Samson and the Pirate Monks Nate Larkin,2007-02-18 With no-holds-barred honesty and poignant storytelling, Nate Larkin introduces a model of community and friendship that is reinvigorating men's ministry across the country, a model he calls The Samson Society. Too many men see the biblical hero Samson as their model for manhood--a rugged individualist of the highest order. Yet, Samson's solitary successes were eventually overcome by moral weaknesses. Larkin, through the story of his own past and the stories of those in The Samson Society, offers a radical, refreshing alternative.

Born to Run Christopher McDougall,2010-12-09 A New York Times bestseller 'A sensation ... a rollicking tale well told' - The Times At the heart of Born to Run lies a mysterious tribe of Mexican Indians, the Tarahumara, who live quietly in canyons and are reputed to be the best distance runners in the world; in 1993, one of them, aged 57, came first in a prestigious 100-mile race wearing a toga and sandals. A small group of the world's top ultra-runners (and the awe-inspiring author) make the treacherous journey into the canyons to try to learn the tribe's secrets and then take them on over a course 50 miles long. With incredible energy and smart observation, McDougall tells this story while asking what the secrets are to being an incredible runner. Travelling to labs at Harvard, Nike, and elsewhere, he comes across an incredible cast of characters, including the woman who recently broke the world record for 100 miles and for her encore ran a 2:50 marathon in a bikini, pausing to down a beer at the 20 mile mark.

You Lucky Dog Julia London,2020-08-25 An accidental dog swap unleashes an unexpected love match in this new romantic comedy from New York Times bestselling author Julia London. Carly Kennedy's life is in a spiral. She is drowning in work, her divorced parents are going through their midlife crises, and somehow Carly's sister convinces her to foster Baxter--a basset hound rescue with a bad case of the blues. When Carly comes home late from work one day to discover that the dog walker has accidentally switched out Baxter for another perkier, friendlier basset hound, she has reached the end of her leash. When Max Sheffington finds a depressed male basset hound in place of his cheerful Hazel, he is bewildered. But when cute, fiery Carly arrives on his doorstep, he is intrigued. He was expecting the dog walker, not a pretty woman with firm ideas about dog discipline. And Carly was not expecting a handsome, bespectacled man to be feeding her dog mac and cheese. Baxter is besotted with Hazel, and Carly realizes she may have found the key to her puppy's happiness. For his sake, she starts to spend more time with Hazel and Max, until she begins to understand the appeal of falling for your polar opposite.

The Brief Wondrous Life of Oscar Wao Junot Diaz,2008-09-04 Things have never been easy for Oscar. A ghetto nerd living with his Dominican family in New Jersey, he's sweet but disastrously overweight. He dreams of becoming the next J.R.R. Tolkien and he keeps falling hopelessly in love. Poor Oscar may never get what he wants, thanks to the Fukú - the curse that has haunted his family for generations. With dazzling energy and insight Díaz immerses us in the tumultuous lives of Oscar; his runaway sister Lola; their beautiful mother Belicia; and in the family's uproarious journey from the Dominican Republic to the US and back. Rendered with uncommon warmth and humour, The Brief Wondrous Life of Oscar Wao is a literary triumph, that confirms Junot Díaz as one of the most exciting writers of our time.

Tales from the Slot Floor, Volume 1: Casino Slot Managers in Their Own Words David G. Schwartz,2018-06-22 Slot machines are the backbone of most casinos. They earn the most money and determine the physical layout of the casino floor. The management of slot machines, which includes overseeing employees, selecting machines, designing the playing space, resolving customer disputes, and conducting analyses to improve operations, is a challenging field whose complexity has grown as the machines themselves have become more sophisticated. To better document the current issues in slot management--and the change the field has seen over the past four decades--the University of Nevada, Las Vegas Center for Gaming Research conducted an oral history project. Those interviewed were at all stages of their careers. Drawn from these interviews, Tales from the Slot Floor features slot managers discussing several of the most important issues in today's casino world, including: the optimal layout of a slot floor; the qualities demonstrated by both good and bad managers; what customers want from their visits to the casino; the vendor/casino relationship; appealing to millennials; and what the future holds. In addition, those with long careers share their views on the changes they have seen, and all subjects offer their advice to those embarking on a career in slot management. For those interested in becoming slot managers, or those just curious about how casinos work, Tales from the Slot Floor gives you the inside story of slot operations, from those who do it.

Dear Fahrenheit 451 Annie Spence,2017-09-26 If you love to read ... you know that some books affect you so profoundly they forever change the way you think about the world. Some books, on the other hand, disappoint you so much you want to throw them against the wall ... In [this book], librarian Annie Spence has crafted love letters and breakup notes to the iconic and eclectic books she has encountered over the years. From breaking up with The Giving Tree (a dysfunctional relationship book if ever there was one), to her love letter to The Time Traveler's Wife (a novel less about time travel and more about the life of a marriage, with all of its ups and downs), Spence will make you think of old favorites in a new way--Dust jacket flap.

Red Lanterns Janisse Ray,2021 Red Lanterns is a collection of new poetry that navigates a borderland between the seen world and the spirit world. Occupying a tangible world is expected of us humans. We have been taught to trust (and trust only) our five major senses, which inform the tangible. Humans, however, possess senses beyond our primary ones, not simply the sixth sense of intuition but also a sense of time, sense of responsibility, sense of being watched, and so on. Some things lie beyond the realm of human knowledge, some things are not as they appear, some places that appear empty may not be, and some things remain wild, secret, and intangible. These poems look at the place where the wild and mysterious joins with the explicable. The poems are about connections, especially spiritual connections – human to human, human to animal, human to land, animal to animal. Many of the poems can be classified as love poems, because love is one of our most primal connections. There is also a thread of fierceness that runs through this work. This ferocity is in seeing disconnection and fighting to restore connectivity. More than anything the book is a manifesto to protect all the connections that allow us to be creatures of spirit as much as creatures of what Flannery O'Connor called weight and extension, meaning of the body--
