

A Little Solitaire

Albert H. Morehead

A Little Solitaire Murray Pomerance, R. Barton Palmer, 2011 Think about some commercially successful film masterpieces--The Manchurian Candidate. Seven Days in May. Seconds. Then consider some lesser known, yet equally compelling cinematic achievements--The Fixer. The Gypsy Moths. Path to War. These triumphs are the work of the best known and most highly regarded Hollywood director to emerge from live TV drama in the 1950s--five-time Emmy-award-winner John Frankenheimer. Although Frankenheimer was a pioneer in the genre of political thrillers who embraced the antimodernist critique of contemporary society, some of his later films did not receive the attention they deserved. Many claimed that at a midpoint in his career he had lost his touch. World-renowned film scholars put this myth to rest in A Little Solitaire, which offers the only multidisciplinary critical account of Frankenheimer's oeuvre. Especially emphasized is his deep and passionate engagement with national politics and the irrepressible need of human beings to assert their rights and individuality in the face of organizations that would reduce them to silence and anonymity.

Solitaire Alice Oseman, 2023-05-02 The amazing novel that introduced Nick and Charlie from HEARTSTOPPER -- and the unforgettable Tori Spring. Tori Spring isn't sure how to be happy again. Then she meets Michael Holden, and they try to unmask the mysterious Solitaire (and survive high school) in Alice Oseman's stunning, unflinching honest debut novel, which first introduced her fan-

favorite Heartstopper characters Nick and Charlie.

Nick and Charlie Alice Oseman, 2023-01-03 From the mega-bestselling creator of Heartstopper, a must-have novella in which Heartstopper's lead characters, Nick and Charlie, face one of their biggest challenges yet. Absence makes the heart grow fonder... right? Everyone knows that Nick and Charlie love their nearly inseparable life together. But soon Nick will be leaving for university, and Charlie, a year younger, will be left behind. Everyone's asking if they're staying together, which is a stupid question... or at least that's what Nick and Charlie assume at first. As the time to say goodbye gets inevitably closer, both Nick and Charlie start to question whether their love is strong enough to survive being apart. Charlie is sure he's holding Nick back... and Nick can't tell what Charlie's thinking. Things spiral from there. Everyone knows that first loves rarely last forever. What will it take for Nick and Charlie to defy the odds?

The Manchurian Candidate Richard

Condon, 2013-11-25 The classic thriller about a hostile foreign power infiltrating American politics: "Brilliant . . . wild and exhilarating." —The New Yorker A war hero and the recipient of the Congressional Medal of Honor, Sgt. Raymond Shaw is keeping a deadly secret—even from himself. During his time as a prisoner of war in North Korea, he was brainwashed by his Communist captors and transformed into a deadly weapon—a sleeper assassin, programmed to kill without question or mercy at his captors' signal. Now he's been returned to the United States with a covert

mission: to kill a candidate running for US president . . . This "shocking, tense" and sharply satirical novel has become a modern classic, and was the basis for two film adaptations (San Francisco Chronicle). "Crammed with suspense."
-Chicago Tribune "Condon is wickedly skillful."

Arctic Solitaire Paul Souders, 2018-09-01

Photographer Paul Souders considered himself a lucky guy. He traveled the world and got paid to take pictures. Yet at age fifty he seemed an unlikely explorer. Recently married, he was leading a generally contented life as an urban homebody, ending most days with a cold martini and a home-cooked meal. So how did he find himself alone aboard a tiny boat, enduring bad weather and worse cooking, while struggling to find his way across more than a thousand miles of Hudson Bay? It was all for a picture. He dreamed of photographing the Arctic's most iconic animal, the polar bear, in its natural habitat. It was a seemingly simple plan: Haul a 22-foot fishing boat northeast a few thousand miles, launch, and shoot the perfect polar bear photo. After an inauspicious start and endless days spent driving to the end of northern Canada's road system, he backed his C-Dory, C-Sick, into a small tributary of Hudson Bay. Battered by winds and plagued by questionable navigation, Paul slowly motored C-Sick north in the hopes of finding the melting summer ice that should be home to more than a thousand polar bears. He struggled along for weeks, grounding on rocks, hiding from storms, and stopping in isolated Inuit villages, until finally, he found the ice and the world was transformed. The ice had brought hundreds of walrus into the bay and dozens of polar bears arrived to hunt and feed. For a few magical days, he was surrounded by incredible wildlife photo ops. He was hooked. A hilarious and evocative

misadventure, Arctic Solitaire shares Paul Souders exploits across four summers, six hundred miles of a vast inland sea, and the unpredictable Arctic wilderness—and also offers an insightful look at what compels a person to embark on adventure. The accompanying images of the landscape, people, and wildlife of the remote Hudson Bay region are, in a word, stunning.

