Next-Level Bass Fishing Joe Kinnison,2021-10-05 Tips to become a bass fishing pro! While many people catch fish, even the occasional lunker, few actually acquire bass fishing proficiency. The popular view is that anglers who achieve such prominence do so through a collection of vices. These afflictions range from luck, to fraudulence, to worst of all, patience. Few, however, talk about the true qualities that lead to angling success. That's what Joe Kinnison, himself a sportsman, gathered in Next-Level Bass Fishing: the tips, options, strategies, and winning methods, to allow those who fish recreationally to employ the knowledge base of a pro. Five professional anglers work with Joe to identify distinctive characteristics that elevate the best in the field. Bassmaster Elite pro Tyler Carriere illustrates a structured approach to fishing. Six-time Ladies Bass Anglers Association (LBAA) Angler of the Year, Pam Martin- Wells explains versatility as she takes readers on a tour of her favorite waterways. Brandon, Palaniuk, two-time 2020 tournament champion and one of the leading money winners on tour, discusses details such as hormones and sensory ranges of his quarry. Christaina Bradley teaches focus, and Destin Demarion provides an example of productive originality. When qualities are translated into lure selections and lake terrain targets, the results are far superior to those of the average angler reminiscing about how one got away. Kinnison explores the key relationships, the innovative techniques, and the special places that have elevated the world's best anglers to the top of their craft. Next-Level Bass Fishing is the next-best thing to touring with the pros.
