Super Casino Pete Earley,2009-11-04 In this lively and probing book, award-winning author Pete Earley traces the extraordinary evolution of Las Vegas -- from the gaudy Mecca of the Rat Pack era to one of the country's top family vacation spots. He revisits the city's checkered history of moguls, mobsters, and entertainers, reveals the real stories of well-known power brokers like Steve Wynn and legends like Howard Hughes and Bugsy Siegel, and offers a fascinating portrait of the life, death, and fantastic rebirth of the Las Vegas Strip. Earley also documents the gripping tale of the entrepreneurs behind the rise and fall and rise again of one of the largest gaming corporations in the nation, Circus Circus -- to which he was given unique access. In his trademark you-are-there style, he takes us behind the scenes to meet the blackjack dealers and hookers, the heavy hitters and bit players, the security officers, cabbies, and showgirls who are caught up in the mercurial pace that pulses at the heart of this astounding city.

Nevada Adventure Guide Matt Purdue,2009-10-09 We travel to grow - our Adventure Guides show you how. Experience the places you visit more directly, freshly, intensely than you would otherwise - sometimes best done on foot, in a canoe, or through cultural adventures like art courses, cooking classes, learning the language, meeting the people, joining in the festivals and celebrations. This can make your trip life-changing, unforgettable. All of the detailed information you need is here about the hotels, restaurants, shopping, sightseeing. But we also lead you to new discoveries, turning corners you haven't turned before, helping you to interact with the world in new ways. That's what makes our Adventure Guides unique. This signature Hunter series targets travelers eager to really explore the destination, not just visit it. Extensively researched and offering the very latest information, Adventure Guides are written by knowledgeable, experienced authors. The focus is on outdoor activities -- hiking, biking, rock climbing, horseback riding, downhill skiing, parasailing, backpacking, waterskiing, scuba diving -- and these user-friendly books provide all the details you need, including prices. The best local outfitters are listed, along with contact numbers, addresses and recommendations. A comprehensive introductory section provides background on history, geography, climate, culture, when to go, transportation and planning. The books then take a region-by-region approach, plunging into the very heart of each area and what adventures it offers, as well as a full range of accommodations, historical sites, walking tours, museums, shopping, restaurants for every budget, and festivals. Adventures throughout the state, from Great Basin National Park to Winnemucca, Ruby Mountain Wilderness to Angel Lake, from Cathedral Gorge State Park to the Las Vegas strip. Urban and rural destinations offer a good mix of activities. There's something for everyone, so take your pick! Useful tips on travel in the wilderness included. The print edition of this book is 210 pages. It's a guide to every corner of Nevada - what to see and do, where to stay, the best places to eat, the

ghost towns, the mountains, the lakes the towns and the cities - with an accent on enjoying the great outdoors. The author details the best places for hiking, mountain biking, jeeping, boating and fishing, with info on all the outfitters and guides. There are 22 state parks in the state, plus 14 national recreation areas, 14 wildlife refuges and a sliver of the newest national park, Death Valley. He covers them all - what to see and do, how to get there, how to get around. Lake Tahoe and Lake Mead are covered as well. While everybody else heads for the Strip, with its faux Sphinx, plastic volcano and campy lounge acts, you can head out to the Great Basin, with this book on your laptop, where you will have the whole wild and naturally amazing state almost to yourself. -- Amazon reviewer

Adventures of a Cold War Fast-Jet Navigator David Herriot, 2017-10-30 An RAF navigator's lively, candid memoir of flying low and living fast during the Cold War years. David Herriot served almost forty years in the Royal Air Force as a navigator, first on the Buccaneer S2 and subsequently on the Tornado GR1. This volume recounts his early career operating the Buccaneer on three operational flying tours, plus a tour as an instructor on the Operational Conversion Unit. With almost 2500 hours on an aircraft that was operated at high speed, in all weathers and at ultra-low level, his task in the rear seat was a demanding one. But Herriot was more than just the guy in the back of a Buccaneer; he was, quite routinely, and often to the exasperation of his seniors, the life and soul of any party that was taking place either at home base or when overseas defending the flanks of NATO. This is an epic adventure for the aviation enthusiast, particularly those with affection for the Blackburn Buccaneer, and it provides a great deal more than the usual introduction to a specific aircraft type and the people who flew it. Here you'll find an absolute insight into life on a fast-jet squadron, at work and mischievous play during the Cold War—and you'll also be introduced to some of the modern RAF's greatest characters.

Gambling on a Dream Lynn M. Zook, 2018 Everyone thinks they know the history of the Las Vegas Strip. But the real story is both fascinating and not well known. What was there before the Bellagio, the Wynn, the Venetian, or those empty plots of land that look out of place? Why is the Flamingo one of the oldest and most surviving hotels on the boulevard? From conception to implosion, you get the detailed histories of the hotels built during those formative years, including the El Rancho Vegas, Hotel Last Frontier, Flamingo, Thunderbird, Wilbur Clark's Desert Inn, Sahara, Sands, Royal Nevada, Riviera, and the Dunes. Included in these histories are architectural designs, the neon signage, and how each of the hotels evolved. This book also includes rarely seen, historic imagery. The dreamers, who saw the future like few others and who built these hotels, helped turn a five-mile stretch of blacktop highway into the Entertainment Capital of the World. This is the story of the first twenty-five years of the Classic Las Vegas Strip--how it began, and how it grew.
