*Untamed* P. C. Cast, Kristin Cast, 2010-04-01 Life sucks when your friends are pissed at you. Just ask Zoey Redbird – she's become an expert on suckiness. In one week she has gone from having three boyfriends to having none, and from having a close group of friends who trusted and supported her, to being an outcast. Speaking of friends, the only two Zoey has left are undead and unMarked. And Neferet has declared war on humans, which Zoey knows in her heart is wrong. But will anyone listen to her? Zoey's adventures at vampyre finishing school take a wild and dangerous turn as loyalties are tested, shocking true intentions come to light, and an ancient evil is awakened in PC and Kristin Cast's spellbinding fourth House of Night novel. (Recommended for readers age 13 and older)

**The Roller Coaster Life of Flappy Stanley M Schwarz**, 2022-11-29 This book is a thrilling account of a person who was raised in poverty and by sheer will of determination overcame impossible obstacles to become an intelligence officer during the Korean War, an honor graduate of Temple University Law School, a prominent assistant DA in Philadelphia, a leading Civil Rights attorney, and a successful advocate for thousands of clients. His description of his childhood during the 1930s Depression and the many jobs he worked at during this period and in his later teen years will amaze the reader. His description of his parents, siblings, and children is especially poignant. As a child, his father was constantly leaving the family for months on end and finally left for good when the author was about thirteen years old. He describes the hardships during this period and his ability to overcome these conditions. The author also describes his training at Fort Benning, Georgia, to become an officer during the Korean War as well as his duties in the Army Security Agency intercepting enemy encrypted messages. The author's account of his interactions with his two young children as a divorced father will delight the reader to no end. His love affair with his wife, Kathy, will also pull at the heartstrings of the reader. The reader will especially enjoy the many legal cases that the author describes in detail. From the poison apple case that wound up in a lengthy article in Inside Detective magazine to his reliance on the legal doctrines of attractive nuisance and fruit of the poisonous tree, the reader will learn some interesting legal principles. The author also relates a detailed description of his tactics in prosecuting as well as defending some murder suspects in cases assigned to him by the Courts. In addition, he gives a detailed description of the many Civil Rights cases he handled as well as his representation of some unique civil cases which garnered extensive media coverage. The author winds up his book with several short descriptions of some scary encounters, his unusual steps to foster his love of music, and

some entertaining comments about his golf and card games. The author's unusual life story will surely spark an inspirational feeling and attract the interest of his readers.

Breakfast with the Birds Jack G Hyman, 2013-11-01 Molly wasn't looking to have a pet. She prefers climbing trees, eating peanut butter, playing with her dolls, and having breakfast with the birds. But when her little brother thinks he hears a monster in the backyard, everything changes...including friendships. Now, Molly's adventure with an avian friend leads not only to some discoveries about herself but also to standing in the kitchen sink, having a tea party in a tree house, holding a live bird in her hands, singing into a walkie-talkie, and eating "Oatmeal Mollerino." She even manages to finally decide on her absolutely, positively most favorite color in the whole wide world—thanks to her special new friend. *Breakfast With The Birds* is a delight! Long before I became a professional writer myself, I had a career in children's book publishing. But I must admit ... I would never be able to write for kids with the skill that Jack G Hyman so clearly possesses. This is an utterly charming read that children will enjoy experiencing and learning from, over and over. Highly recommended! -Mike Greenly, Award-winning Lyricist, Author, Journalist, Speechwriter

*Git Along, Little Dogies* John I. White, 1989 A former singing cowboy himself, John I. White spent decades compiling information on cowboy and western songs and the artists, songwriters, and others attached to them. He also sought out and corresponded with a who's who of the genre, people like Badger Clark, Curley Fletcher, D. J. O'Malley, Romaine Lowdermilk, Will Barnes, Joseph Mills Hanson, and Owen Wister. In *Git Along, Little Dogies*, White draws on old friendships and his exhaustive files to bring readers the untold story of cowboy and western song. Wonderful anecdotes stand beside White's trademark attention to detail as he painstakingly establishes the time, place, and circumstance behind each song's origin and places the music within the evolution of popular song. He also looks at how radio and recording affected the genre and shows how the music crisscrossed with pop music but also with folk and the traditional Anglo-Irish tradition. From Whoopee Ti Yi Yo to Ten Thousand Cattle Straying, *Git Along, Little Dogies* ventures from cow camps to saloons to big-city radio studios as it lassos a vivid piece of American music history.

