**Anime from Akira to Princess Mononoke** S. Napier, 2001-05-03 With the popularity of Pokemon still far from waning, Japanese animation, known as anime to its fans, has a firm hold on American pop culture. However, anime is much more than children's cartoons. It runs the gamut from historical epics to sci-fi sexual thrillers. Often dismissed as fanciful entertainment, anime is actually quite adept at portraying important social and cultural issues like alienation, gender inequality, and teenage angst. This book investigates the ways that anime presents these issues in an in-depth and sophisticated manner, uncovering the identity conflicts, fears over rapid technological advancement, and other key themes present in much of Japanese animation.

**African Samurai** Thomas Lockley, Geoffrey Girard, 2019-04-30 This biography of the first foreign-born samurai and his journey from Africa to Japan is "a readable, compassionate account of an extraordinary life" (The Washington Post). When Yasuke arrived in Japan in the late 1500s, he had already traveled much of the known world. Kidnapped as a child, he had ended up a servant and bodyguard to the head of the Jesuits in Asia, with whom he traversed India and China learning multiple languages as he went. His arrival in Kyoto, however, literally caused a riot. Most Japanese people had never seen an African man before, and many of them saw him as the embodiment of the black-skinned Buddha. Among those who were drawn to his presence was Lord Nobunaga, head of the most powerful clan in Japan, who made Yasuke a samurai in his court. Soon, he was learning the traditions of Japan's martial arts and ascending the upper echelons of Japanese society. In the four hundred years since, Yasuke has been known in Japan largely as a legendary, perhaps mythical figure. Now African Samurai presents the never-before-told biography of this unique figure of the sixteenth century, one whose travels between countries and cultures offers a new perspective on race in world history and a vivid portrait of life in medieval Japan. "Fast-paced, action-packed writing. . . . A new and important biography and an incredibly moving study of medieval Japan and solid perspective on its unification. Highly recommended." –Library Journal (starred review) "Eminently readable. . . . a worthwhile and entertaining work." –Publishers Weekly "A unique story of a unique man, and yet someone with whom we can all identify." –Jack Weatherford, New York Times–bestselling author of Genghis Khan

**LEGO Ninjago Character Encyclopedia New Edition** Simon Hugo, Claire Sipi, 2021-03-09 Meet more than 200 minifigures from the LEGO® NINJAGO® world! LEGO Ninjago Masters of Spinjitzu Character Encyclopedia Claire Sipi, 2015

**Basho** Bashō Matsuo, 2008 Matsuo Basho stands today as Japan's most renowned writer, and one of the most revered. Yet despite his stature, Basho's complete haiku have never been collected under one cover. Until now. To render the writer's full body of work in English, Jane Reichhold, an American

haiku poet and translator, dedicated over ten years to the present compilation. In *Barbo: The Complete Haiku* she accomplishes the feat with distinction. Dividing the poet's creative output into seven periods of development, Reichhold frames each period with a decisive biographical sketch of the poet's travels, creative influences, and personal triumphs and defeats. Supplementary material includes two hundred pages of scrupulously researched notes, which also contain a literal translation of the poem, the original Japanese, and a Romanized reading. A glossary, chronology, index of first lines, and explanation of Basho's haiku techniques provide additional background information. Finally in the spirit of Basho, elegant semi-e ink drawings by well-known Japanese artist Shiro Tsujimura front each chapter.

Marvel Weddings Stan Lee, Roy Thomas, 2005 Contains material originally published in magazine form as *Fantastic Four* #150 and annual #3; *Incredible Hulk* #59-60 and *Amazing Spider-Man* annual #21 and *X-Men* #30--P. 2 of cover.

Wu and Garmadon both want to become Spinjitzu Masters—but a strange puppet master may pull the strings that will pull them apart before their training can truly begin. Do they have what it takes to help each other and work as a team to become true legends of Spinjitzu? Find out in this all-new illustrated chapter book series featuring the LEGO NINJAGO's Spinjitzu Brothers!

