

A White House Tour

Valerie Biden Owens

Our White House N.C.B.L.A., Various, 2010-09-14 More than one hundred leading authors and illustrators donate their talents in a creative tour de force that is making history. Conceived and co-created by the National Children's Book and Literary Alliance, this outstanding collection of essays, personal accounts, historical fiction, and poetry melds with an equally stunning array of original art to offer a look at America's history through the prism of the White House. Starting with a 1792 call for designers and continuing through the present day, these highly engaging writings and illustrations, expressing varied viewpoints and interwoven with key historical events, are a vital resource for family and classroom sharing – and a stirring reminder that the story of the White House is the story of every American. Back matter includes source notes, notes on contributor, and an index.

The White House, the Capitol, and the Supreme Court Thomas J. Carrier, 2000 In Washington, D.C., a city steeped in history--from museums and monuments to statues and stations--there are perhaps no structures as prominent as the working symbols of the United States' three-branch government: the White House, the Capitol, and the Supreme Court. Embodying our nation's complex and, at times, tumultuous history, these buildings also house invaluable pieces of our American past. A visit to these national treasures provides a lesson in both the people and events that have shaped this country. Representing the heart, soul, and strength of American independence, the White House, the Capitol, and the Supreme Court tell a fascinating true story--one that includes presidents, vice presidents, senators, justices, and political visionaries. Touring the buildings, visitors see such familiar faces as George Washington, Thomas Jefferson, Martin Luther King Jr., and Susan B. Anthony, as well as learn about lesser-known figures such as Chippewa warrior Beeshekee, Chief Justice Morrison R. Waite, and Vice Presidents Daniel Tompkins and William R. King. The paintings and portraits that adorn the walls, the statues in every corner, and the rooms themselves provide commentary on the political life of a developing nation.

Designing Camelot James Archer Abbott, Elaine M. Rice, 1998 This exquisite book documents the extensive restoration of the White House under the Kennedy administration. It examines the physical transformation of America's premier residence from home of the President to house-museum. Kennedy enthusiasts, architects, interior designers, collectors, history buffs, preservationists, and White House watchers alike will covet this book. Full color throughout.

At Home in the President's Neighborhood William Seale, 2016 Highlights the White House neighborhood and related historic Washington landmarks published by the White House Historical Association. Bruce White's photography captures the view from the White House to the surrounding parks and city streets. From Lafayette Park to the North, to the Ellipse to the South, White takes the reader past examples of two-hundred years of Washington D.C.'s architecture, federal buildings, private homes, and national monuments, and into such homes of White House neighbors as Blair House, the President's Guest House, Decatur House, and the Octagon. *At Home in the President's Neighborhood* is heavily illustrated with new photography.

The White House Garden William Seale,1996 This book contains the story of one of the most famous and historic gardens in America. It is richly illustrated with original plans, historic images, and beautiful color photographs of rolling lawns and colorful seasonal displays at the White House.

Upstairs at the White House J. B. West,Mary Lynn Kotz,2013-10-01 In this New York Times bestseller, the White House chief usher for nearly three decades offers a behind-the-scenes look at America's first families. J. B. West, chief usher of the White House, directed the operations and maintenance of 1600 Pennsylvania Avenue—and coordinated its daily life—at the request of the president and his family. He directed state functions; planned parties, weddings and funerals, gardens and playgrounds, and extensive renovations; and, with a large staff, supervised every activity in the presidential home. For twenty-eight years, first as assistant to the chief usher, then as chief usher, he witnessed national crises and triumphs, and interacted daily with six consecutive presidents and first ladies, as well as their parents, children and grandchildren, and houseguests—including friends, relatives, and heads of state. J. B. West, whom Jackie Kennedy called “one of the most extraordinary men I have ever met,” provides an absorbing, one-of-a-kind history of life among the first ladies. Alive with anecdotes ranging from Eleanor Roosevelt's fascinating political strategies to Jackie Kennedy's tragic loss and the personal struggles of Pat Nixon, *Upstairs at the White House* is a rich account of a slice of American history that usually remains behind closed doors.

