Refugee Alan Gratz, 2017-07-25 The award-winning, #1 New York Times bestselling novel from Alan Gratz tells the timely--and timeless--story of three different kids seeking refuge. A New York Times bestseller! JOSEF is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world... ISABEL is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in America... MAHMOUD is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin a long trek toward Europe... All three kids go on harrowing journeys in search of refuge. All will face unimaginable dangers -- from drownings to bombings to betrayals. But there is always the hope of tomorrow. And although Josef, Isabel, and Mahmoud are separated by continents and decades, shocking connections will tie their stories together in the end. As powerful and poignant as it is action-packed and page-turning, this highly acclaimed novel has been on the New York Times bestseller list for more than four years and continues to change readers' lives with its meaningful takes on survival, courage, and the quest for home.

The Mathews Men William Geroux, 2022-11-01 “Vividly drawn and emotionally gripping. —Daniel James Brown, #1 New York Times bestselling author of *The Boys in the Boat* From the author of *The Ghost Ships of Archangel*, one of the last unheralded heroic stories of World War II: the U-boat assault off the American coast against the men of the U.S. Merchant Marine who were supplying the European war, and one community’s monumental contribution to that effort Mathews County, Virginia, is a remote outpost on the Chesapeake Bay with little to offer except unspoiled scenery—but it sent an unusually large concentration of sea captains to fight in World War II. *The Mathews Men* tells that heroic story through the experiences of one extraordinary family whose seven sons (and their neighbors), U.S. merchant mariners all, suddenly found themselves squarely in the cross-hairs of the U-boats bearing down on the coastal United States in 1942. From the late 1930s to 1945, virtually all the fuel, food and munitions that sustained the Allies in Europe traveled not via the Navy but in merchant ships. After Pearl Harbor, those unprotected ships instantly became the U-boats’ prime targets. And they were easy targets—the Navy lacked the inclination or resources to defend them until the beginning of 1943. Hitler was determined that his U-boats should sink every American ship they could find, sometimes within sight of tourist beaches, and to kill as many mariners as possible, in order to frighten their shipmates into staying ashore. As the war progressed, men from Mathews sailed the North and South Atlantic, the Caribbean, the Gulf of Mexico, the Mediterranean, the Indian Ocean, and even the icy Barents Sea in the Arctic Circle, where they braved the dreaded Murmansk Run.

Through their experiences we have eyewitnesses to every danger zone, in every kind of ship. Some died horrific deaths. Others fought to survive torpedo explosions, flaming oil slicks, storms, shark attacks, mine blasts, and harrowing lifeboat odysseys—only to ship out again on the next boat as soon as they'd returned to safety. The *Mathews Men* shows us the war far beyond traditional battlefields—often the U.S. merchant mariners' life-and-death struggles took place just off the U.S. coast—but also takes us to the landing beaches at D-Day and to the Pacific. "When final victory is ours," General Dwight D. Eisenhower had predicted, "there is no organization that will share its credit more deservedly than the Merchant Marine." Here, finally, is the heroic story of those merchant seamen, recast as the human story of the men from *Mathews*.

Rodriguez, 2009-08-29 Haunted by the love he threw away and his former lover's mysterious murder, the nameless narrator of this novel leaves his job and sets off in search of direction.
