Children's Play in Diverse Cultures Jaipaul L. Roopnarine,James E. Johnson,Frank H. Hooper,1994-01-11 This book illuminates play as a universal and culture-specific activity. It provides needed information about the behavior of children in diverse cultural contexts as well as about the play of children in unassimilated cultural or subcultural contexts. It offers readers the opportunity to develop greater sensitivity to and better understanding of the important cultural differences that confront early childhood teachers and teacher educators.

Testing for Kindergarten Karen Quinn,2010-06-18 Karen Quinn has successfully taught hundreds of parents how to prepare their children for testing, and Testing For Kindergarten is her ultimate, comprehensive guide to having fun while teaching to the underlying abilities every test assesses. Whether your child is going to a private kindergarten or a public school, he or she will most likely be tested—and placed in classrooms according to those results. But information about intelligence tests is closely guarded, and it can be difficult to understand what your kids need to know. As an expert who has successfully taught hundreds of parents how to work with their own children, Karen Quinn has written the ultimate guide to preparing your child for kindergarten testing. The activities she suggests are not about “teaching to the test.” They are about having fun while teaching to the underlying abilities every test assesses. From the “right” way to have a conversation to natural ways to bring out your child’s inner math geek, Quinn shares the techniques that every parent can do with their kids to give them the best chance to succeed in school and beyond. It’s just good parenting—and better test scores are icing on the cake.