*Ana Takes Manhattan* Lissette Decos, 2023-02-28 Fans of Abby Jimenez and Alexis Daria will love this novel about one New York City woman skilled in producing swoon-worthy reality TV shows but whose own life is a mess, with nothing ever going according to plan. As a reality TV producer, Ana

Karina orchestrates extravagant marriage proposals that always (well, mostly) go as planned. When they don't, she's not afraid to cut and paste scenes to make the moment picture-perfect. If only Ana's own life was as simple to direct. Her colleagues are getting promotions. Her best friend and her younger sister are both getting married. Everyone is moving forward—except Ana. Sick of feeling stuck, she decides to start living with no regrets. She's going to pitch all her ideas at work, no matter how unlikely. She'll take a chance on a guy even if he doesn't check all her boxes for Mr. Right. Soon, she's swept up in a roller coaster of exhilarating dates—a comedy show, a Jane Austen reenactment, a rave pool party, and a whirlwind trip to Vienna. With all this excitement, Ana should be on her way to her own happily-ever-after, but instead her life is getting messier by the second. Yet throwing caution to the wind may still bring Ana more than she hoped for as she begins to listen to her heart and realizes the life—and man—truly meant for her might be the one she never saw coming.

On the Cusp of a Dangerous Year Lee Ann Roripaugh, 2009-10-14 Lady Murasaki wrote in *The Tale of Genji* that thirty-seven is “a dangerous year” for women. Evoking the styles of Murasaki and other women writers of the Heian-period Japanese court, Lee Ann Roripaugh presents a collection of confessional poems charting the course of that perilous year. Roripaugh, in both an homage to and a dialogue with women writers of the past, explores the trials of women facing the treacherous waters of time while losing none of the grace and decadence of femininity. Often calling upon the passing of the seasons and revelations of nature, these lyrically elegant poems chronicle the dangers and delights of a range of issues facing contemporary women—from bisexuality and biracial culture and identity, to restless nights and lingering memories of the past. The pleasures of the senses collide with parallels of time and the natural world; tangible solitude lies down beside wistful memories of relationships gone by. What is ultimately revealed is both heartbreaking and illuminating. At once provocative, humorous, and bittersweet, *On the Cusp of a Dangerous Year* is a pillow book for the twenty-first century, providing a candid and whimsical look into the often tumultuous universe of the modern woman.

**Disciple of a Dark God** Edmund Glasby, 2010-10-21 Assassin, cultist, zealot; his sole aim in life is to serve the evil god who enabled him to exact his revenge. Satiated by this act, but forever bitter and cynical, Everus does whatever is required by the cult, and more importantly by Xethorn, who contacts him directly. As far as Everus is aware, he has already killed those responsible for his downfall and asks only to repay his deity. To this end, and with assistance from a grave-robbing thief with his own agenda, he seeks the wards which will allow Xethorn to gain supremacy over the world. Arrogant,

charismatic and cold-hearted, Everus begins to realise that even his cynical view of people is not dark enough, as he eventually discovers the true extent to which he has been manipulated. Driven by the desire for vengeance, Everus stalks through his treacherous, unsavoury but sometimes blackly comical world in pursuit of the means to free his imprisoned god. Disciple of a Dark God is a dark fantasy novel that does not pit good against evil, love does not triumph and loyalty is not rewarded.