Real Life at the White House John Whitcomb,Claire Whitcomb,2002 An irresistible chronological overview of daily life in the presidential residence. Divided into 42 chapters representing each succeeding administration, this survey is brimming with fun facts, tantalizing tidbits, and memorable anecdotes detailing two centuries of domestic bliss and strife in the White House. From George Washington, who chose the site and initiated work on the presidential mansion, to Bill Clinton, whose well-documented White House escapades titillated and scandalized the nation, each individual president has contributed to the mystique of the most readily recognized home in the U.S. Together with scores of drawings, portraits, and photographs, the breezy text chronicles the significant physical, social, and emotional changes wrought by each First Family as they sought to personalize daily life in the White House.

Speech-less Matthew Latimer,2009-09-22 New York Times Bestseller • From a former White House speechwriter comes a deliciously candid memoir about official Washington—a laugh-out-loud cri de coeur that shows what can happen to idealism in a town driven by self-interest. “[An] entertaining book about what goes on—or doesn't—in Washington.” —American Spectator Despite being raised by reliably liberal parents, Matt Latimer is lured by the upbeat themes of the Reagan Revolution and, in the tradition of Mary Tyler Moore, sets off from the Midwest for the big city. Determined to “make it after all,” Matt daydreams of eradicating do-nothing boondoggleism and leading America to new heights of greatness. But first he has to find a job. Like an inside-the-Beltway Dante, Matt descends into Washington, D.C., hell, and snares a series of increasingly lofty—but unsatisfying—jobs with powerful figures on Capitol Hill. When Fate offers Matt a job as chief speechwriter for Secretary of Defense Donald Rumsfeld and Matt

finds he actually admires the man (causing his liberal friends to shake their heads in dismay), his youthful passion is renewed. But Rummy soon becomes a piñata for the press, and the Department of Defense is revealed as alarmingly dysfunctional. Eventually, Matt lands at the White House, his heart aflutter with the hope that, here at last, he can fulfill his dream of penning words that will become part of history—and maybe pick up some cool souvenirs. But reality intrudes once again. More like *The Office* than *The West Wing*, the nation's most storied office building is run by staffers who are in way over their heads, and almost everything the public has been told about the major players—Bush, Cheney, Rice, Rumsfeld, Rove—is wrong. Both a rare behind-the-scenes account that boldly names the fools and scoundrels, and a poignant lament for the principled conservatism that disappeared during the Bush presidency, *Speech-less* will forever change the public's view of our nation's capital and the people who joust daily for its power. Praise for *Speech-less* “Deft, surprising, darned entertaining.” —Christopher Buckley It's a good read... quite frankly, the stories are funny! —Pat Buchanan

James Hoban Anthology ,2022-02

Washington D.C. Thomas J. Carrier,1999 When it was passed in 1789, the Constitution set out the boundaries not only for a new government but for a new capital city as well. At the time, the new District of Columbia covered 5,000 acres, dominated by marshland on the south, pastureland on the area that is now the Mall, farms near the White House and Capitol Hill, and undeveloped woods throughout. Covering Capitol Hill, the Mall, the Old Downtown area, the Ellipse, Lafayette Square, and Foggy Bottom, this engaging photographic history and walking tour documents how the Federal City grew from farmland to world capital. Striking images and detailed captions tell the fascinating stories behind many of the famous and the not so famous buildings and monuments that cover the D.C. landscape, from Union Station and the Capitol to the White House and the Watergate Hotel and many important sites in between.

The White House Pop-Up Book Chuck Fischer,2015-02-03 The official pop-up guide--Front cover.

Team of Vipers Cliff Sims,2019-01-29 THE INSTANT NEW YORK TIMES BESTSELLER Sims's vivid portrait of Trump shrewdly balances admiration with misgivings, and his intricate, engrossing accounts of White House vendettas and power plays have a good mix of immersion and perspective. The result is one of the best of the recent flood of Trump tell-alls. —Publishers Weekly The first honest insider's account of the Trump administration. If you hate Trump you need the truth; if you love Trump you need the truth. After standing at Donald Trump's side on Election Night, Cliff Sims joined him in the West Wing as Special Assistant to the President and Director of White House Message Strategy. He soon found himself pulled into the President's inner circle as a confidante, an errand boy, an advisor, a punching bag, and a friend. Sometimes all in the same conversation. As a result, Sims gained unprecedented access to the President, sitting in on private meetings with key Congressional officials, world leaders, and top White House advisors. He saw how Trump handled the challenges of the office, and he learned from Trump himself how he saw the world. For five hundred days, Sims also witnessed first-hand the infighting and leaking, the anger, joy, and recriminations. He had a role in some of the President's biggest successes, and he

shared the blame for some of his administration's worst disasters. He gained key, often surprising insights into the players of the Trump West Wing, from Jared Kushner and John Kelly to Steve Bannon and Kellyanne Conway. He even helped Trump craft his enemies list, knowing who was loyal and who was not. And he took notes. Hundreds of pages of notes. In real-time. Sims stood with the President in the eye of the storm raging around him, and now he tells the story that no one else has written—because no one else could. The story of what it was really like in the West Wing as a member of the President's team. The story of power and palace intrigue, backstabbing and bold victories, as well as painful moral compromises, occasionally with yourself. Team of Vipers tells the full story, as only a true insider could.

