turns savage, biting, funny, poetic, and heartbreaking, Megan Gail Coles's debut novel rips into the inner lives of a wicked cast of characters, exposing class, gender, and racial tensions over the course of one Valentine's Day in the dead of a winter storm. Valentine's Day, the longest day of the year. A fierce blizzard is threatening to tear a strip off the city, while inside The Hazel restaurant a storm system of sex, betrayal, addiction, and hurt is breaking overhead. Iris, a young hostess, is forced to pull a double despite resolving to avoid the charming chef and his wealthy restaurateur wife. Just tables over, Damian, a hungover and self-loathing server, is trying to navigate a potential punch-up with a pair of lit customers who remain oblivious to the rising temperature in the dining room. Meanwhile Olive, a young woman far from her northern home, watches it all unfurl from the fast and frozen street. Through rolling blackouts, we glimpse the truth behind the shroud of scathing lies and unrelenting abuse, and discover that resilience proves most enduring in the dead of this winter's tale.

**The Game Warden and His Friend, Otto** Gary Ralston,2023-06-30 The book is a collection of stories and situations a game warden will encounter in his work. The work can be difficult and very disheartening and at times very gratifying. Wardens do much more than enforcing fish and game law, and many of these activities are noted. I have offered a few tips about hunting and fishing, which I have learned during my seventy-five years of participation in these activities and observations gathered while spending countless hours in the great outdoors. The goal of this book is to inform the public about a warden's life and the many things he is involved with in his work. I'm sure there will be some who will be critical of what I've put on paper, but I can assure you, what I've written ain't fiction. I hope you purchase a copy of my book, read it with an open mind, enjoy a few laughs, learn some things you weren't aware of, come away with a little more support, and hopefully respect for the work a game warden does for wildlife and benefits created for those who care about our great natural resources today and for generations to come.
