Alcoholics Anonymous Bill W., 2014-09-04 A 75th anniversary e-book version of the most important and practical self-help book ever written, Alcoholics Anonymous. Here is a special deluxe edition of a book that has changed millions of lives and launched the modern recovery movement: Alcoholics Anonymous. This edition not only reproduces the original 1939 text of Alcoholics Anonymous, but as a special bonus features the complete 1941 Saturday Evening Post article "Alcoholics Anonymous" by journalist Jack Alexander, which, at the time, did as much as the book itself to introduce millions of seekers to AA's program. Alcoholics Anonymous has touched and transformed myriad lives, and finally appears in a volume that honors its posterity and impact.

Alcoholics Anonymous Charles Bufe, 1997-12-01 This well researched, painstakingly documented book provides detailed information on the right-wing evangelical organization (Oxford Group Movement) that gave birth to AA; the relation of AA and its program to the Oxford Group Movement; AA's similarities to and differences from religious cults; AA's remarkable ineffectiveness; and the alternatives to AA. The greatly expanded second edition includes a new chapter on AA's relationship to the treatment industry, and AA's remarkable influence in the media.

A Twelve Step Journey to Self Transformation Mark H., Floyd Henderson, 2004 A Twelve Step Journey to SELF-transformation is the true story of two men whose paths crossed and whose lives were changed forever after. The authors reveal how they reached all four levels of healing that Bill W. spoke of:

spiritual sobriety, mental sobriety, physical sobriety, and emotional sobriety.

Ebby Mel B.,2013-11-05 This is both a fascinating history of the formative years of Alcoholics Anonymous, as well as the bitter-sweet tale of the troubled man Bill W. always referred to as my sponsor. In 1934, Ebby Thatcher called an old drinking buddy to tell him about the happiness he was finding in sobriety. His friend's name was Bill Wilson, and this book is the story of their life-long friendship. It is both a fascinating history of the formative years of Alcoholics Anonymous, as well as the bitter-sweet tale of the troubled man Bill W. always referred to as my sponsor. Deeply informative and moving, a valuable contribution to the history of A.A. A 'must' reading for anyone interested in one of the more fascinating chapters in A.A.'s history.--Nell Wing, Retired A.A. Archivist and Bill Wilson's Secretary

The Sober Truth Lance Dodes,Zachary Dodes,2015-03-17 A powerful exposé of Alcoholics Anonymous, 12-step programs, and the rehab industry—and how a failed addiction treatment model

came to dominate America. “A humane, science-based, global view of addiction . . . an essential, bracing critique of the rehab industry and its ideological foundations that we have much to learn from.” —Gabor Maté M.D., author of *In The Realm of Hungry Ghosts* Alcoholics Anonymous has become so infused in our society that it is practically synonymous with addiction recovery. Yet the evidence shows that AA has only a 5–10 percent success rate—hardly better than no treatment at all. Despite this, doctors, employers, and judges regularly refer addicted people to treatment programs and rehab facilities based on the 12-step model. In *The Sober Truth*, acclaimed addiction specialist Dr. Lance Dodes exposes the deeply flawed science that the 12-step industry has used to support its programs. Dr. Dodes analyzes dozens of studies to reveal a startling pattern of errors, misjudgments, and biases. He also pores over the research to highlight the best peer-reviewed studies available and discovers that they reach a grim consensus on the program’s overall success. But *The Sober Truth* is more than a book about addiction. It is also a book about science and how and why AA and rehab became so popular, despite the discouraging data. Drawing from thirty-five years of clinical practice and firsthand accounts submitted by addicts, Dr. Dodes explores the entire story of AA’s rise—from its origins in early fundamentalist religious and mystical beliefs to its present-day place of privilege in politics and media. A powerful response to the monopoly of the 12-step program and the myth that they are a universal solution to addiction, *The Sober Truth* offers new and actionable information for addicts, their families, and medical providers, and lays out better ways to understand addiction for those seeking a more effective and compassionate approach to this treatable problem.

