The Adventurer's Son Roman Dial, 2020-02-18

NATIONAL BESTSELLER Destined to become an adventure classic. —Anchorage Daily News Hailed as gripping (New York Times) and beautiful (Washington Post), *The Adventurer's Son* is Roman Dial's extraordinary and widely acclaimed account of his two-year quest to unravel the mystery of his son's disappearance in the jungles of Costa Rica. In the predawn hours of July 10, 2014, the twenty-seven-year-old son of preeminent Alaskan scientist and National Geographic Explorer Roman Dial, walked alone into Corcovado National Park, an untracked rainforest along Costa Rica's remote Pacific Coast that shelters miners, poachers, and drug smugglers. He carried a light backpack and machete. Before he left, Cody Roman Dial emailed his father: "I am not sure how long it will take me, but I'm planning on doing 4 days in the jungle and a day to walk out. I'll be bounded by a trail to the west and the coast everywhere else, so it should be difficult to get lost forever." They were the last words Dial received from his son. As soon as he realized Cody Roman's return date had passed, Dial set off for Costa Rica. As he trekked through the dense jungle, interviewing locals and searching for clues—the authorities suspected murder—the desperate father was forced to confront the deepest questions about himself and his own role in the events. Roman had raised his son to be fearless, to be at home in earth's wildest places, travelling together through rugged Alaska to remote Borneo and Bhutan. Was he responsible for his son's fate? Or, as he hoped, was Cody Roman

safe and using his wilderness skills on a solo adventure from which he would emerge at any moment? Part detective story set in the most beautiful yet dangerous reaches of the planet, *The Adventurer's Son* emerges as a far deeper tale of discovery—a journey to understand the truth about those we love the most. *The Adventurer's Son* includes fifty black-and-white photographs.

Sally's Baking Addiction Sally

McKenney, 2016-10-11 Updated with a brand-new selection of desserts and treats, the fully illustrated *Sally's Baking Addiction* cookbook offers more than 80 scrumptious recipes for indulging your sweet tooth—featuring a chapter of healthier dessert options, including some vegan and gluten-free recipes. 81 Fresh & Fun Critical-thinking Activities

Laurie Rozakis,1998 Help children of all learning styles and strengths improve their critical thinking skills with these creative, cross-curricular activities. Each engaging activity focuses on skills such as recognizing and recalling, evaluating, and analyzing.

Hungry for Home Ruth Mckeaney,2020-09-29

New York Magazine ,1997-04-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Brands and Their Companies ,2000

Chocolate-Covered Katie Katie Higgins,2015-01-06
What if you CAN eat all of your favorite desserts . . . and still be healthy and fit into your skinny jeans? Meet Katie: a girl who eats chocolate every day and sometimes even has cake for breakfast! When Katie's sugar habit went too far in college and left her lacking energy, she knew something needed to change. So she began developing her own naturally sweet recipes and posting them online. Soon, Katie's healthy dessert blog had become an Internet sensation, with over six million monthly visitors. Now, in her first cookbook, Katie shares over 80 never-before-seen recipes, such as Chocolate Obsession Cake, Peanut Butter Pudding Pops, and Ultimate Unbaked

Brownies, that use only real ingredients, without any unnecessary fats, sugars, or empty calories. These desserts prove once and for all that health and happiness can go hand-in-hand-you can have your dessert and eat it, too!

Nightwork Nora Roberts, 2022-05-24 #1 New York Times bestselling author Nora Roberts introduces an unforgettable thief in an unputdownable new novel... Greed. Desire. Obsession. Revenge . . . It's all in a night's work. Harry Booth started stealing at nine to keep a roof over his ailing mother's head, slipping into luxurious, empty homes at night to find items he could trade for precious cash. When his mother finally succumbed to cancer, he left Chicago—but kept up his nightwork, developing into a master thief with a code of honor and an expertise in not attracting attention—or getting attached. Until he meets Miranda Emerson, and the powerful bond between them upends all his rules. But along the way, Booth has made some dangerous associations, including the ruthless Carter LaPorte, who sees Booth as a tool he controls for his own profit. Knowing LaPorte will leverage any personal connection, Booth abandons Miranda for her own safety—cruelly, with no explanation—and disappears. But the bond between Miranda and Booth is too strong, pulling them inexorably back together. Now Booth must face LaPorte, to truly free himself and Miranda once and for all.

Sophie's World Jostein Gaarder, 2007-03-20 One day Sophie comes home from school to find two questions in her mail: Who are you? and Where does the world come from? Before she knows it she is

enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

The Art of Running Away Sabrina

Kleckner, 2021-11-16 When Maisie reconnects with her estranged 22-year-old brother abroad while trying to save her family's portrait studio, she uncovers a truth about her parents that changes everything.

