A Long Way Gone Ishmael Beah, 2007-02-13 My new friends have begun to suspect I haven't told them the full story of my life. "Why did you leave Sierra Leone?" "Because there is a war." "You mean, you saw people running around with guns and shooting each other?" "Yes, all the time." "Cool." I smile a little. "You should tell us about it sometime." "Yes, sometime." This is how wars are fought now: by children, hopped-up on drugs and wielding AK-47s. Children have become soldiers of choice. In the more than fifty conflicts going on worldwide, it is estimated that there are some 300,000 child soldiers. Ishmael Beah used to be one of them. What is war like through the eyes of a child soldier? How does one become a killer? How does one stop? Child soldiers have been profiled by journalists, and novelists have struggled to imagine their lives. But until now, there has not been a first-person account from someone who came through this hell and survived. In *A Long Way Gone*, Beah, now twenty-five years old, tells a riveting story: how at the age of twelve, he fled attacking rebels and wandered a land rendered unrecognizable by violence. By thirteen, he'd been picked up by the government army, and Beah, at heart a gentle boy, found that he was capable of truly terrible acts. This is a rare and mesmerizing account, told with real literary force and heartbreaking honesty.

**Long Way Home** Bill Barich, 2018-07-24 "We do not take a trip; a trip takes us," John Steinbeck noted in his 1962 classic, *Travels with Charley*. In 2008, Bill Barich decided to explore the mood of the United States as Steinbeck had done almost a half century before. He set off on a 5,943 mile cross-country drive from New York to his old hometown of San Francisco on Route 50, a road twisting through the American heartland. *Long Way Home* is the stunning result of his pilgrimage. From the Eastern Shore of Maryland to the spectacular landscape of Moab, Utah, to Steinbeck's own Salinas Valley, the book is filled with memorable encounters and rich in history and local color; a truthful, inspired account of a once-in-a-lifetime trip. It offers an incisive portrait of a nation divided and the grassroots dissatisfaction that ultimately catapulted Donald Trump into the White House. From the Eastern Shore of Maryland to the spectacular landscape of Moab, Utah, to Steinbeck's own Salinas Valley, filled with memorable encounters and redolent with history and local color, *Long Way Home* is a truthful, inspiring account of the country at a social and political crossroad.

**A Long Long Way** Sebastian Barry, 2005-09-08 Praised as a "master storyteller" (*The Wall Street Journal*) and hailed for his "flawless use of language" (*Boston Herald*), Irish author and playwright Sebastian Barry has created a powerful new novel about divided loyalties and the realities of war. Sebastian Barry's latest novel, *Days Without End*, is now available. In 1914, Willie Dunne, barely eighteen years old, leaves behind Dublin, his family, and the girl he plans to marry in order to enlist in the Allied forces and face the Germans on the Western Front. Once there, he encounters a horror of violence and gore he could not have imagined and sustains his spirit with only the words on the pages from home and the camaraderie of the mud-covered Irish boys who fight and die by his side. Dimly aware of the political tensions that have grown in Ireland in his absence, Willie returns on leave to find a world split and ravaged by forces closer to home. Despite the comfort he finds with his family, he knows he must rejoin his regiment and fight until the end. With grace and power, Sebastian Barry vividly renders Willie's personal struggle as well as the overwhelming consequences of war.

**Lion: A Long Way Home** Saroo Brierley, 2017-01-12 \*\*\* NOW NOMINATED FOR SIX OSCARS, INCLUDING BEST PICTURE, SUPPORTING ACTOR AND SUPPORTING ACTRESS \*\*\* *Lion* is the heartbreaking and inspiring original true story of the lost little boy

