The Sexual Question August Forel,2017-11-25 Excerpt from *The Sexual Question: A Scientific, Psychological, Hygienic and Sociological Study for the Cultured Classes* To ensure happiness, humanity should desire to reproduce itself in a manner which elevates progressively all the physical and mental faculties of man, with regard to health and bodily strength, as much as to sentiment, intelligence, will, creative imagination, love of work, joy of living, and the sentiment of social
