Jack Hanna

Jungle Jack Jack Hanna, 2008-07-11 *Jungle Jack* is the completely revised and updated authorized biography of one of our most beloved zookeepers, Jack Hanna. When the Columbus Zoo hired Jack Hanna as executive director in 1978, he inherited an outdated zoo where all the animals were caged and the buildings were run down. With the kind of work ethic and enthusiasm he's become known for, Hanna brought new life to the zoo, transforming it into the state-of-the-art facility it is today. It was an achievement for which he was well prepared: Hanna was only eleven years old when he got his first job with animals-cleaning cages for the family vet. As a newlywed, he and his wife, Suzi, ran a pet shop and petting zoo, and he later worked for a wildlife adventure outfit. You've probably seen Hanna as a wildlife correspondent with his animal friends on *The Late Show with David Letterman*, *Larry King Live*, *Entertainment Tonight*, and *Hannity & Colmes*. Full of unpredictable animal escapades and the occasional tragedy, this book takes readers on an enjoyable safari through the life of *Jungle Jack* Hanna.

Gorilla Mountain: Rene Ebersole, 2006-04-30 Amy Vedder leads a wild life. How many people can say they were once a member of a mountain gorilla family? Amy Vedder is a wildlife biologist, a scientist who studies animals and their behavior. She uses her knowledge to save animals whose lives and habitats are threatened. She once lived in a remote part of central Africa, where she helped rescue Rwanda's mountain gorillas from extinction. Amy did groundbreaking science in a beautiful rain forest environment, but it wasn't always easy. She had to face tough conditions in a country affected by conflict and war. In the process, she met unforgettable people and unforgettable gorillas. Today Amy travels the world, from her home base at New York's Bronx Zoo to the far reaches of Mongolia in Asia. Everywhere she goes, she teaches people how to appreciate and protect the precious wildlife that surrounds them. *Gorilla Mountain* is an exciting and inspiring story of true tale adventure. Young readers everywhere will be moved by the story of the young nature lover who became a powerful champion of great apes.

On Safari - The Tiger and the Baobab Tree Babi Nobis , Tina Nobis, 2012 Babi Nobis was barely 11 years old when he had his first chance encounter with a tiger in the jungles of Hazaribagh. The experience not only left an indelible impression on his young mind but also instilled in him a deep reverence for this majestic animal. Thereafter, his love for nature's creatures would only grow with each visit to the wilds, as would his passion for photography. Over the last twenty-five years, Babi and Tina Nobis have explored the incredible wilderness of both the Indian and African game reserves, from Kanha and Bandhavgarh to the Serengeti, the Masai Mara and more, with Babi photographing either spectacular events charged with power and drama in the animal kingdom in both continents, or animals in their most human emotions and circumstances. Be it is the sheer dominance of the tiger in its habitat, a leopard carrying its prey, a cub frolicking in front of the camera, giraffes sparring to mark their territories, a million wildebeest on their annual migration trail, a pride of hungry lion cubs feasting on a dead elephant, a stunning landscape, or the majestic Baobab tree that has silently witnessed the co-existence and tussle of man and beast over millennia, Babi Nobis captures the transcendent beauty of the wild, bringing together the uniqueness of the two continents. With a foreword by well-known wildlife photographer and conservationist, Belinda Wright, *On Safari: The Tiger And the Baobab Tree* presents a rich visual and textual account of two continents and the majesty of those that stock and rule its forests and jungles.

Tourism in India Prof K Vijaya Babu,Jayaprakashnarayana Gade,2014-03-12 The tourism industry of India is economically important and growing rapidly. The World Travel & Tourism Council calculated that tourism generated ₹ 6.4 trillion or 6.6% of the nation's GDP in 2012. It supported 39.5 million jobs, 7.7% of its total employment. The sector is predicted to grow at an average annual rate of 7.9% from 2013 to 2023. This gives India the third rank among countries with the fastest growing tourism industries over the next decade. India has a large medical tourism sector which is expected to grow at an estimated rate of 30% annually to reach about ₹ 95 billion by 2015. According to provisional statistics 6.29 million foreign tourists arrived in India in 2011, an increase of 8.9% from 5.78 million in 2010. This ranks India as the 38th country in the world in terms of foreign tourist arrivals. Domestic tourist visits to all states and Union Territories numbered 1,036.35 million in 2012, an increase of 16.5% from 2011. The most represented countries are the United States (16%) and the United Kingdom (12.6%). In 2011 Maharashtra, Tamil Nadu and Delhi were the most popular states for foreign tourists. Domestic tourists visited the states Uttar Pradesh, Andhra Pradesh and Tamil Nadu most frequently. Chennai, Delhi, Mumbai and Agra have been the four most visited cities of India by foreign tourists during the year 2011. Worldwide, Chennai ranked 41 by the number of foreign tourists, while Delhi is ranked at 50, Mumbai at 57 and Agra at 65 and Kolkata at 99. The Travel & Tourism Competitiveness Report 2013 ranks India 65th out of 144 countries overall. The report ranks the price competitiveness of India's tourism sector 20th out of 144 countries. It mentions that India has quite good air transport (ranked 39th), particularly given the country's stage of development, and reasonable ground transport infrastructure (ranked 42nd). Some other aspects of its tourism infrastructure remain somewhat underdeveloped however. The nation has very few hotel rooms per capita by international comparison and low ATM penetration. As per the UNWTO World Tourism Barometer, December 2013, India's rank in the World Tourism Receipts during 2012 was 16th and rank in international tourist arrivals was 41. The rank of India was 7th among Asia and the Pacific Region in terms of tourism

receipts during 2012. The Ministry of Tourism designs national policies for the development and promotion of tourism. In the process, the Ministry consults and collaborates with other stakeholders in the sector including various Central Ministries/ agencies, State Governments, Union Territories and the representatives of the private sector. Concerted efforts are being made to promote new forms of tourism such as rural, cruise, medical and eco-tourism. The Ministry also maintains the Incredible India campaign. India's rich history and its cultural and geographical diversity make its international tourism appeal large and diverse. It presents heritage and cultural tourism along with medical, business, educational and sports tourism. Therefore the practitioners, academicians and researchers need to meticulously review these aspects and acquaint them with knowledge to sustain in such scenarios. Thus, these evident scenarios emphasize the need of a broad-based research in the field of Tourism in India. This book is an attempt in that direction. I sincerely hope that this book will provide insights into the subject to faculty members, researchers and students from the Tourism institutes, consultants, practicing managers from industry and government officers.
