

A Past Life Past Lives Reading

Judith Marshall

Many Lives, Many Masters Brian L. Weiss,1988-07-15 As a traditional psychotherapist, Dr. Brian Weiss was astonished and skeptical when one of his patients began recalling past-life traumas that seemed to hold the key to her recurring nightmares and anxiety attacks. His skepticism was eroded, however, when she began to channel messages from the space between lives, which contained remarkable revelations about Dr. Weiss' family and his dead son. Using past-life therapy, he was able to cure the patient and embark on a new, more meaningful phase of his own career.

The Past Life Perspective Ann Barham,2016-06-07 Previously published as: Nine lives (and counting).

Children's Past Lives Carol Bowman,2012-02-01 Has your child lived before? In this fascinating, controversial, and groundbreaking book, Carol Bowman reveals overwhelming evidence of past life memories in children. Not only are such experiences real, they are far more common than most people realize. Bowman's extraordinary investigation was sparked when her young son, Chase, described his own past-life death on a Civil War battlefield--an account so accurate it was authenticated by an expert historian. Even more astonishing, Chase's chronic eczema and phobia of loud noises completely disappeared after he had the memory. Inspired by Chase's dramatic healing, Bowman compiled dozens of cases and wrote this comprehensive study to explain how very young children remember their past lives, spontaneously and naturally. In *Children's Past Lives*, she tells how to distinguish between a true past life memory and a fantasy, offers practical advice to parents on how to respond to a past life memory, and shows how to foster the spiritual and healing benefits of these experiences. Perhaps the most moving, convincing, and best-documented evidence yet for life after death, *Children's Past Lives* will stand alongside the classics of Betty J. Eadie, Raymond Moody, and Brian Weiss in its power to comfort, uplift, and transform our thinking about life after death

Discovering Your Past Lives Gloria Chadwick,1988-09-22 Describes how to recognize past-life memories as they arise from the subconscious mind. --Fate magazine.

Flipside Richard Martini,2012-01-11 What happens after we die? _x000D_ _x000D_ Author and award winning filmmaker Richard Martini explores startling new evidence for life after death, via the life between lives, where we reportedly return to find our loved ones, soul mates and spiritual teachers. Based on the evidence of thousands of people who claim that under deep hypnosis, they saw and experienced the same basic things about the Afterlife, the book documents interviews with hypnotherapists around the world trained in the method pioneered by Dr. Michael Newton, as well as examining actual between life sessions. The author agrees to go on the same journey himself, with startling and candid results, learning we are fully conscious between our various incarnations, and return to connect with loved ones and spiritual soul mates, and together choose how and when and with whom we'll reincarnate. Martini examines how Karmic law is trumped by Free will, with souls choosing difficult lives in order to learn from their spiritually; no matter how difficult, strange or complex a life choice appears to be, it was made in advance, consciously, with the help of loved ones, soul mates and wise elders. Extensively researched, breathtaking in scope, *Flipside* takes the reader into new territory, boldly going where no author has gone before to tie up the various disciplines of past life regression. near death experiences, and between life exploration. In the words of author Gary Schwartz, Phd, once you've read *Flipside* you'll never see the world in the same way again. _x000D_ _x000D_ Praise for *Flipside*: _x000D_ _x000D_ Richard has written a terrific book. Insightful, funny, provocative and deep; I highly recommend it! - Robert Thurman, author of *Why the Dalai Lama Matters* _x000D_ _x000D_ "Inspiring, well written and entertaining. The kind of book where once you have read it, you will no longer be able to see the world in the same way again." - Gary E. Schwartz, author of *The Sacred Promise* _x000D_ _x000D_ Everyone should have a Richard Martini in their life. - Charles Grodin, author of *If I Only Knew Then... What I Learned From Mistakes*

Now Lee brings a new concept to finding answers to our soul's path in her newest book, *Discovering Your Soul's Path, 8 Cases of Past Life Regressions Plus Astrological Charts and Psychic Readings*. Lee finds that past life regression sessions discover past life traumas that are holding us back in our present path. By reviewing the scenes and emotional issues of past lives, we are able to release and let go of these traumas to better achieve what we can to learn and grow from in our current life. Lee Mitchell takes her experience of interpreting the client's natal Astrology Chart to help confirm even more the path the client is on. Through the interpretation of Moon's Nodes, the placement of Saturn and where the ruler of Saturn, Capricorn is found in the client's chart along with the location of Chiron, an asteroid, in the chart, as well as the overall location of Sun, Moon, and Rising sign in the chart, Lee can confirm the Soul's Path of the client. Then lastly, Lee conducts a psychic reading using Tarot cards and with the help of her Spirit Guides, indicates the future events for the client which only confirms what the regressions and astrological information has already revealed! 8 cases of individual clients of Lee's with different paths, including herself as one of the cases, lets us discover how the soul's path for all of us is a continuation of many lives and goals that we have worked on for many, many consecutive lives. We are always growing as souls. As we become more experienced and evolved, we take on more complex relationships and circumstances. Know that if you have a very complicated life, you are an advanced soul. We are all here in this particular time in Earth's history to be a part of a big leap in Earth's advancement. We knew that as souls and wanted to be part of it. That includes many cycles of natural disasters coming from the huge expansion of Earth itself. It also includes a difficult and tense time for the entire planet concerning political and economical changes as we have never experienced before. The souls involved in these eight cases knew this before they reincarnated and willingly came into their present life with the strength and fortitude to be a part of this exciting time to live on Earth!
