

A. Dumas. Three Musketeers.

Alexandre Dumas

The Three Musketeers Alexandre Dumas,1878 One of the preeminent novels by French writer Alexandre Dumas, this swashbuckling tale follows a group of honorable 17th-century swordsmen who must contend with powerful adversaries scheming against the queen. Determined to join the royal guard, young d'Artagnan leaves his country home and travels to Paris, where he unintentionally angers Aramis, Athos, and Porthos, the esteemed Three Musketeers. Eventually winning the trust and admiration of the formidable trio of fighters, d'Artagnan joins them in their quest to thwart the plans of the sinister Cardinal Richelieu.

The Three Musketeers Alexandre Dumas,1889

The Three Musketeers Alexandre Dumas,2020-11-27 **The Three Musketeers** By Alexandre Dumas
The Three Musketeers (French: Les Trois Mousquetaires) is a historical adventure novel written in 1844 by French author Alexandre Dumas. It is in the swashbuckler genre, which has heroic, chivalrous swordsmen who fight for justice.Set between 1625 and 1628, it recounts the adventures of

a young man named d'Artagnan (a character based on Charles de Batz-Castelmore d'Artagnan) after he leaves home to travel to Paris, hoping to join the Musketeers of the Guard. Although d'Artagnan is not able to join this elite corps immediately, he is befriended by the three most formidable musketeers of the age - Athos, Porthos and Aramis, the three inseparables- and becomes involved in affairs of state and at court. Dumas presents his novel as one of a series of recovered manuscripts, turning the origins of his romance into a little drama of its own. In the Preface, he tells of being inspired by a scene in *Mémoires de Monsieur d'Artagnan* (1700), a historical novel by Gatien de Courtilz de Sandras, printed by Pierre Rouge in Amsterdam, which Dumas discovered during his research for his history of Louis XIV. According to Dumas, the incident where d'Artagnan tells of his first visit to M. de Tréville, captain of the Musketeers, and how, in the antechamber, he encountered three young Béarnese with the names Athos, Porthos, and Aramis, made such an impression on him that he continued to investigate. That much is true-the rest is fiction: He finally found the names of the three musketeers in a manuscript titled *Mémoire de M. le comte de la Fère*, etc. Dumas requested

permission to reprint the manuscript permission was granted: Now, this is the first part of this precious manuscript which we offer to our readers, restoring it to the title which belongs to it, and entering into an engagement that if (of which we have no doubt) this first part should obtain the success it merits, we will publish the second immediately. In the meanwhile, since godfathers are second fathers, as it were, we beg the reader to lay to our account, and not to that of the Comte de la Fère, the pleasure or the ennui he may experience. This being understood, let us proceed with our story. The Three Musketeers is primarily a historical and adventure novel. However, Dumas frequently portrays various injustices, abuses, and absurdities of the Ancien Régime, giving the novel an additional political significance at the time of its publication, a time when the debate in France between republicans and monarchists was still fierce. The story was first serialised from March to July 1844, during the July Monarchy, four years before the French Revolution of 1848 violently established the Second Republic. The story of d'Artagnan is continued in Twenty Years After and The Vicomte of Bragelonne: Ten Years Later.

The Three Musketeers Alexandre Dumas, 2006-08-03 We read *The Three Musketeers* to experience a sense of romance and for the sheer excitement of the story, reflected Clifton Fadiman. In these violent pages all is action, intrigue, suspense, surprise--an almost endless chain of duels, murders, love affairs, unmaskings, ambushes, hairbreadth escapes, wild rides. It is all impossible and it is all magnificent. First published in 1844, Alexandre Dumas's swashbuckling epic chronicles the adventures of D'Artagnan, a gallant young nobleman who journeys to Paris in 1625 hoping to join the ranks of musketeers guarding Louis XIII. He soon finds himself fighting alongside three heroic comrades--Athos, Porthos, and Aramis--who seek to uphold the honor of the king by foiling the wicked plots of Cardinal Richelieu and the beautiful spy Milady. Dumas will be read a hundred, nay, three hundred years on, wrote John Galsworthy. His greatest creation is undoubtedly D'Artagnan, type at once of the fighting adventurer and of the trusty servant, whose wily blade is ever at the back of those whose hearts have neither his magnanimity nor his courage. Few, if any, characters in fiction inspire one with such belief in their individual existences. . . . To one who made D'Artagnan all shall be

forgiven. Clifton Fadiman agreed: Dumas enjoyed writing his stories. . . . The pleasure he must have felt in creating D'Artagnan's troubles and triumphs flashes out of these pages. . . . Dumas rampaged through the history of France, inventing, changing, distorting--doing whatever was needed to produce a tale to hold the reader breathless.