Reflections on a Life in Exile J.F.

Riordan, 2019-05-01 Recipient of the 2020 Shelf Unbound Notable Indie Award A collection of essays by novelist J.F. Riordan, *Reflections on a Life in Exile* is easy to pick up, and hard to put down. By turns deeply spiritual and gently comic, these brief meditations range from the inconveniences of modern life to the shifting nature of grief. Whether it's an unexpected revelation from a trip to the hardware store, a casual encounter with a tow-truck driver, the changing seasons, or a conversation with a store clerk grieving for a dog, J. F. Riordan captures and magnifies the passing beauty of the ordinary and the extraordinary that lingers near the surface of daily life.

Ravenfall Kalyn Josephson, 2023-09-26 One magical inn, two kids with supernatural powers, and an ancient Celtic creature trying to destroy their world by Halloween night... Halloweentown meets Supernatural in this spooky middle-grade series from the acclaimed author of the Storm Crow duology! Thirteen-year-old Annabella Ballinkay has

never been normal, even by her psychic family's standards. Every generation uses their abilities to help run the Ravenfall Inn, a sprawling, magical B&B at the crossroads of the human world and the Otherworld. But it's hard to contribute when your only power is foreseeing death. So when fourteen-year-old Colin Pierce arrives at Ravenfall searching for his missing older brother and the supernatural creature who killed their parents, Anna jumps at the chance to help. But the mysteries tied to Colin go much deeper than either of them expects. . . . As the two team up to find answers, they unearth Colin's family's secret past and discover that Colin has powers beyond his imagination. And now the supernatural creature, one with eerie origins in Celtic mythology, is coming after him. If Anna and Colin can't stop the creature by Halloween night, the veil to the Otherworld could be ripped open—which would spell destruction for their world as they know it.

Adventure in Prolog Dennis Merritt, 2012-12-06
Not long ago Dennis Merritt wrote one of the best books that I know of about implementing expert systems in Prolog, and I was very glad he published it in our series. The only problem is there are still some unfortunate people around who do not know Prolog and are not sufficiently prepared either to read Merritt's book, or to use this extremely productive language, be it for knowledge-based work or even for everyday programming. Possibly this last statement may surprise you if you were under the impression that Prolog was an artificial intelligence language with very limited application potential. Please

believe this editor's statement that quite the opposite is true: for at least four years, I have been using Prolog for every programming task in which I am given the option of choosing the language. Therefore, I 'am indeed happy that Dennis Merritt has written another good book on my language of choice, and that it meets the high standard he set with his prior book, Building Expert Systems in Prolog. All that remains for me to do is to wish you success and enjoyment when taking off on your Adventure in Prolog.

Where I'm from Steven Borsman, Brittany Buchanan, Crystal Collett, Keri N. Collins, Danny Dyar, Katie Frensley, Yvonne Godfrey, Ethan Hamblin, Silas House, Megan Rebecckiah Jones, Liz Kilburn, George Ella Lyon, Zoe Minton, Kia L. Missamore, Desirae Negron, Marcus Plumlee, Emily Grace Sarver-Wolf, Lesley Sneed, Cassie Walters, Lucy Weakley, 2011 In the Fall of 2010 I gave an assignment in my Appalachian Literature class at Berea College, telling my students to write their own version of *Where I'm From* poem based on the writing prompt and poem by George Ella Lyon, one of the preeminent Appalachian poets. I was so impressed by the results of the assignment that I felt the poems needed to be preserved in a bound document. Thus, this little book. These students completely captured the complexities of this region and their poems contain all the joys and sorrows of living in Appalachia. I am proud that they were my students and I am very proud that together we produced this record of contemporary Appalachian Life -- Silas House

Busy Toddler's Guide to Actual Parenting Susie

Allison,2020-09-22 Susie Allison gives the achievable advice she's known around the world for on her million-follower Instagram account, Busy Toddler. From daily life to 'being two is fine' to tantrums and tattling and teaching the ABCs, let Susie give you the stress-free parenting advice you've been looking for. Susie shares real moments from raising her three kids as well as professional knowledge from her years as a kindergarten and first grade teacher. Her simple and doable approach to parenting is both uplifting and empowering ... includes over 50 of Susie's famous kid activities that have helped hundreds of thousands of parents make it to nap time and beyond. This isn't about perfect parenting. This is about actual parenting--

Way Past Worried Hallee Adelman,2020-10-01 Sometimes being worried can keep you from having fun. Brock is worried. Way past worried, with his heart thumping and his mind racing. Today is his friend Juan's superhero party and he's going all by himself. What if nobody plays with him? What if everyone laughs at him? Brock doesn't feel like a superhero, but...what if he can save the day and find a way past worried all by himself? This engaging story speaks to kids' emerging emotional intelligence skills and helps them learn to manage worry.

