Fun Word Scrambles for Kids Chris McMullen,Carolyn Kivett,2011-12-31 These word scramble puzzles consist of words or phrases in the interests and knowledge base of kids where the letters have been scrambled. Solve each puzzle by rearranging the letters to form the word or phrase. For example, rearranging the letters SAMEG, we can form the word GAMES. Each puzzle consists of a group of related words or phrases, like ice-cream flavors or types of pets. Knowing that the words in each puzzle are related may help to unscramble tougher words. A hints section at the back of the book provides the first letter of each answer, which is handy if you just need a little help; a separate section provides the answers so that you can check your solutions.

Silly Words Word Searches Julie Harper,2012-08-01 This book has 108 word searches which are silly in one way or another. For example, a word might be a combination of two different animals, like "rhinophant," which is part rhinoceros and part elephant. Some words sound funny (like "phooey"), some words are a play on the English language (like "gooder" and "badder"), and some words include a name as part of the word (like "banjoe"). Other words are silly in yet other ways. All of the words in the same word search puzzle have something in common. A brief note at the bottom of the word search puzzle explains what is silly about each word list. In some cases, if you read the words of the word list in order they will form a wacky sentence. Solve these silly word searches the same way that ordinary word searches are solved – by finding and circling each word in the word list. Words read horizontally, vertically, and diagonally, forward and backward. Solutions are included in the back of the book so that you can check your answers. May you or your children enjoy solving these silly word search puzzles.
