With a Little Help Cory Doctorow,2015-07-16 With a Little Help is my first serious experiment in self-publishing. I've published many novels, short story collections, books of essays and so on with publishers, and it's all been very good and satisfying and educational and so on, but it seems like it's time to try something new. With a Little Help consists of 12 stories, all reprints except for Epoch (commissioned by Mark Shuttleworth).

Jolly Lad John Doran,2020-06-23 A memoir about the recovery from alcoholism, habitual drug use and mental illness, from broadcaster, and co-founder and editor of The Quietus website, John Doran. Jolly Lad is a memoir about the recovery from alcoholism, habitual drug use and mental illness. It is also about the healing power of music, how memory defines us, the redemption offered by fatherhood and what it means to be working class. “This is not a 'my drink and drug hell' kind of book for several reasons—the main one being that I had, for the most part, had a really good time drinking. True, a handful of pretty appalling things have happened to me and some people that I know or used to know over the years. But I have, for the most part, left them out of this book as they are not illuminating, not edifying and in some cases concern other people who aren't here to consent to their appearance. Instead this book concentrates on what you face after the drink and the drugs have gone.” Jolly Lad is about gentrification; being diagnosed bipolar; attending Alcoholics Anonymous; living in a block of flats on a housing estate in London; the psychological damage done by psychedelic drugs; depression; DJing; factory work; friendship; growing old; hallucinations; street violence and obsessive behaviour—especially regarding music and art.

Game Feel Steve Swink,2008-10-13 Game Feel exposes feel as a hidden language in game design that no one has fully articulated yet. The language could be compared to the building blocks of music (time signatures, chord progressions, verse) - no matter the instruments, style or time period - these building blocks come into play. Feel and sensation are similar building blocks whe