The Three Musketeers Alexandre Dumas,2022-09-01 The Three Musketeers is a novel by Alexandre Dumas, père. It recounts the adventures of a young man named d'Artagnan after he leaves home to become a musketeer. D'Artagnan is not one of the musketeers of the title; those are his friends Athos, Porthos, and Aramis, inseparable friends who live by the motto, One for all, and all for one. The story of d'Artagnan is continued in *Twenty Years After* and *The Vicomte de Bragelonne*. Those three novels by Dumas are together known as the D'Artagnan Romances. The Three Musketeers was first published in serial form in the magazine *Le Siècle* between March and July 1844.

The Three Musketeers - Alexandre Dumas Alexandre Dumas,2021-06-10 The Three Musketeers (Les Trois Mousquetaires) is a novel by Alexandre Dumas, père. It recounts the adventures of a young

man named d'Artagnan after he leaves home to become a musketeer. D'Artagnan is not one of the musketeers of the title; those are his friends Athos, Porthos, and Aramis inseparable friends who live by the motto, One for all, and all for one. The story of d'Artagnan is continued in *Twenty Years After* and *The Vicomte de Bragelonne*. Those three novels by Dumas are together known as the D'Artagnan Romances. *The Three Musketeers* was first published in serial form in the magazine *Le Siècle* between March and July 1844.

Three Musketeers Alexandre Dumas, 2010-09-01 In Alexandre Dumas's classic tale of the adventure, d'Artagnan has gone to Paris to make his fortune and join the king's Musketeers. Along the way, he encounters, fights, and befriends three Musketeers and joins their fight to protect the queen from the Cardinal. Love, honor, and friendships are tested in the Calico Illustrated Classics adaptation of Dumas's *The Three Musketeers*.

The Three Musketeers Alexandre Dumas, 1999-09-21 Dumas's most popular novel has long been a favorite with children, and its swashbuckling heroes are well known from many a film and TV

adaptation. Set in 17th-century France, this tale of the adventures of D'Artagnan and the three musketeers is the finest example of its author's brilliantly inventive storytelling genius.

The Three Musketeers Alexander Dumas, 2019-06-15 The Three Musketeers is a novel by Alexandre Dumas. Set in the 17th century, it recounts the adventures of a young man named d'Artagnan after he leaves home to travel to Paris, to join the Musketeers of the Guard. D'Artagnan is not one of the musketeers of the title; those are his friends Athos, Porthos and Aramis, inseparable friends who live by the motto all for one, one for all, a motto which is first put forth by d'Artagnan. In 1625 France, d'Artagnan—a poor young nobleman—leaves his family in Gascony and travels to Paris with the intention of joining the Musketeers of the Guard. However, en route, at an inn in Meung-sur-Loire, an older man derides d'Artagnan's horse and, feeling insulted, d'Artagnan demands to fight a duel with him. The older man's companions beat d'Artagnan unconscious with a pot and a metal tong that breaks his sword. His letter of introduction to Monsieur de Tréville, the commander of the Musketeers, is stolen. D'Artagnan resolves to avenge himself upon the man, who is later revealed to

be the Comte de Rochefort, an agent of Cardinal Richelieu, who is in Meung to pass orders from the Cardinal to Milady de Winter, another of his agents.

Between Two Kings Lawrence Ellsworth, Alexandre Dumas, 2021-07-06 For years d'Artagnan shared his adventures with his three comrades—Athos, Porthos, and Aramis—but now, in Between Two Kings, the First Musketeer returns to the forefront. This is truly d'Artagnan's novel, bringing to a dramatic climax the story that began when he first arrived in Paris thirty years earlier in The Three Musketeers. This brand-new translation of Between Two Kings immediately picks up the story and themes of Blood Royal, where d'Artagnan tries to thwart destiny by saving England's Charles I; now, he will be instrumental in the restoration of his son, Charles II, the first of the two kings of the title. Disappointed in the irresolution of young Louis XIV, d'Artagnan takes a leave of absence from the King's Musketeers and ventures to England with a bold plan to hoist Charles II onto his throne, a swashbuckling escapade in which he is unwittingly assisted by his old comrade Athos. D'Artagnan returns triumphant to France, where he is recalled to service by the second king, Louis XIV, who is

now finally ready to take full advantage of the extraordinary talents of his officer of musketeers. This newly translated volume by Lawrence Ellsworth is the first volume of Alexandre Dumas's mega-novel *Le Vicomte de Bragelonne*, the epic finale to the Musketeers Cycle, which will end with the justly-famous *The Man in the Iron Mask*. This marks the first significant new English translation of this series of novels in over a century.

