I Love Jesus, But I Want to Die Sarah J. Robinson,2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are

worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Dragonworld Byron Preiss, 2009-02-02 “Dragonworld goes far beyond the flashy pyrotechnics of contemporary fantasy and fantasy illustration. Joe Zucker is a superlative and original illustrator, and he reveals a rare and astonishing gift for infusing a richness of character into his pictures, which do justice to Byron Preiss's and Michael Reaves's compelling story.” —Maurice Sendak “Until now, there have been only two real grandmasters of modern epic fantasy—J.R.R. Tolkien and Ann McCaffrey. With the team of Preiss and Reaves, there are three, and may they write and write and write.” —United Press International Somewhere beyond the northern mists lies a land where dreams live and dragons are real. This is the tale of the twilight of the dragons, of two nations plunged into war by a tragic misunderstanding, of a shy dreamer's incredible voyage of peace to a long-forgotten land where nightmares are born. A magnificent creation, a sweeping epic of high fantasy set in a richly imagined world, vividly brought to life with over eighty pages of stunning illustrations by Joseph Zucker.

Born to Run Christopher McDougall, 2010-12-09 A New York Times bestseller 'A sensation ... a rollicking tale well told' - The Times At the heart of *Born to Run* lies a mysterious tribe of Mexican Indians, the Tarahumara, who live quietly in canyons and are reputed to be the best distance runners in the world; in 1993, one of them, aged 57, came first in a prestigious 100-mile race wearing a toga and sandals. A small group of the world's top ultra-runners (and the awe-inspiring author) make the treacherous journey into the canyons to

try to learn the tribe's secrets and then take them on over a course 50 miles long. With incredible energy and smart observation, McDougall tells this story while asking what the secrets are to being an incredible runner. Travelling to labs at Harvard, Nike, and elsewhere, he comes across an incredible cast of characters, including the woman who recently broke the world record for 100 miles and for her encore ran a 2:50 marathon in a bikini, pausing to down a beer at the 20 mile mark.

Man, Play, and Games Roger Caillois,2001 According to Roger Caillois, play is an occasion of pure waste. In spite of this - or because of it - play constitutes an essential element of human social and spiritual development. In this study, the author defines play as a free and voluntary activity that occurs in a pure space, isolated and protected from the rest of life.

So when Sora and Daemon encounter a strange camp of mysterious soldiers while on a standard scouting mission, they decide the only

thing to do to help their kingdom is to infiltrate the group. Taking this risk will change Sora's life forever—and lead her on a mission of deception that may fool everyone she's ever loved. Of course, that means I go from the frying pan into the fire, and my situation gets even more dangerous. Just when I have no hope left, a new hero shows up. Sure, he's blue, horned, and has a tail. THE HIGH AUCTION Misba, 2021-09-26 In the near future, a machinist, a monk, and a mesmerizer are looking for the Source of the universe, but among the ancient scriptures, they only find the devil ... Few humans in the future find the secrets of what words and sounds can do, for the Apocalypse and war have led them to evolve in mind and physique. Two of them end World War III with just a four-minute speech. Some say they did mass hypnosis. Others say it was their voice and will. Fifty years later in South Asia, KUSHA, a twenty-three-year-old machine-geek with social awkwardness and

amnesia, tries to get the Devil's Book with secrets of voice. But her idol of voice and everyone's beloved war heroes, YUAN and RUEM, are also after it for power. In a society that worships the evolved High Grades with voice, how you speak and which words you talk with is important. As someone who finds all solutions in books, Kusha thinks the secrets in the three-foot-long ancient book will teach her to speak mesmerizingly. She believes it will help her evolve. So, she decides to attend the auction where the book will be sold. But there's a problem; powerful High Grades want the book too. They want to code fate, rewriting the material world. They are undead, immortal mesmerizers. And being a philosopher, Kusha admires their ethics while she must fight them—the fight that starts with the book. The fight creates a chain reaction leading her to an epic journey. About the Series: **THE HIGH AUCTION: WISDOM REVOLUTION** is a book of genre-bending Adult Sci-fi-Fantasy series *The Machinist*, *The Monk*, and *The Mesmerizer Chronicles*. Here, you'll find Metaphysical magic built around philosophy and spirituality. You'll find ancient mysteries, archaeological adventures, and, most importantly, you will meet some characters. Its inspiration was from myths/truth (read the word you prefer) of all religions where humans evolved to Sufis, Rishis, Sannashis, Monks, and sometimes, Gods. Example: Shiva Purana in Hindu epics where Sati evolved to Goddess Parvati and splits into Kali to destroy the evil is a prominent example. You'll find diverse cultures, sexuality, and faith in this series. Enjoy. What the Critiques and Reviewers are saying about it: **GEM PROSE ... YOU WILL FINISH THIS BOOK ONCE YOU START ... EXCEPTIONALLY THOUGHT-PROVOKING ... RELATABLE ... YOU KEEP NODDING AT EVERYTHING ...**

The Disappearing Spoon Sam Kean,2010-07-12 From New York Times bestselling author Sam Kean comes incredible stories of science, history, finance, mythology, the arts, medicine, and more, as told by the Periodic Table. Why did Gandhi hate iodine (I, 53)? How did radium (Ra, 88) nearly ruin Marie Curie's reputation? And why is gallium (Ga, 31) the go-to element for laboratory pranksters?* The Periodic Table is a crowning scientific achievement, but it's also a treasure trove of adventure, betrayal, and obsession. These fascinating tales follow every element on the table as they play out their parts in human history, and in the lives of the (frequently) mad scientists who discovered them. **THE DISAPPEARING SPOON** masterfully fuses science with the classic lore of invention, investigation, and discovery--from the Big Bang through the end of time. *Though solid at room temperature, gallium is a moldable metal that melts at 84 degrees Fahrenheit. A classic science prank is to mold gallium spoons, serve them with tea, and watch guests recoil as their utensils disappear.

Guided by the whispers of her ancestors and an ancient grimoire, Ursule is destined to walk the same path as the great witches of old. But danger hovers over her.