Making Milk Mathilde Cohen,Yoriko Otomo,2017-11-02 What is milk? Who is it for, and what work does it do? This collection of articles bring together an exciting group of the world's leading scholars from different disciplines to provide commentaries on multiple facets of the

production, consumption, understanding and impact of milk on society. The book frames the emerging global discussion around philosophical and critical theoretical engagements with milk. In so doing, various chapters bring into consideration an awareness of animals, an aspect which has not yet been incorporated in these debates within these disciplines so far. This brand new research from scholars includes writing from an array of perspectives, including jurisprudence, food law, history, geography, art theory, and gender studies. It will be of use to professionals and researchers in such disciplines as anthropology, visual culture, cultural studies, development studies, food studies, environment studies, critical animal studies, and gender studies.

Relæ Christian F. Puglisi, 2014-11-11 Written as a series of interconnected essays—with recipes—Relæ provides a rare glimpse into the mind of a top chef, and the opportunity to learn the language of one of the world's most pioneering and acclaimed restaurants. Chef Christian F. Puglisi opened restaurant Relæ in 2010 on a rough, run-down stretch of one of Copenhagen's most crime-ridden streets. His goal was simple: to serve impeccable, intelligent, sustainable, and plant-centric food of the highest quality—in a setting that was devoid of the pretention and frills of conventional high-end restaurant dining. Relæ was an immediate hit, and Puglisi's "to the bone" ethos—which emphasized innovative, substantive cooking over crisp white tablecloths or legions of water-pouring, napkin-folding waiters—became a rallying cry for chefs around the world. Today the

Jægersborggade—where Relæ and its more casual sister restaurant, Manfreds, are located—is one of Copenhagen’s most vibrant and exciting streets. And Puglisi continues to excite and surprise diners with his genre-defying, wildly inventive cooking. Relæ is Puglisi’s much-anticipated debut: like his restaurants, the book is honest, unconventional, and challenges our expectations of what a cookbook should be. Rather than focusing on recipes, the core of the book is a series of interconnected “idea essays,” which reveal the ingredients, practical techniques, and philosophies that inform Puglisi’s cooking. Each essay is connected to one (or many) of the dishes he serves, and readers are invited to flip through the book in whatever sequence inspires them—from idea to dish and back to idea again. The result is a deeply personal, utterly unique reading experience.

Kitchen Confidential Anthony Bourdain, 2013-05-01
After twenty-five years of 'sex, drugs, bad behaviour and haute cuisine', chef and novelist Anthony Bourdain has decided to tell all. From his first oyster in the Gironde to his lowly position as a dishwasher in a honky-tonk fish restaurant in Provincetown; from the kitchen of the Rainbow Room atop the Rockefeller Center to drug dealers in the East Village, from Tokyo to Paris and back to New York again, Bourdain's tales of the kitchen are as passionate as they are unpredictable, as shocking as they are funny.

Pull Up a Chair Tiffani Thiessen, Rachel Holtzman, 2018-10-02
From the Cooking Channel host and *Saved by the Bell* actress, recipes “more than

delicious enough to bring everyone running to the table" (Chef Ludo). Tiffani Thiessen is beloved for her roles in *Saved by the Bell* and *Beverly Hills 90210*, but she's also known as the host of the Cooking Channel series *Dinner at Tiffani's*. Each episode showcased her classic-with-a-twist recipes and knack for hosting a good time. For three seasons, Tiffani's fans were able to fall in love with her all over again. Now, in *Pull Up a Chair*, readers can bring home Tiffani's delicious food and warm hospitality. The 125 recipes in this debut cookbook are the kind that bring people together. Whether it's Stuffed French Toast or her husband Brady's Favorite Short Rib Enchiladas for family-friendly meals, Curried Deviled Eggs or Boozy Date Milkshakes for special-occasion treats, or Mom's Cream Cheese Pie—because you can't forget dessert! With recipes and tips for pleasing the pickiest of eaters, feeding a crowd or pulling off a party in your PJs, plus gorgeous photography, *Pull Up a Chair* will be the book that fans and avid home cooks alike will want to include in their collection. "Stunning . . . I'm pulling up a chair, reading this book cover to cover, and getting in the kitchen to cook up some of these mouthwatering recipes."—Valerie Bertinelli "Not only is Tiffani an incredible cook with a true passion for all that is epicurean, she is an incredible parent and wife; and she does it all with an authentic joy and kindness."—Matt Bomer, Golden Globe Award-winning actor