The Home Edit Clea Shearer, Joanna Teplin, 2019-03-19 NEW YORK TIMES BESTSELLER • From the stars of the Netflix series Get Organized with The Home Edit (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. “A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way.”—Glamour (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it's not hard to do—in fact, it's a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea's signature approach to decluttering. The Home Edit walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don't need another do-over in six months. When you're done, you'll not only know exactly where to find things, but you'll also love the way it looks. A masterclass and look book in one, The Home Edit is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there's nothing like a little ROYGBIV to soothe the soul). Above all, it's like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).

Growing Up Biden Valerie Biden Owens, 2022-04-12 **INSTANT NEW YORK TIMES BESTSELLER** A memoir from Valerie Biden Owens, Joe Biden's younger sister, trusted confidante and lifelong campaign manager. Valerie, one of the first female campaign managers in United States history, writes of the role of family, faith, and fate in shaping her life, and the power of empathy and kindness in the face of turmoil and division. Growing Up Biden details Valerie's decades-long professional career in politics, and the central role she played in her brother's life as an insightful adviser, an ever-loyal advocate and best friend. This memoir, full of candor and warmth, brings readers into the Biden home and shares stories from growing up in Delaware as the only daughter of the close-knit Irish Catholic family. Valerie writes in a compelling, relatable way about the challenges she faced breaking through gender barriers, the elusive nature of confidence, and navigating professional responsibilities while

raising children.

The White House in Miniature Gail Buckland,1994 Yet while the White House remains one of the country's most popular tourist spots, most Americans will never have the opportunity to visit and experience the thrill of history in the making..

Wine and the White House Frederick J. Ryan, Jr.,2024-02-19

The Unofficial Guide to Washington, D. C. Eve Zibart,Bob Sehlinger,2014-05-13 A guide to hotels and attractions in Washington, D.C.

Where Is the White House? Megan Stine,Who HQ,2015-02-05 The history of the White House, first completed in 1799, reflects the history of America itself. It was the dream of George Washington to have an elegant presidential mansion in the capital city that was named after him. Yet he is the only president who never got to live there. All the rest have made their mark--for better or worse--on the house at 1600 Pennsylvania Avenue. Megan Stine explains how the White House came to be and offers young readers intriguing glimpses into the lives of the First Families--from John and Abigail Adams to Barack and Michelle Obama.

The Great White House Breakout Helen Thomas,2008 With his mother as president, the rules and restrictions become too confining, until the day that Sam and his pets, Warren the cat and Leonard the rat, decide to escape and explore Washington D.C.

The White House White House Historical Association,2011 Since 1962, the celebrated spaces and rich history of the President's House have been portrayed in this continually updated guidebook. This edition celebrates the fiftieth anniversary of the book's release with a new design, updated text, and new photography. The State Floor, Ground Floor, Second Floor, and West Wing are presented with richly illustrated historical text. For the first time, the guide offers a walking tour of the exterior, with a key to its architectural elements and grounds. Now visitors viewing the White House from the streets of Washington, D.C.' and armchair tourists at home' can experience an intimate tour of the house.

A White House Tour Introduction

In this digital age, the convenience of accessing

information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading A White House Tour free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also

provides a platform for discussions and networking within the academic community. When it comes to downloading A White House Tour free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading A White House Tour free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading A White House Tour. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading A White House Tour any PDF files. With these platforms, the world of PDF downloads is just a click

away.

FAQs About A White House Tour Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. A White House Tour is one of the best book in our library for free trial. We provide copy of A White House Tour in digital format, so the resources that you find are reliable. There are also many Ebooks of related with A White House Tour. Where to download A White House Tour online for free? Are you looking for A White House Tour PDF? This is definitely going to save you time and cash in something you should think about.