**Outlaw Masters of Japanese Film** Chris D., 2005-05-27 *Outlaw Masters of Japanese Film* offers an extraordinary close-up of the hitherto overlooked golden age of Japanese cult, action and exploitation cinema from the early 1950s through to the late 1970s, and up to the present day. Having unique

access to the top maverick filmmakers and Japanese genre film icons, Chris D. brings together interviews with, and original writings on, the lives and films of such transgressive directors as Kinji Fukasaku (Battles Without Honour and Humanity), Seijun Suzuki (Branded to Kill) and Koji Wakamatsu (Ecstasy of the Angels) as well as performers like Shinichi 'Sonny' Chiba (The Streetfighter, Kill Bill Vol. 1) and glamorous actress Meiko Kaji (Lady Snowblood). Bringing the story up-to-date with an overview of such Japanese 'enfants terrible' as Takashi Miike (Audition) and Kiyoshi Kurasawa (Cure), this book also provides a compendium of facts and extras including filmographies, related bibliographies on genre fiction including Manga, and a section on female yakuza. Illustrated with fantastic stills and posters from some of Japan's finest cult and action films, this is a veritable bible for fans and newcomers alike.

**Twelve Years a Slave** Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

**Walkaway** Cory Doctorow, 2017-04-25 Kirkus' Best Fiction of 2017 From New York Times bestselling author Cory Doctorow, an epic tale of revolution, love, post-scarcity, and the end of death. Walkaway is now the best contemporary example I know of, its utopia glimpsed after fascinatingly-extrapolated revolutionary struggle. —William Gibson Hubert Vernon Rudolph Clayton Irving Wilson Alva Anton Jeff Harley Timothy Curtis Cleveland Cecil Ollie Edmund Eli Wiley Marvin Ellis Espinoza—known to his friends as Hubert, Etc—was too old to be at that Communist party. But after watching the breakdown of modern society, he really has no where left to be—except amongst the dregs of disaffected youth who party all night and heap scorn on the sheep they see on the morning commute. After falling in with Natalie, an ultra-rich heiress trying to escape the clutches of her repressive father, the two decide to give up fully on formal society—and walk away. After all, now that anyone can design and print the basic necessities of life—food, clothing, shelter—from a computer, there seems to be little reason to toil within the system. It's still a dangerous world out there, the empty lands wrecked by climate change, dead cities hollowed out by industrial flight,

shadows hiding predators animal and human alike. Still, when the initial pioneer walkaways flourish, more people join them. Then the walkaways discover the one thing the ultra-rich have never been able to buy: how to beat death. Now it's war – a war that will turn the world upside down. Fascinating, moving, and darkly humorous, Walkaway is a multi-generation SF thriller about the wrenching changes of the next hundred years...and the very human people who will live their consequences. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Metroethnicity, Naming and Mocknolect* John C. Maher, 2021-05-15 Language is a social space, an aesthetic, a form of play and communication, a geographical reference, a jouissance, a producer of numerous social and personal identities. This book takes up salient issues of sociolinguistics with a specific focus on Japan: language and gender (the married name controversy), language and the 'portable' identities being fashioned around traditional, essentialist notions of ethnicity (metroethnicity) endangerment, slang, taboo and discriminatory language in Japanese especially regarding minorities, place-names from indigenous languages, the fellowship and parody of children's songs, and the diversity of nicknames among children and young people. This books gives radical and new perspectives on the sociolinguistics of Japanese.

Black Dragon Zachary F Price, 2021-11-16 Deploys martial arts as a lens to analyze performance, power, and identity within the evolving fusion of Black and Asian American cultures in history and media.

*Roads of Oku* Dennis Kawaharada, 2015 Between 2004 and 2014, Karen and I made a dozen trips to Japan, to revisit places I went to on my first trip in 1970 and to go to places related to family and ancestral histories and myths.... Inspired by the travels of Basho and Sora, we logged over 20,000 miles across the four main islands ... up to Cape Soya, at the northern tip of Hokaido, and down to Cape Kasasa, at the southwestern corner of Kyushu-- Author's note.

*Bashō's Journey* Matsuo Bashō, 2010-03-29 Offers the most comprehensive collection of Basho's prose available, beautifully translated into English.

