Rules (Scholastic Gold) Cynthia Lord, 2013-09-24 This Newbery Honor Book is a heartfelt and witty story about feeling different and finding acceptance--beyond the rules. Rules joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Twelve-year-old Catherine just wants a normal life. Which is near impossible when you have a brother with autism and a family that revolves around his disability. She's spent years trying to teach David the rules from a peach is not a funny-looking apple to keep your pants on in public -- in order to head off David's embarrassing behaviors. But the summer Catherine meets Jason, a surprising, new sort-of friend, and Kristi, the next-door friend she's always wished for, it's her own shocking behavior that turns everything upside down and forces her to ask: What is normal?

Mother of Sorrows Richard McCann, 2011-04-13 With the breadth and cumulative force of a novel, Mother of Sorrows presents ten interwoven stories of an American family starting out in the post-World War II suburbs of Washington, D.C., a world of identical brick houses and sunstruck, treeless lawns, a world of initial hopefulness from which shame and loss have seemingly been banished. This is the story of two adolescent brothers whose father has suddenly died, and of their beautiful and complicated mother, a mother whom the younger son worshipfully imagines as "Our Mother of the Sighs and Heartaches . . . Our Mother of the Gorgeous Gypsy Earrings . . . Our Mother of the Late Movies and the Cigarettes . . . Our Mother of Sudden Attentiveness . . . Our Mother of Sudden Anger." This is the brother who narrates these tales as he looks back thirty years later, the only remaining survivor of a world he seeks both to leave behind and to preserve in words forever, a world of sorrow that has held him spellbound even as he has attempted to create a life of his own. Suffused with the beauty of Richard McCann's extraordinary language, Mother of Sorrows introduces us to a voice that is urgent, contemplative, elegant, angry, revelatory, and like no other in contemporary fiction.

Good Teams Win, Great Teams Cover Pat Hagerty, 2016-04-04 I will teach you how to win more bets, but first a story... I was hungover. I had spent the previous night in an Italian bar trying to convince naïve girls that I was Jason Sehorn of the New York Giants. This was my move. It wasn't particularly effective, but it was the best I had... The next morning I found myself on a train going from Bologna to Rome. I was young, and this would be my first visit to the ancient city. As luck would have it, I was seated next to Evelyn O'Reilly. Evelyn was a stunning foreign exchange student from Dublin, and we hit it off. We hit it off so well that when she got to her stop in Florence she invited me to join her for the weekend. In a moment of sheer madness, I politely declined. I

had the next few hours to contemplate what had just happened, and I became paralyzed by my own stupidity. What the hell was wrong with me? I had an amazing opportunity, but I was too damn dumb to realize it. This exquisite creature exited my life forever, only to revisit every now and again as a memory... This same scenario plays out EVERY SINGLE WEEKEND of the football season. Beautiful opportunities are out there, but most bettors can't see them. They aren't trained on what to look for, and when they finally do discover a gem, they are too scared to act. Taking advantage of situational opportunities is what separates the sharps from the stiffes. Good Teams Win, Great Teams Cover is a collection of betting advice that WILL make you a sharper sports bettor. My strategy of situational betting in college and pro football is a time-tested method for beating the sportsbook. I highlight over twenty situational opportunities where the bettor will gain an advantage over the house. Included are detailed examples from past football seasons which will allow the reader to gain a firm understanding of the concepts that can make your betting very profitable. I also mix in candid and embarrassing personal stories that makes this a highly entertaining read while providing valuable insight that will educate all levels of degenerate gamblers. If you are sick of praying for backdoor covers, if countless bad beats have made your betting life miserable, if you are reloading your gambling account way too often - then this book is for you. About the Author: Pat Hagerty is the luckiest SOB out there. He gambles the way he lives life, and he tries to get a little better every day. This has led to abundant success in his personal, professional and his gambling life. Besides being a degenerate gambler, Pat is the host of Club Shaw's Draft Party. He has written three other books on a subject you don't care about. He shot 67 at Red's, and leads his beer hockey league in penalty minutes. You can check out his weekly picks at fishyfive.com.