The Three Musketeers Alexandre Dumas, 2019-05-21 *he Three Musketeers* (*Les Trois Mousquetaires*) is a novel by Alexandre Dumas, père. It recounts the adventures of a young man named d'Artagnan after he leaves home to become a musketeer. D'Artagnan is not one of the musketeers of the title; those are his friends Athos, Porthos, and Aramis-inseparable friends who live by the motto, One for all, and all for one.

The Three Musketeers Alexandre Dumas, 2022-11-13 Set in 1625, *The Three Musketeers* recounts the adventures of a young man named d'Artagnan after he leaves home to travel to Paris, to join the Musketeers of the Guard. Although D'Artagnan is not able to join this elite corps immediately,

he befriends the three most formidable musketeers of the age: Athos, Porthos and Aramis and gets involved in affairs of the state and court. Dumas frequently works into the plot various injustices, abuses and absurdities of the old regime, giving the story an additional political aspect at a time when the debate in France between republicans and monarchists was still fierce. The novel *Twenty Years After* follows events in France during the Fronde, during the childhood reign of Louis XIV. The musketeers are valiant and just in their efforts to protect young Louis XIV and the doomed Charles I from their attackers. *The Vicomte de Bragelonne*, *Louise de la Vallière* and *The Man in the Iron Mask* are set between 1660 and 1667 against the background of the transformation of Louis XIV from child monarch to Sun King. Alexandre Dumas, père (1802-1870) was a French writer whose works have been translated into nearly 100 languages and he is one of the most widely read French authors. His most famous works are *The Count of Monte Cristo* and *The Three Musketeers*.

The Three Musketeers Terry Kroenung, 2006-09 Dashing swordplay! Heart-stopping romance! Intricate political intrigue! And all written by a 10 year-old girl? This new play, based on Alexandre

Dumas' classic 1844 novel, tells the real story of how the tale came to be written, complete with crazy deleted scenes that wound up on the cutting room floor, so to speak. Although all of the famous moments that readers have enjoyed for over 150 years are here-the rousing duel with the Cardinal's Guards, Milady's evil schemes with Cardinal Richelieu to control the throne of France, the joyous picnic on the battlefield at La Rochelle-this new version also gives readers and actors scenes never shown before. As Dumas and his precocious niece Charlotte write the novel, episodes are tried and discarded. These include a Rockettes-style dance number featuring high-kicking Musketeers and the usually-timid Constance clashing-sword-in-hand-with four of the Cardinal's Guards. Suitable for production at all levels, from schools to professional theatres, this new take on The Three Musketeers is sure to please readers and audiences alike.

About The Three Musketeers By Alexandre Dumas The Three Musketeers is a historical novel by Alexandre Dumas. Set in 1625, it recounts the adventures of a young man named d'Artagnan after he leaves home to travel to Paris, to join the Musketeers of the Guard. Although D'Artagnan is not able to join this elite corps immediately, he befriends the three most formidable musketeers of the age: Athos, Porthos and Aramis and gets involved in affairs of the state and court. In genre, The Three Musketeers is primarily a historical and adventure novel . However, Dumas also frequently works into the plot various injustices, abuses and absurdities of the old regime, giving the novel an additional political aspect at a time when the debate in France between republicans and monarchists was still fierce. The story was first serialized from March to July 1844, during the July Monarchy, four years before the French Revolution of 1848 violently established the Second Republic. The author's father, Thomas-Alexandre

Dumas, had been a well-known General in France's Republican army during the French Revolutionary Wars. The story of d'Artagnan is continued in *Twenty Years After* and *The Vicomte of Bragelonne: Ten Years Later*.