*Tuttle Concise Japanese Dictionary* Samuel E. Martin, 2013-02-05 Every serious student of Japanese needs a reliable and user-friendly dictionary in their collection. Tuttle Concise Japanese Dictionary, now with 30% more content, is a completely updated dictionary designed for students and business people who are living in Japan and using the Japanese language on a daily basis. Its greatest advantage is that it contains recent idiomatic expressions which have become popular in the past several years and which are not found in other competing dictionaries. The dictionary has been fully updated with the addition of recent vocabulary relating to computers, mobile phones, social media and the Internet. Other special features that set this dictionary apart include: Over 25,000 words and expressions including idioms and slang. User-friendly layout with main entries in color. Complete Japanese-English and English-Japanese sections. Romanized forms and the Japanese script are given for all Japanese words. A guide to pronunciation helps the user to pronounce Japanese words correctly. Different senses of each word are distinguished by multiple definitions.

**The Lost Journals of Sylvia Plath** Kimberly Knutsen, 2015-11-02 Finalist, 2015 Midwest Book Award Chicago Book Review Best Book of 2015 Set in the

frozen wasteland of Midwestern academia, *The Lost Journals of Sylvia Plath* introduces Wilson A. Lavender, father of three, instructor of women's studies, and self-proclaimed genius who is beginning to think he knows nothing about women. He spends much of his time in his office not working on his dissertation, a creative piece titled *The Lost Journals of Sylvia Plath*. A sober alcoholic, he also spends much of his time not drinking, until he hooks up with his office mate, Alice Cherry, an undercover stripper who introduces him to the buffer—the chemical solution to his woes. Wilson's wife, Katie, is an anxious hippie, genuine earth mother, and recent PhD with no plans other than to read *People* magazine, eat chocolate, and seduce her young neighbor—a community college student who has built a bar in his garage. Intelligent and funny, Katie is haunted by a violent childhood. Her husband's tortured genius both exhausts and amuses her. The Lavenders' stagnant world is roiled when Katie's pregnant sister, January, moves in. Obsessed with her lost love, '80s rocker Stevie Flame, January is on a quest to reconnect with her glittery, big-haired past. A free spirit to the point of using other people's toothbrushes without asking, she drives Wilson crazy. Exploring the landscape of family life, troubled relationships, dreams of the future, and nightmares of the past, Knutsen has conjured a literary gem filled with humor and sorrow, Aqua Net and Scooby-Doo, diapers and benzodiazepines—all the detritus and horror and beauty of modern life.

*Extreme Exoticism* W. Anthony Sheppard, 2019-09-20 To what extent can music be employed to shape one culture's understanding of another? In the American imagination, Japan has represented the most alien nation for over 150 years. This perceived difference has inspired fantasies--of both desire and repulsion--through which Japanese culture has profoundly impacted the arts and industry of the U.S. While the influence of Japan on American and European painting, architecture, design, theater, and literature has been celebrated in numerous books and exhibitions, the role of music has been virtually ignored until now. W. Anthony Sheppard's *Extreme Exoticism* offers a detailed documentation and wide-ranging investigation of music's role in shaping American perceptions of the Japanese, the influence of Japanese music on American composers, and the place of Japanese Americans in American musical life. Presenting numerous American encounters with and representations of Japanese music and Japan, this book reveals how music functions in exotic representation across a variety of genres and media, and how Japanese music has at various times served as a sign of modernist experimentation, a sounding board for defining American music, and a tool for reshaping conceptions of race and gender. From the Tin Pan Alley songs of the Russo-Japanese war period to Weezer's *Pinkerton* album, music has continued to inscribe Japan as the land of extreme exoticism.

**The Wright 3** Blue Balliett, 2012-12-01 From the New York Times-bestselling team behind *Chasing Vermeer* comes another thought-provoking art mystery featuring Frank Lloyd Wright's Robie house--now in *After Words* paperback! Spring semester at the Lab School in Hyde Park finds Petra and Calder drawn into another mystery when unexplainable accidents and ghostly happenings throw a spotlight on Frank Lloyd Wright's Robie House, and it's up to the two junior sleuths to piece together the clues. Stir in the return of Calder's friend Tommy (which creates a tense triangle), H.G. Wells's *The Invisible Man*, 3-D pentominoes, and the hunt for a coded message left behind by Wright, and the kids become tangled in a dangerous web in which life and art

intermingle with death, deception, and surprise.
