

Aa Speakers Alcoholics Anonymous

Ernest Kurtz

A New Pair of Glasses Chuck C.,1984

Emotional Sobriety Aa Grapevine,2011 Volume Two of one of our most popular books. Sober AA members describe the positive transformations sobriety can bring as they practice the principles of the program in all aspects of their lives.

Alcoholics Anonymous Alcoholics Anonymous World Services,Bill W.,1986 The basic text for Alcoholics Anonymous.

A Twelve Step Journey to Self Transformation Mark H.,Floyd Henderson,2004 A Twelve Step Journey to SELF-transformation is the true story of two men whose paths crossed and whose lives were changed forever after. The authors reveal how they reached all four levels of healing that Bill W. spoke of: spiritual sobriety, mental sobriety, physical sobriety, and emotional sobriety.

Answers in the Heart Anonymous,2011-02-17 Daily reflections for those searching for lasting recovery from sex addiction. The supportive and motivational thoughts in this bestselling collection of daily readings promise to spark the healing, hope, and personal growth anyone addicted to sex needs to embrace recovery. Part of the Hazelden Meditation series, each thought of the day inspires the strength, courage, and mindfulness readers need to overcome patterns of sexual compulsion. Featuring 366 affirmations that complement any Twelve Step program for love addiction or an unhealthy dependence on sexual behavior, this book will become the touchstone to your transformation.

Dr. Bob and Bill W. Speak Michael Fitzpatrick,2012-10-30 Learn about the luminaries behind one of the greatest social movements of our time through the never-before-published recordings, letters, and stories found in this intimate multimedia retrospective. Learn about the luminaries

behind one of the greatest social movements of our time through the never-before-published recordings, letters, and stories found in this intimate multimedia retrospective. This unique book and audio CD draw on letters, journal entries, and speeches from Alcoholics Anonymous (AA) conferences, and recorded conversations to tell the personal stories of AA cofounders Dr. Bob and Bill W. The book and CD reveal the cofounders' unique contributions to the creation and development of AA, the Big Book, and the Twelve Steps and Twelve Traditions. The book explores their lives, starting with their early drinking days, while the audio recordings begin with their first speeches in the 1940s and continue through Bill W.'s last talk given at the Miami International Convention in 1970, just months before he died. AA historian and archivist Michael Fitzpatrick used his research conducted at Stepping Stones (the former home of Bill W.) and Dr. Bob's home, excerpts from the AA Grapevine, and his own private collection to offer this multimedia retrospective.

Breathing Under Water Richard Rohr, 2013-11-04 The Twelve Steps of Alcoholics Anonymous is America's most significant and authentic contribution to the history of spirituality, says Richard Rohr. He makes a case that the Twelve Steps relate well to Christian teaching and can rescue people who are drowning in addiction and may not even realize it. To survive the tidal wave of compulsive behavior and addiction, Christians must learn to breathe under water and discover God's love and compassion. In this exploration of Twelve Step spirituality, Rohr identifies the Christian principles in the Twelve Steps, connecting The Big Book of Alcoholics Anonymous with the gospel. He draws on talks he has given for over twenty years to people in recovery and those who counsel and live with people with addictive behavior. Rohr offers encouragement for becoming interiorly alive and inspiration for making one's life manageable for dealing with the codependence and dysfunction

(sin) rampant in our society.

The Steps We Took Joe McQ, 2005-12-27 Issued in hardcover for the first time to commemorate its ten-year anniversary, the classic recovery handbook takes readers through the 12-step program at Alcoholics Anonymous.

Quit Like a Woman Holly Whitaker, 2019-12-31 NEW YORK TIMES BESTSELLER • “An unflinching examination of how our drinking culture hurts women and a gorgeous memoir of how one woman healed herself.”—Glennon Doyle, #1 New York Times bestselling author of *Untamed* “You don’t know how much you need this book, or maybe you do. Either way, it will save your life.”—Melissa Hartwig Urban, Whole30 co-founder and CEO The founder of the first female-focused recovery program offers a groundbreaking look at alcohol and a radical new path to sobriety. We live in a world obsessed with drinking. We drink at baby showers and work events, brunch and book club, graduations and funerals. Yet no one ever questions alcohol’s ubiquity—in fact, the only thing ever questioned is why someone doesn’t drink. It is a qualifier for belonging and if you don’t imbibe, you are considered an anomaly. As a society, we are obsessed with health and wellness, yet we uphold alcohol as some kind of magic elixir, though it is anything but. When Holly Whitaker decided to seek help after one too many benders, she embarked on a journey that led not only to her own sobriety, but revealed the insidious role alcohol plays in our society and in the lives of women in particular. What’s more, she could not ignore the ways that alcohol companies were targeting women, just as the tobacco industry had successfully done generations before. Fueled by her own emerging feminism, she also realized that the predominant systems of recovery are archaic, patriarchal, and ineffective for the unique needs of women and other historically oppressed people—who don’t need to lose their egos and surrender to a male concept of God, as the tenets of

