**Horse Games and Puzzles for Kids** Cindy A. Littlefield,2004-01-01 You can count on horse-crazy kids to be doing something horse-related, thinking about something horse-related, or planning something horse-related 24 hours a day, seven days a week. That's why Cindy A. Littlefield created the Kids' Book of Horse Games & Puzzles. If kids are going to spend their time horsing around, they might as well jump-start their creativity and boost their problem-solving skills at the same time. The book is divided into five sections: Word Play, Picture Puzzles, Drawing, Fun and Games, and Brain Teasers. (All the answers are included.) Take the Horse and Pony Stall of Fame challenge by matching up famous equines with their human or television character companions. Snuffle through the Hungry as a Horse quiz and see if you can find the names of 14 things horses like to eat hidden in a block of letters. Then break out your best drawing pencils and learn how to draw a horse's portrait in six easy steps. Fun, horsey cartoons and illustrations adorn every page. And scattered throughout the book are horse riddles, bits of horse trivia, and quotes about horses. Here, at last, is the perfect book for kids who love puzzles almost as much as they love horses.