Refuge Recovery Noah Levine,2014-06-10 Bestselling author and renowned Buddhist teacher Noah Levine adapts the Buddha's Four Noble Truths and Eight Fold Path into a proven and systematic approach to recovery from alcohol and drug addiction—an indispensable alternative to the 12-step program. While many desperately need the help of the 12-step recovery program, the traditional AA model's focus on an external higher power can alienate people who don't connect with its religious tenets. *Refuge Recovery* is a systematic method based on Buddhist principles, which integrates scientific, non-theistic, and psychological insight. Viewing addiction as cravings in the mind and body, Levine shows how a path of meditative awareness can alleviate those desires and ease suffering. *Refuge Recovery*

includes daily meditation practices, written investigations that explore the causes and conditions of our addictions, and advice and inspiration for finding or creating a community to help you heal and awaken. Practical yet compassionate, Levine's successful Refuge Recovery system is designed for anyone interested in a non-theistic approach to recovery and requires no previous experience or knowledge of Buddhism or meditation.

If the Tomb Is Empty Joby Martin, 2022-02-08 A beloved pastor and a New York Times bestselling author examine scripture and share inspiring personal stories to help reveal the important role that Jesus' resurrection plays in our everyday lives. The Son of God was crucified, died and buried, and He lay in the tomb for three days—until He walked out shining like the sun. In a culture in which history is erased or rewritten at will, the existence of an empty tomb matters. Why? Because if the tomb is empty—then anything is possible. In his first book, Joby Martin, Lead Pastor of The Church of Eleven22, dives deep into scripture and traces the story of salvation by highlighting the seven mountains throughout scripture where God manifests himself. As he describes each encounter with God, Martin shows us how the interaction on each mountain laid the groundwork for the sacrifice of Christ on Calvary, and shows what God revealed about Himself in the process. He illuminates seven familiar passages, unveiling how God's plan for Christ's sacrifice is threaded throughout scripture, and shows why Christ's resurrection—impossible, unbelievable—means that nothing is too hard for our God. Ultimately, he asks readers, Do you live every day of your life as if the tomb is empty—or as though Jesus is still hanging on that cross? Written with New York Times bestselling author Charles Martin, *If the Tomb is Empty* is an insightful and spiritually rich examination of what the miracle of Christ's resurrection means for all of us.

From Dope to Hope Tim Ryan (Businessman), 2017-03-15 This is the addict's journey: how it happens, how it progresses, and how it ends. Fortunately, this is also the journey of recovery: how it happens, and how it blossoms. There is always hope. --Dr. Drew Pinsky, M.D. Heroin addiction didn't make Tim a better person. It stole more than half of his life. But he's dedicated every waking minute since walking out of prison to dealing hope to addicts and their families. By his own account, Tim Ryan shouldn't be here. But as he states, Where there is life, there is hope. Known as The Hope Dealer, Tim is a successful entrepreneur, grateful recovering heroin addict and alcoholic, nationally ranked barefoot water skier--and truth-talking, convicted felon.*As a business leader in a high-tech industry, Tim made and lost millions. *As a father and husband, Tim introduced his own son to deadly drugs. *As a heroin addict, Tim is a walking miracle. He's overdosed eight times, was pronounced clinically dead three, and suffered two minor heart attacks. He's been arrested more than ten times and served prison time alongside known gang leaders--many of whom became his closest confidants in recovery.*As the founder of A Man in Recovery Foundation and motivational speaker, Tim's mission is to help one addict at a time transform their lives from dope to hope. Tim has been a featured thought leader in numerous national media, including USA Today, Newsweek, and The Steve

Harvey Show with Dr. Drew, and dozens of nationally syndicated radio shows. He was an invited guest by the U.S. President to the 2016 State of the Union Address. This story chronicles Tim's grueling journey into addiction, loss, and recovery. Sit with Tim in his prison cell. Walk with him as loved ones are torn from his reach. Rejoice with him as lives are miraculously recovered.

Daily Reflections A a,Aa World Services Inc,2017-07-27 This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year--one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as Alcoholics Anonymous, Twelve Steps and Twelve Traditions, As Bill Sees It and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from a broad cross section of members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. *Daily Reflections* has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions even as it presents an introduction for some to A.A. literature as a whole.