Alcoholics Anonymous state, but who need to cultivate a deeper understanding of their own identities and take control of their lives. When Holly found an alternate way out of her own addiction, she felt a calling to create a sober community with resources for anyone questioning their relationship with drinking, so that they might find their way as well. Her resultant feminine-centric recovery program focuses on getting at the root causes that lead people to overindulge and provides the tools necessary to break the cycle of addiction, showing us what is possible when we remove alcohol and destroy our belief system around it. Written in a relatable voice that is honest and witty, *Quit Like a Woman* is at once a groundbreaking look at drinking culture and a road map to cutting out alcohol in order to live our best lives without the crutch of intoxication. You will never look at drinking the same way again.

The Book That Started It All Anonymous, 2013-09-03 An extraordinary reproduction of the original working manuscript of the Big Book of Alcoholics Anonymous, with an introduction and notes by a panel of celebrated AA historians. *The Book That Started It All* offers fresh insights into the history and foundation of the revolutionary Alcoholics Anonymous program. Reproduced in this elegant gift edition, the original working manuscript is the missing link in our understanding of what transpired between AA founder Bill Wilson's first draft of Alcoholics Anonymous and the first published edition. In January 1939, Wilson and other AA founders distributed 400 copies of his typed manuscript to everyone they could think of who might be concerned with the problem of alcoholism, to test out the program. As the loan copies were returned, suggestions for revision were considered and written out in colored pencil on one master copy that was eventually submitted for publication. The many changes made in black, green, and red on page after page are shown here in their original form, revealing the opinions, debates, and discussions that went into making the Big

Book.

Not God Ernest Kurtz, 2010-03-26 A fascinating, account of the discovery and program of Alcoholics Anonymous, Not God contains anecdotes and excerpts from the diaries, correspondence, and occasional memoirs of AA's early figures. The most complete history of A.A. ever written. Not God contains anecdotes and excerpts from the diaries, correspondence, and occasional memoirs of A.A.'s early figures. A fascinating, fast-moving, and authoritative account of the discovery and development of the program and fellowship that we know today as Alcoholics Anonymous.

Refuge Recovery Noah Levine, 2014-06-10 Bestselling author and renowned Buddhist teacher Noah Levine adapts the Buddha's Four Noble Truths and Eight Fold Path into a proven and systematic approach to recovery from alcohol and drug addiction—an indispensable alternative to the 12-step program. While many desperately need the help of the 12-step recovery program, the traditional AA model's focus on an external higher power can alienate people who don't connect with its religious tenets. Refuge Recovery is a systematic method based on Buddhist principles, which integrates scientific, non-theistic, and psychological insight. Viewing addiction as cravings in the mind and body, Levine shows how a path of meditative awareness can alleviate those desires and ease suffering. Refuge Recovery includes daily meditation practices, written investigations that explore the causes and conditions of our addictions, and advice and inspiration for finding or creating a community to help you heal and awaken. Practical yet compassionate, Levine's successful Refuge Recovery system is designed for anyone interested in a non-theistic approach to recovery and requires no previous experience or knowledge of Buddhism or meditation.

When Man Listens Cecil Rose, 2008-07-09 Reprint of an edition published in New York in 1937 by Oxford University Press.

Undrunk A.J. Adams,2009-07-22 A candid, often hilarious guide for anyone who just doesn't get Alcoholics Anonymous. In this unprecedented book, A. J. Adams uses self-deprecating humor, entertaining anecdotes, and frank descriptions to introduce anyone who just doesn't get Alcoholics Anonymous to the complete Undrunk lifestyle. Beginning with the story of his first AA meeting, he takes the mystery out what goes on behind closed doors, dispelling misconceptions of AA as cultlike, secretive, campy, or lowbrow. He then presents a user-friendly history and introduction to AA, explaining the Steps, Traditions, terms, and sayings--all punctuated by honest, often hilarious descriptions of his own struggles and eventual transformation to getting the program.