who found his way home twenty-five years later and is now a major film starring Dev Patel, Nicole Kidman and Rooney Mara. As a five-year old in India, I got lost on a train. Twenty-five years later, I crossed the world to find my way back home. Five-year-old Saroo lived in a poor village in India, in a one-room hut with his mother and three siblings... until the day he boarded a train alone and got lost. For twenty-five years. This is the story of what happened to Saroo in those twenty-five years. How he ended up on the streets of Calcutta. And survived. How he then ended up in Tasmania, living the life of an upper-middle-class Aussie. And how, at thirty years old, with some dogged determination, a heap of good luck and the power of Google Earth, he found his way back home. *Lion* is a triumphant true story of survival against all odds and a shining example of the extraordinary feats we can achieve when hope endures. 'Amazing stuff' *The New York Post* 'So incredible that sometimes it reads like a work of fiction' *Winnipeg Free Press* (Canada) 'A remarkable story' *Sydney Morning Herald Review* 'I literally could not put this book down. Saroo's return journey will leave you weeping with joy and the strength of the human spirit' *Manly Daily* (Australia) 'We urge you to step behind the headlines and have a read of this absorbing account...With clear recollections and good old-fashioned storytelling, Saroo...recalls the fear of being lost and the anguish of separation' *Weekly Review* (Australia)

**Let's Take the Long Way Home** Gail Caldwell, 2011-08-09 NEW YORK TIMES BESTSELLER They met over their dogs. Gail Caldwell and Caroline Knapp (author of *Drinking: A Love Story*) became best friends, talking about everything from their love of books and their shared history of a struggle with alcohol to their relationships with men. Walking the woods of New England and rowing on the Charles River, these two private, self-reliant women created an attachment more profound than either of them could ever have foreseen. Then, several years into this remarkable connection, Knapp was diagnosed with cancer. With her signature exquisite prose, Caldwell mines the deepest levels of devotion, and courage in this gorgeous memoir about treasuring a best friend, and coming of age in midlife. *Let's Take the Long Way Home* is a celebration of the profound transformations that come from intimate connection—and it affirms, once again, why Gail Caldwell is recognized as one of our bravest and most honest literary voices.

Long Way Home Cameron Douglas, 2020-09-29 A "gripping memoir (*Rolling Stone*) of one man's descent into the depths of addiction and self-destruction—and his successful renewal of family ties that had become almost irreparably frayed. On the surface, Cameron Douglas had everything: descended from Hollywood royalty (son of Michael Douglas, grandson of Kirk Douglas), he was born into a life of wealth, privilege, and comfort. But by the age of thirty, he had become a drug addict, a thief, and—after a DEA drug bust—a convicted drug dealer sentenced to five years in prison, with another five years added while he was incarcerated. Through supreme willpower, a belief in himself, and a steely desire to alter his life's path, Douglas began to reverse his trajectory, to understand and deal with the psychological turmoil that tormented him for years, and to prepare for what would be a profoundly challenging but successful reentry into society at large.

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, *Long Way Down* is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

**A Long Way Home** William Beinart, 2014-07-01 In no other society in the world have urbanisation and industrialization been as comprehensively based on migrant labour as in South Africa. Rather than focusing on the well-documented narrative of displacement and oppression, *A Long Way Home* captures the humanity, agency and creative modes of self-expression of the millions of workers who helped to build and shape modern South Africa. The book spans a three-hundred-year history beginning with the exportation of slave labour from Mozambique in the eighteenth century and ending with the strikes and tensions on the platinum belt in recent years. It shows not only the age-old mobility of African migrants across the continent but also, with the growing demand for labour in the mining industry, the importation of Chinese indentured migrant workers. Contributions include 18 essays and over 90 artworks and photographs that traverse homesteads, chiefdoms and mining hostels, taking readers into the materiality of migrant life and its customs and traditions, including the rituals practiced by migrants in an effort to preserve connections to “home” and create a sense of “belonging”. The essays and visual materials provide multiple perspectives on the lived experience of migrant labourers and celebrate their extraordinary journeys. *A Long Way Home* was conceived during the planning of an art exhibition entitled ‘Ngezinyawo: Migrant Journeys’ at Wits Art Museum. The interdisciplinary nature of the contributions and the extraordinary collection of images selected to complement and expand on the text make this a unique collection.
