Trick or Treat Lisa Morton,2013-09-15 Every year, children and adults alike take to the streets dressed as witches, demons, animals, celebrities, and more. They carve pumpkins and play pranks, and the braver ones watch scary movies and go on ghost tours. There are parades, fireworks displays, cornfield mazes, and haunted houses—and, most important, copious amounts of bite-sized candy. The popularity of Halloween has spread around the globe to places as diverse as Russia, China, and Japan, but its association with death and the supernatural and its inevitable commercialization has made it one of our most misunderstood

holidays. How did it become what it is today? In *Trick or Treat*, Halloween aficionado Lisa Morton provides a thorough history of this spooky day. She begins by looking at how holidays like the Celtic Samhain, a Gaelic harvest festival, have blended with the British Guy Fawkes Day and the Catholic All Souls' Day to produce the modern Halloween, and she explains how the holiday was reborn in America, where costumes and trick-or-treat rituals have become new customs. Morton takes into account the influence of related but independent holidays, especially the Mexican Day of the Dead, as well as the explosion in popularity of haunted attractions and the impact of such events as 9/11 and the economic recession on the celebration today. *Trick or Treat* also examines the effect Halloween has had on popular culture through the literary works of Washington Irving and Ray Bradbury, films like *Halloween* and *The Nightmare Before Christmas*, and television shows such as *Buffy the Vampire Slayer* and *The Simpsons*. Considering the holiday in the context of its worldwide popularity for the first time, this book will be a treat for any Halloween lover.

Goodnight Train Halloween June Sobel, The perfect gift for the littlest trick-or-treater! The *Goodnight Train* takes a magical Halloween ride to bedtime in this sturdy board book with peek-a-

boo pages and glitter cover. A novelty companion to The Goodnight Train, The Goodnight Train Rolls On!, and Santa and the Goodnight Train. Trick or Treat! Trick or Treat! Whoooo! Whoooo! It's Halloween night and the Goodnight Train is set to choo choo BOO! See costumed sheep, find glowing jack-o-lanterns, and fill the boxcar with candy freight before rolling into the station for bedtime. Surprises await through seek-and-find holes in every durable page of this board book with a shaped cover. A treat for train fans that's sure to lull sugar-filled revelers into sweet dreams.

The Wheels on the Bus at Halloween ,2021-08-17 The favorite children's song The Wheels on the Bus gets a Halloween twist! Let's ride the bus on Halloween! Who will we find inside? Grab a ticket and hop aboard for a trick-or-treat bus ride! Families will love creating a new Halloween tradition as they sing along to this joyful, boisterous version of the classic song The Wheels on the Bus. With a gaggle of adorable Halloween passengers—including pumpkins, witches, cats, and candy—this bright and festive book is sure to have children eager to read it (and sing it!) again and again. Peek-through windows in the front cover give kids a glimpse of the characters they'll find inside. And don't miss its companion book, The Wheels on the Bus at Christmas.

Let's Go Trick-or-Treating! Lori Haskins Houran,2021-07-06 A fun Halloween Little Golden Book about young twin boys going trick-or-treating. It's Halloween! Twin bothers Nick and Toby are excited to choose their own costumes and go trick-or-treating with their parents. This Little Golden Book is perfect for young boys and girls getting ready for their own Halloween fun because the story mentions what to expect and how to act--including only taking one candy when a whole bowl is left out, saying thank you, checking out a neighborhood haunted house, and, of course, sharing candy with your parents!

Trick Or Treat in Texas Eric James,2019-08 An unexpected visitor arrives in town! But who is he? What is he? Where did he come from? Readers will learn the answers to all these questions as they watch the mysterious visitor travel through places they know and love in Texas! Come along and celebrate an unforgettable Halloween night!

The Mousecat and the Moonicorns on Halloween Night Heather MacLean,2013-08-02 It is October 31st. The orange harvest moon has no moonbeams. In the stables, horses feel uneasy when scary creatures appear in the night sky. Four kittens are born. One is abandoned by her mother because she is not suitably dressed in

black for a Halloween ride on a broomstick. A loving horse rescues the tiny creature, no bigger than a mouse, and she is named the Mousecat. The Mousecat has most unusual eyes, which enable the strangest, scariest, and most wonderful things to happen when she goes on her own Halloween sky ride with the Moonicorns and moonicorn fairies. How could it be possible for such a tiny creature to experience so much in one dark, dark night? Could this amazing adventure be a dream? Maybe, but the next night, the moon notices the bow of a violin near a pumpkin patch. An old skeleton, in his hurry to reach his coffin before sunrise, had dropped the bow. People and animals also noticed it, and left it there. A year later, after the next Halloween night, it was gone. A sequel to *The Moonicorn Fairies*, this book once again combines fact and fantasy using Classical music, storytelling, and art.

soon as he realizes that it is Halloween, he is delighted and hopes that he too will get to trick-or-treat. However, life has a way of throwing curve balls his way when his baby brother gets sick and then his mom can't take him. Does he find a way anyway? This book has a life lesson that helps children realize that parents do know best in the end. Between the beautifully colorful pictures and the magical story, you will enjoy the ride with your little one on the holidays. Make sure you keep an eye out very shortly for the next in the series, Casper's First Thanksgiving and then Casper's First Christmas.

Halloween Molly Aloian, 2009 Ghouls and goblins take to the street in Halloween! But there's more to this spooky celebration than carving pumpkins and trick-or-treating. Halloween explores the history behind this yearly custom, including its roots in ancient Celtic tradition, as well as the costumed and candied evening it is today. Wonderful color photographs bring this celebration to life for young readers.

The Halloween Store and Other Tales of All Hallows' Eve
Ronald Kelly, 2020-09-25 When you first enter The Halloween Store, things seem normal. Fun and frightful decorations, ghastly costumes and masks of the season, and bags of candy galore.

Then, as you travel farther into its shadowy depths, things begin to change. The air smells of damp autumn leaves and candle-scorched pumpkin. The shelves of All Hallows' Eve fare grow darker and more disturbing. Strange and unsettling things of Halloweens past and present lurk amid the cobwebs and dust...

Four trick-or-treaters purchase vintage costumes from a strip-mall shop, only to discover that they must sign a mysterious disclaimer for the Halloween celebration to come... After a man's missing daughter is found—near death and physically altered—he must once again face a horrifying monster from his own childhood... A teenage girl hitches a ride after a Halloween rock & roll concert, only to learn that her favorite singing idol has made a pact with the Devil himself... Three kids receive unusual treats during a Halloween stop at their favorite teacher's house... During a random visit to his hometown, a businessman treats a young boy to the joy and excitement of a Halloween festival, only to find that things are not what they first appeared to be... A rash of ghoulish jack-o'-lanterns leads a small-town sheriff to the doorstep of one of the most notorious serial killers of all time... An advertisement in the back of an old comic book prompts two friends to place an order that they soon come to regret... Seven horrific tales and two nostalgic

essays... hand-picked for your Trick-or-Treat bag. With the arrival of a 2020 Halloween, there is no telling what terrifying treats and petrifying prizes may await you!