For Angel Rahimi life is about one thing: The Ark -- a boy band that's taking the world by storm. Being part of The Ark's fandom has given her everything she loves -- her friend Juliet, her dreams, her place in the world. Her Muslim family doesn't understand the band's allure -- but Angel feels there are things about her they'll never understand. Jimmy Kaga-Ricci owes everything to The Ark. He's their frontman -- and playing in a band with his mates is all he ever dreamed of doing, even it only amplifies his anxiety. The fans are very accepting that he's trans -- but they also keep shipping with him with his longtime friend and bandmate, Rowan. But Jimmy and Rowan are just friends -- and Rowan has a secret girlfriend the fans can never know about. Dreams don't always turn out the way you think and when Jimmy and Angel are unexpectedly thrust together, they find out how strange and surprising facing up to reality can be. A funny, wise, and heartbreakingly true coming of age novel. I Was Born for This is a stunning reflection of modern teenage life, and the power of believing in something -- especially yourself.

Solitaire Aimee Liu, 2016-05-03 Solitaire is the groundbreaking memoir of a young woman growing up in the 1970s and her triumph over anorexia nervosa.

Solitaire for Complete Beginners Robert Ticker, 2021-01-13 Solitaire or Klondike Solitaire, 1-Card Draw, has been played for the last couple

of centuries with playing cards (just for a little historical perspective). This particular game is so popular that it's often just called Solitaire. After the seven columns of the array are laid out, make all the moves or plays available among the columns and to the Ace piles (also called the foundations or Ace stacks). Then, holding the rest of the cards, called the hand (or stock), face down, make the first pass through them; take one from the top and turn it over for play. If it can't be put either on one of the Ace piles, or on one of the seven columns, put it face up on the waste pile (also called the talon). Continue to the next card in the hand, and play it if you can, or place it on the waste pile face up. Also make other moves as they become available among the seven columns. After going through the whole hand in this manner, turn the waste pile over; it then becomes the hand again. Continue this cycle of making passes through the hand, and playing cards to either the columns or the Ace piles, until no more moves can be made. The game is won if all the cards get moved up to their Ace piles. Get your copy today by scrolling up and clicking Buy Now to get your copy today

Keeper of the Earth Jenna Solitaire, Russell Davis, 2021-03-03 My name is Jenna Solitaire, and everything I thought I knew about myself, my family, and my future is wrong. My life is not my own. It never has been. I just didn't know it—until now... Having found the Board of Fire, Jenna and Simon hurry to decipher the clues that will lead them to the Board of Earth—and mastery over the very land itself. But on their way to

locate the tomb of a mythical English hero, while fending off shadowy new attackers who want the Boards for themselves, an offer of help comes from a surprising source. Can Jenna and Simon trust this offer-or are they walking straight into a trap set by the one who has coveted the Boards for millennia?

Desert Solitaire Edward Abbey,2011-08-21 This memoir of life in the American desert by the author of *The Monkey Wrench Gang* is a nature writing classic on par with Rachel Carson's *Silent Spring*. In *Desert Solitaire*, Edward Abbey recounts his many escapades, adventures, and epiphanies as an Arches National Park ranger outside Moab, Utah. Brimming with arresting insights, impassioned arguments for wilderness conservation, and a raconteur's wit, it is one of Abbey's most critically acclaimed works. Through stories and philosophical musings, Abbey reflects on the condition of our remaining wilderness, the future of a civilization, and his own internal struggle with morality. As the world continues its rapid development, Abbey's cry to maintain the natural beauty of the West remains just as relevant today as when this book first appeared in 1968.

The Dodo and the Solitaire Jolyon C. Parish,2013 The most comprehensive book to date about these two famously extinct birds.

Quiller Solitaire Adam Hall, 2004-07-11 Quiller's survival skills have never been so crucial as in this eerily prophetic mission torn from today's headlines. Standing over the smoldering corpse of the agent he had sworn to protect, Quiller vows to make things right. The killer's trail leads to a terrorist network targeting the next American flight out of Berlin. But what are their plans for this flight, and why are they trying so desperately to get their hands on a nuclear weapon...?
