Hacker, Hoaxer, Whistleblower, Spy Gabriella Coleman,2015-10-06 The ultimate book on the worldwide movement of hackers, pranksters, and activists collectively known as Anonymous—by the writer the Huffington Post says “knows all of Anonymous’ deepest, darkest secrets” “A work of anthropology that sometimes echoes a John le Carré novel.” —Wired Half a dozen years ago, anthropologist Gabriella Coleman set out to study the rise of this global phenomenon just as some of its members were turning to political protest and dangerous disruption (before Anonymous shot to fame as a key player in the battles over WikiLeaks, the Arab Spring, and Occupy Wall Street). She ended up becoming so closely connected to Anonymous that the tricky story of her inside–outside status as Anon confidante, interpreter, and erstwhile mouthpiece forms one of the themes of this witty and entirely engrossing book. The narrative brims with details unearthed from within a notoriously mysterious subculture, whose semi-legendary tricksters—such as Topiary, tflow, Anachaos, and Sabu—emerge as complex, diverse, politically and culturally sophisticated people. Propelled by years of chats and encounters with a multitude of hackers, including imprisoned activist Jeremy Hammond and the double agent who helped put him away, Hector Monsegur, Hacker, Hoaxer, Whistleblower, Spy is filled with insights into

the meaning of digital activism and little understood facets of culture in the Internet age, including the history of “trolling,” the ethics and metaphysics of hacking, and the origins and manifold meanings of “the lulz.”

Writing Superheroes Anne Haas Dyson, Based on an ethnographic study in an urban classroom of 7- to 9-year olds, *Writing Superheroes* examines how young school children use popular culture, especially superhero stories, in the unofficial peer social world and in the official school literacy curriculum. In one sense, the book is about children writing superheroes-about children appropriating superhero stories in their fiction writing and dramatic play on the playground and in the classroom. These stories offer children identities as powerful people who do battle against evil and win. The stories, however, also reveal limiting ideological assumptions about relations between people-boys and girls, adults and children, people of varied heritages, physical demeanors, and social classes. The book, then, is also about children as writing superheroes. With the assistance of their teacher, the observed children became superheroes of another sort, able to take on powerful cultural storylines. In this book, Anne Dyson examines how the children's interest in and conflicts about commercial culture give rise to both literacy and social learning, including learning how to participate in a community of differences.

The Complete SNES Jeffrey Wittenhagen,

Level Up! Scott Rogers,2010-09-29 Design and build cutting-edge video games with help from video game expert Scott Rogers! If you want to design and build cutting-edge video games but aren't sure where to start, then this is the book for you. Written by leading video game expert Scott Rogers, who has designed the hits *Pac Man World*, *Maxim vs. Army of Zin*, and *SpongeBob Squarepants*, this book is full of Rogers's wit and imaginative style that demonstrates everything you need to know about designing great video games. Features an approachable writing style that considers game designers from all levels of expertise and experience Covers the entire video game creation process, including developing marketable ideas, understanding what gamers want, working with player actions, and more Offers techniques for creating non-human characters and using the camera as a character Shares helpful insight on the business of design and how to create design documents So, put your game face on and start creating memorable, creative, and unique video games with this book!

Game Informer Magazine ,2006

Grendel: Devil's Odyssey Matt Wagner,2022-01-11 Grendel Prime searches the stars for a new home for mankind, and Matt Wagner returns to his darkest creation! As civilization comes to an end on Earth, the final Grendel Khan gives Grendel Prime a new directive: Find a perfect planet to be the new home for the human race. But will the deadly and relentless paladin ultimately save humanity . . . or destroy it? Features a bonus cover gallery with all standard comic-series covers by Matt Wagner and an all-star run of variant covers by guest artists Fabio Moon, Gabriel Bá, Tyler Crook, Dan Schkade, Ben Stenbeck, and others! Collects *Grendel: Devil's Odyssey* comics #1-#8.

Rifts Conversion Book Kevin Siembieda,Kevin Long,1991-06-01

A surprise alliance results in a daring plan-- and the stakes have never been higher! Collects issues #41_44.

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Arlo Finch in the Valley of Fire John August, 2018-02-06 Arlo Finch in the Valley of Fire is the first book in a spellbinding fantasy adventure series by screenwriter John August. Some trails lead to magic. Some lead to danger. As Arlo looked around, the walls of his room began to vanish, revealing a moonlit forest. Only his bed remained, and the frame of his window, through which he saw the girl. The world on her side of the glass was sparkling with silver and gold, like a palace made of autumn leaves. She looked off to her right. Someone was coming. Her words came in an urgent whisper: If I can see you, they can see you . . . Be careful, Arlo Finch.” Arlo Finch thought becoming a Ranger meant learning wilderness skills, like camping and knots. But upon arriving in the tiny town of Pine Mountain, Colorado, Arlo soon learns there's so much more. His new friends Indra and Wu teach him how to harness the wild magic seeping in from the mysterious Long Woods—a parallel realm of wonder and danger. First he must master the basics, including snaplights, thunderclaps and identifying supernatural creatures. But Arlo Finch is no ordinary Ranger, and this is no ordinary time. A dark and ancient force is sending threats into the real world . . . our world. Through perilous adventures and close calls, Arlo is awakened to his unique destiny—but the obstacles he faces will test the foundations of the Ranger's Vow: loyalty, bravery, kindness, and truth. A Junior Library Guild selection

Black Lightning Tony Isabella, 2016-04-12 Black Lightning's first solo series and origin story! With the power to generate electricity from within, Jefferson Pierce has donned a colorful costume and the secret identity of Black Lightning! However, it will take all of his abilities to protect his Metropolis neighborhood of Suicide Slum from those who seek to destroy it. With guest appearances by Superman and some familiar villains, Black Lightning makes DC Comics history. Collecting for the first time BLACK LIGHTNING #1-11 and WORLD'S FINEST #260, featuring work by creators Tony Isabella and Trevor Von Eeden, along

with veteran inkers Frank Springer and Vince Colletta!

1001 Video Games You Must Play Before You Die Tony Mott,2011-12-05 In fewer than fifty years videogames have become one of the most popular forms of entertainment, but which are the best games, the ones you must play? This action packed book presents the best videogames from around the world - from 80's classic Donkey Kong to Doom, Frogger and Final Fantasy. Covering everything from old favourites to those breaking new ground, these are the games that should not be missed. Video game expert Tony Mott presents 1001 of the best video games from around the world and on all formats, from primitive pioneering consoles like Atari's VCS to modern-day home entertainment platforms such as Sony's PlayStation 3. 1001 VIDEO GAMES defines arcade experiences that first turned video gaming into a worldwide phenomenon such as Space Invaders, Asteroids, and Pac-Man - games that made the likes of Atari, Sinclair and Commodore household names. It also includes the games that have taken the console era by storm from Nintendo Wii to Sony Playstation and beyond - games of the modern era that have become cultural reference points in their own right including multi-million selling series such as Halo, Grand Theft Auto and Resident Evil. For aficionados this is a keepsake - charting the highlights of the past fifty years giving them key information for games they must play. For those just discovering the appeal of gaming this extensive volume will provide everything they need to ensure they don't miss out on the games that revolutionized this overwhelmingly popular medium.
