When the Moon Was Ours Anna-Marie McLemore,2016-10-04 Winner of the 2016 Tiptree Award! Longlisted for the 2016 National Book Award for Young People's Literature Stonewall Book Award Honor "McLemore's second novel is such a lush surprising fable, you half expect birds to fly out of the pages... McLemore uses the supernatural to remind us that the body's need to speak its truth is primal and profound, and that the connection between two people is no more anyone's business than why the dish ran away with the spoon." --Jeff Giles, New York Times Book Review Anna-Marie McLemore's debut novel *The Weight of Feathers* was greeted with rave reviews, a YALSA Morris Award nomination, and spots on multiple "Best YA Novels" lists. Now, McLemore delivers a second stunning and utterly romantic novel, again tinged with magic. To everyone who knows them, best friends Miel and Sam are as strange as they are inseparable. Roses grow out of Miel's wrist, and rumors say that she spilled out of a water tower when she was five. Sam is known for the moons he paints and hangs in the trees and for how little anyone knows about his life before he and his mother moved to town. But as odd as everyone considers Miel and Sam, even they stay away from the Bonner girls, four beautiful sisters rumored to be witches. Now they want the roses that grow from Miel's skin, convinced that their scent can make anyone fall in love. And they're willing to use every secret Miel has fought to protect to make sure she gives them up. Atmospheric, dynamic, and packed with gorgeous prose, *When the Moon was Ours* is another winner from this talented author.

The Virtue of Selfishness Ayn Rand,1964-11-01 A collection of essays that sets forth the moral principles of Objectivism, Ayn Rand's controversial, groundbreaking philosophy. Since their initial publication, Rand's fictional works—*Anthem*, *The Fountainhead*, and *Atlas Shrugged*—have had a major impact on the intellectual scene. The underlying theme of her famous novels is her philosophy, a new morality—the ethics of rational self-interest—that offers a robust challenge to altruist-collectivist thought. Known as Objectivism, her divisive philosophy holds human life—the life proper to a rational being—as the standard of moral values and regards altruism as incompatible with man's nature. In this series of essays, Rand asks why man needs morality in the first place, and arrives at an answer that redefines a new code of ethics based on the virtue of selfishness. Playbook: A Love Story Tracy Ewens, 2017-01-24 If only life came with a script. Anna Jeffries has spent the last thirty-two years blending in, content in her worn-out reading chair—her happy corner of the world—spinning romantic scenarios she's certain reality can't deliver. After three years of teaching Shakespeare at UC Berkeley, Anna is working toward full tenure. Her life in the classroom means everything and she can't imagine wanting more... until she does. Dane Sivac is in his second year as the wide receiver coach, and with new talent on the team this year, he's beginning to think his future may hold a permanent position with Cal—as permanent as any coach can hope for. When his star receiver begins struggling on and off the field, the sports psychologist asks Dane for help. For Dane, emotions are best ignored, but his player's seemingly uptight Shakespeare professor is driving Dane nuts... until she's not. Invested in the future of a student athlete they've both come to care about, Dane and Anna are forced to work together. The attraction is undeniable, but opposing teams rarely get along. Right as Dane makes the type of romantic gesture Anna has only known in fiction, her career is threatened and she is reminded, *playbook or not*, she was never good at games. Below are courtesy content warnings to the best recollection. They cover the major topics/themes, but may not be as nuanced as other trigger/content warning sites. employer bullying, death of a parent