Narcotics Anonymous 6th Edition Softcover Anonymous,2008-03-15 Written by addicts, for addicts, and about addicts, this is the softcover edition of the book that sets forth the spiritual principles of Narcotics Anonymous that hundreds of thousands of addicts have used in recovery. Just as with alcoholism, there is no cure for narcotic addiction, but recovery is possible through a program adapted from the Twelve Steps and Twelve Traditions of Alcoholics Anonymous. Intended as a complete textbook for every addict seeking recovery, Narcotics Anonymous describes the NA program and how it works. It includes the NA Twelve Steps and Twelve Traditions, as well as many personal stories of people who have found freedom from addiction through Narcotics Anonymous.

Ebby Mel B.,2013-11-05 This is both a fascinating history of the formative years of Alcoholics Anonymous, as well as the bitter-sweet tale of the troubled man Bill W. always referred to as my sponsor. In 1934, Ebby Thatcher called an old drinking buddy to tell him about the happiness he was finding in sobriety. His friend's name was Bill Wilson, and this book is the story of their life-long friendship. It is both a fascinating history of the formative years of Alcoholics Anonymous, as well as the bitter-sweet tale of the troubled man Bill W. always referred to as my sponsor.Deeply informative

and moving, a valuable contribution to the history of A.A. A 'must' reading for anyone interested in one of the more fascinating chapters in A.A.'s history.--Nell Wing, Retired A.A. Archivist and Bill Wilson's Secretary

Daily Reflections A a,Aa World Services Inc,2017-07-27 This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year--one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as Alcoholics Anonymous, Twelve Steps and Twelve Traditions, As Bill Sees It and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from a broad cross section of members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. Daily Reflections has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions even as it presents an introduction for some to A.A. literature as a whole.

Big Book Study Workshop Workbook Aron Schwartz,2016-06-13 The best Big Book workshop workbook available anywhere today is right here in your hands. This time you and your group are going to be taken through the Big Book as thorough as Joe & Charlie , Joe H. and Don P. did in the days of the old. This workbook and workshop format helps to systematically lead you and your group through all 12 steps thoroughly trying to create such an experience within you that you feel a spiritual shift occur in your being. The sole purpose of this is book is to fit ourselves to be of maximum service to God and to our fellows. We feel that we are doing such a service by presenting to you this material. You only need go through it and then share this process with others who would

care so much as to have it. We pray there are many, because we see there are many who need it. So our advice can only be to go through this as thoroughly as you will need in order to prepare yourself to save the live of others who are dying by the thousands as we speak. We are more than a thousand men and women who have recovered from a seemingly hopeless state of mind and body. And we are here to present you with precise instructions for you to recover as well.

The Sober Truth Lance Dodes, Zachary Dodes, 2015-03-17 A powerful exposé of Alcoholics Anonymous, 12-step programs, and the rehab industry—and how a failed addiction treatment model came to dominate America. “A humane, science-based, global view of addiction . . . an essential, bracing critique of the rehab industry and its ideological foundations that we have much to learn from.” —Gabor Maté M.D., author of *In The Realm of Hungry Ghosts* Alcoholics Anonymous has become so infused in our society that it is practically synonymous with addiction recovery. Yet the evidence shows that AA has only a 5-10 percent success rate—hardly better than no treatment at all. Despite this, doctors, employers, and judges regularly refer addicted people to treatment programs and rehab facilities based on the 12-step model. In *The Sober Truth*, acclaimed addiction specialist Dr. Lance Dodes exposes the deeply flawed science that the 12-step industry has used to support its programs. Dr. Dodes analyzes dozens of studies to reveal a startling pattern of errors, misjudgments, and biases. He also pores over the research to highlight the best peer-reviewed studies available and discovers that they reach a grim consensus on the program’s overall success. But *The Sober Truth* is more than a book about addiction. It is also a book about science and how and why AA and rehab became so popular, despite the discouraging data. Drawing from thirty-five years of clinical practice and firsthand accounts submitted by addicts, Dr. Dodes explores the entire story of AA’s rise—from its origins in early fundamentalist religious and mystical beliefs to its present-day place of privilege

in politics and media. A powerful response to the monopoly of the 12-step program and the myth that they are a universal solution to addiction, *The Sober Truth* offers new and actionable information for addicts, their families, and medical providers, and lays out better ways to understand addiction for those seeking a more effective and compassionate approach to this treatable problem.

Grateful to Have Been There Nell Wing, 1994-03-01 Grateful To Have Been There

As recognized, adventure as competently as experience roughly lesson, amusement, as capably as conformity can be gotten by just checking out a books **Aa Speakers Alcoholics Anonymous** in addition to it is not directly done, you could recognize even more vis--vis this life, concerning the world.
