Chess For Beginners Robert Queen,2020-12-13 ▲DO YOU KNOW WHAT HAPPENS TO THE BRAIN WHEN YOU PLAY CHESS?▲ There are several studies by researchers that demonstrate the benefits of chess for memory and the development of logical and creative thinking. They show even an hour spent playing chess produces innovative, creative and stimulating thoughts...it can make you brighter, more active and open to new ideas and ways of thinking..... to enjoy life more. The game of chess is the ideal gym for your mind. Moving the pieces on the chessboard is much more than a mental training. You don't need to be a master to have fun. Chess, moreover, is good for the brain, tempers the character and can teach you many things, for example: discipline, patience and confidence in your own abilities in addition, chess can help us to be more concentrated and finally to think strategically (not only on a chessboard). The brain (if not stimulated) atrophy in a daily routine just like untrained muscles. For these reasons, in 2012 the European Parliament presented an official document in which it invites the schools of the U.E. to teach every students the game of chess. I have been teaching this discipline for several years, I have met many people who were fascinated but at the same time scared by the supposed complexity of the game. By inviting them to sit down and explaining the foundations of this discipline, I have always managed in a short time to transform that fearful look into an excited and impatient look for a new game. That's because I passed on my passion ♥ to him! and that is what I will do with you in this text. This simple guide for beginners will take you by the hand and will accompany you in your initial games, inside you will find: ▲The Basics of Chess ▲The best opening strategies ▲The easiest openings for beginners ▲The best tactics to apply from the very beginning! ▲Getting to the center will be your first goal! ▲Mistakes to avoid that will make you look like a winner already! ▲Learn to THINK from master! ▲bonus chapter! 8 valuable tips to pass the beginner level! Now I want to be honest with you, this book is for beginners, so don't expect to advance your level just by reading this text. The only thing that will make a difference will be YOU, the TIME and DEDICATION that you are putting in this wonderful strategy game, will be ESSENTIAL to make you IMPROVE. One thing is certain here you will find all the means to get started! Amaze your family and friends with the techniques and knowledge gained from this book and start enjoying your victories too! Don't wait any longer!