**BUCKLEY, BATMAN & MYNDIE: Echoes of the Victorian culture-clash frontier ,2021-01-01**

SOUNDING 3 begins with Echo 34: DERRIMUTT THE GO-BETWEEN. This clan head of the Bunurong people was the traditional 'owner' of the town site that became Melbourne's CBD on the western side of the river. Bible-bashing Protector Thomas's journals of camping with the natives at what is now the Botanic Gardens is eye-opening and reveals mind-bending mysteries and misery with grog and gun-control issues that resonate on up to today. This Sounding personalises many local Kulin identities such as Polierong aka Billy Lonsdale and Yabbee aka Billy Hamilton who name-swapped with the early leading townsmen and squatters on their 'country'. Next follow snippets from Mick Woiwod's fictional but faithful novel *The Last Cry*, along with his Yarra Valley anthropology and reconciliatory vision. Surveying and selling off the Yarra and Diamond Valley 'badlands' stringybark forest leads into discussions on sorcery, smallpox and culture-collapse into fringe-dwelling. The frontier moves on north, west and east and the tone changes to academic, political and biographic studies of Aboriginal workers and surviving kooris including the life and times of Wurundjeri clan heads Billibellary, Simon Wonga and William Barak. In the decades after World War 2, academic historical analysis led to the politicized 'history wars' as reaction to the racist colonial 'white Australia policy' lies, fears and distortions cloaked by denial and patriotism. Echo 49: THE NATIVE POLICE – Turncoats or adaptation [?] is the largest echo in this Sounding and the question is posed in five parts, the last being Irish observer Claire Dunne on applying the bloody colonial lessons of Port Phillip to frontier Queensland and beyond to Central Australia's mass-murderer Constable Willshire and the cultural logic of settler nationalism. Echoes follow on re-visioning Aboriginal / white history and historical geography research of 'high country' clans and language groups in my unsatisfied search of a supposed 'superior tribe' in the Alps who reportedly 'dwelt in stone houses all year round'. Sounding 3 ends with echoes titled COLONIAL OBSERVATIONS OF HIGH SOCIETY EMIGRANTS containing Georgina and her son George McCrae's journals of Yarra-side and pioneering the Mornington peninsula in the 1840s along with early 1860s photographs of native people collected by gentleman squatter John Hunter Kerr.

**Prophecy Girl** Cecily White, 2013-04-02 Some prophecies are downright deadly... Amelie Bennett. . . Ending the world, one prophecy at a time. I was born to slay Crossworld demons. Big black flappy ones, little green squirmy ones. Unfortunately, the only thing getting slain these days is my social life. With my high school under attack, combat classes intensifying, and Academy instructors dropping right and left, I can barely get my homework done, let alone score a bondmate before prom. Then he shows up. Jackson Smith-Hailey. Unspeakably hot, hopelessly unattainable, and dangerous in all the right ways. Sure, he's my trainer. And okay, maybe he hates me. Doesn't mean I'll ignore the wicked Guardian chemistry between us. It's crazy! Every time I'm with him, my powers explode. Awesome, right? Wrong. Now my teachers think I'm the murderous Graymason destined to bring down our whole race of angelbloods. Everyone in New Orleans is hunting me. The people I trusted want me dead. Jack and I have five days to solve the murders, prevent a vampire uprising, and thwart the pesky prophecy foretelling his death by my hand. Shouldn't be too difficult. Getting it done without falling in love. . . that might take a miracle. Each book in the Angel Academy series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book 1: Prophecy Girl Book 2: Conspiracy Boy

The Art of Gravity Bruce Rousseau,2017-07-11 Humans will eradicate themselves long before the universe gets around to it. -The Tesseract It's today's world. Humans are in charge of themselves. Science coexists with alt-facts. Politics mingles with anti-government movements. Religion dances with skeptics. Yes, it's a typical year in the span of man. So what could go wrong with man's usual conflict and blind progress? Nothing . . . until it all unravels in the blink of an eye. First Contact: The Reluctant Prophet A preacher in rural Georgia awakes one Sunday morning with a vivid prediction that millions would soon die. **The School on Heart's Content Road** Carolyn Chute,2009-07-08 A New York Times Notable Book: A group forms its own surrogate family on the margins of society in this novel by the author of *The Beans of Egypt, Maine*. Mickey Gammon, fifteen, has dropped out of school and been kicked out of his

home. But he has found a new place in the Settlement—a rural cooperative that deals in alternative energy, farm produce, and locally made goods. Run by “The Prophet,” the Settlement is demonized by the media as a compound of sin, but its true nature remains foreign to outsiders. It is here where Mickey meets another deserted child, six-year-old Jane, whose mother is in jail on trumped-up drug charges. Playing “secret agent,” Jane cunningly prowls the Settlement in her heart-shaped sunglasses, imagining that her plans to bring down the community will reunite her with her mother. As they struggle to adjust to their new, complex surrogate family, Mickey and Jane are about to witness mounting unrest within the Settlement’s ranks—which soon builds to a shocking and devastating crescendo. The School on Heart’s Content Road is “a profoundly human novel . . . Absolutely one of a kind” (USA Today), from an author who, “like Flannery O’Connor . . . has a gift for expressing the true spirit of a culture” (San Francisco Chronicle). “Chute can’t help but create characters who live and breathe.” —The Washington Post
