How to win BIG and Make Money on High Limit Slots John F.

Kennedy, 2018-10-17 This book is about bettering your odds on playing High Limit Slot Machines. There is a myth that you can't make money on slot machines. However, over the years through trial and error, I have discovered a system that has been working for me over several years that has helped me produce almost a million dollars in hand pay jackpots. A system that I have expressively shared in this informational guide. All this information is based on my own personal gambling experiences in various casinos' around the USA. My branded phrase is flippin your money and dippin into theirs, never using your hard-earned money again! -hence the meaning behind the phrase flippin n dippin.

The Devil's Slot Machine System Arthur Conrad, 2020-01-03 The 1st book in The Devil's Gambling System series, it's time to beat slot machines!!! Can you beat slot machines? It's a question that has yet to be answered, because the keys to solving this puzzle are in the hands of people whom promised their confidentiality for the professional secrets, until now! The original book revised after consulting with former casino operators, online slot game developers and backend programmers to bring you the most accurate information about the possible loopholes in the system and to debunk the most common myths about slot machines, which are in fact lowering your odds of winning, while presenting information about the ONE period of time when your chances of winning might be better. Teaching you about: The games with the highest RTP Choosing the right machine Correct credit management Bonuses, features and promotions Betting systems The truth about slot machines... and many more!!! Keep in mind that no gambling system is fool-proof, so if anyone tries selling you a betting or predicting system that they promise is perfect, be aware of the lies! The Devil's Gambling System series does NOT make false promises, but instead develops and teaches the best proven methods to diminish the house edge and to get the best possible odds for your bets. Gamble smart, gamble well, gamble like the Devil!!!

Jackpot Nation Richard Hoffer, 2009-10-13 Is this a great country or what? You can bet on the turn of the card or a roll of the dice, but also on the NFL, the NCAA, and which Olsen twin marries first. We bet \$80 billion a year, the amount growing wildly as more and more people gain access to this huge American wheel of fortune. No longer quarantined in Las Vegas, gambling has become as local and convenient as our neighborhood cineplex. If there's not a casino around the corner, there's one on your laptop computer. In Jackpot Nation, Richard Hoffer takes us on a headlong tour, alternately horrifying and hilarious, across our landscape of luck. Whether he's trying to win a side of bacon in a Minnesota bar, hustling a paper sack filled with \$100,000 in cash across Las Vegas parking lots, poring over expansion plans with a tribal chief in California, or visiting the New York prison cell of a retired bus salesman with a poor understanding of three-game parlays, Hoffer explores with wit and heart our national inclination—a cultural predisposition, even—to take a chance.

Lucky, 2021-04-14 Loser: Thoughts and War Stories from Years of Casino Battles By: Mr. Lucky Loser: Thoughts and War Stories from Years of Casino Battles is

a fun, enjoyable read about all of the interesting characters and characteristics of casinos and gambling. The book is filled with many different accounts of what makes casinos and everything connected to them so fascinating. With millions of people who frequent casinos and the millions more who wonder what this attraction is all about, there is a very large audience of people who will be nodding along and relating (and hopefully laughing) to the experiences Mr. Lucky has recounted. As maddening as losing can be, you need to just try to enjoy the entertainment value and all of the weirdness that goes along with it.