The Three Musketeers–English Classics Alexander Dumas,2008 Classics for children

The Red Sphinx Alexandre Dumas,2018-01-02 In 1844, Alexandre Dumas published *The Three Musketeers*, a novel so famous and still so popular today that it scarcely needs introduction. Shortly thereafter he wrote a sequel, *Twenty Years After*. Later, toward the end of his career, Dumas wrote *The Red Sphinx*, another direct sequel to *The Three Musketeers* that begins a mere twenty days afterward. Picking up right where the *The Three Musketeers* left off, *The Red Sphinx* continues the stories of Cardinal Richelieu, Queen Anne, and King Louis XIII—and introduces a charming new hero, the Comte de Moret, a real historical figure from the period. Dumas wrote seventy-five chapters of *The Red Sphinx*, but never quite finished it and the novel languished for almost a century. While Dumas never completed the book, he had earlier written a separate novella, *The Dove*, that recounts the final

adventures of Moret and Cardinal Richelieu. Now for the first time in one cohesive narrative, *The Red Sphinx* and *The Dove* make a complete and satisfying storyline—a rip-roaring novel of historical adventure, heretofore unknown to English-language readers, by the great Alexandre Dumas, king of the swashbucklers.

The Three Musketeers Alexandre Dumas, 2012-04-26 Swashbuckling novel of D'Artagnan and his three friends — Athos, Porthos and Aramis — three musketeers in the service of King Louis XIII.

The Three Musketeers Alexandre Dumas, 2011 Dumas's most popular novel has long been a favorite with children, and its swashbuckling heroes are well known from many a film and TV adaptation. Set in 17th-century France, this tale of the adventures of D'Artagnan and the three musketeers is the finest example of its author's brilliantly inventive storytelling genius.

The story of d'Artagnan is continued in *Twenty Years After* and *The Vicomte de Bragelonne*. Those three novels by Dumas are together known as the *D'Artagnan Romances*. The *Three Musketeers* was first published in serial form in the magazine *Le Siècle* between March and July 1844.

The Black Count Tom Reiss, 2012-09-18 WINNER OF THE PULITZER PRIZE FOR BIOGRAPHY

- ONE OF ESQUIRE'S BEST BIOGRAPHIES OF ALL TIME General Alex Dumas is a man almost unknown today, yet his story is strikingly familiar—because his son, the novelist Alexandre Dumas, used his larger-than-life feats as inspiration for such classics as *The Count of Monte Cristo* and *The Three Musketeers*. But, hidden behind General Dumas's swashbuckling adventures was an even more incredible secret: he was the son of a black slave—who rose higher in the white world than any man of his race would before our own time. Born in Saint-Domingue (now Haiti), Alex Dumas made his way to Paris, where he rose to command armies at the height of the Revolution—until he met an implacable

enemy he could not defeat. *The Black Count* is simultaneously a riveting adventure story, a lushly textured evocation of 18th-century France, and a window into the modern world's first multi-racial society. *TIME* magazine called *The Black Count* one of those quintessentially human stories of strength and courage that sheds light on the historical moment that made it possible. But it is also a heartbreaking story of the enduring bonds of love between a father and son.

The Enthralling Realm of Kindle Books: A Comprehensive Guide Revealing the Advantages of E-book Books: A Realm of Ease and Flexibility E-book books, with their inherent portability and simplicity of access, have freed readers from the constraints of hardcopy books. Gone are the days of lugging cumbersome novels or carefully searching for particular titles in shops. E-book devices, stylish and portable, effortlessly store an wide library of books, allowing readers to immerse in their preferred reads whenever, anywhere. Whether commuting on a bustling train, relaxing on a sun-kissed beach, or just cozying up in bed, E-book books provide an unparalleled level of ease. A Literary World Unfolded:

Discovering the Vast Array of E-book A. Dumas. Three Musketeers. A. Dumas. Three Musketeers. The E-book Shop, a virtual treasure trove of literary gems, boasts an wide collection of books spanning diverse genres, catering to every readers taste and choice. From gripping fiction and mind-stimulating non-fiction to classic classics and contemporary bestsellers, the E-book Shop offers an exceptional variety of titles to explore. Whether seeking escape through engrossing tales of imagination and adventure, delving into the depths of historical narratives, or expanding ones understanding with insightful works of scientific and philosophical, the E-book Shop provides a doorway to a literary world brimming with limitless possibilities. A Transformative Force in the Literary Landscape: The Lasting Influence of E-book Books A. Dumas. Three Musketeers.
