Alcoholics Anonymous Bill W., 2014-09-04 A 75th anniversary e-book version of the most important and practical self-help book ever written, Alcoholics Anonymous. Here is a special deluxe edition of a book that has changed millions of lives and launched the modern recovery movement: Alcoholics Anonymous. This edition not only reproduces the original 1939 text of Alcoholics Anonymous, but as a special bonus features the complete 1941 Saturday Evening Post article "Alcoholics Anonymous" by journalist Jack Alexander, which, at the time, did as much as the book itself to introduce millions of seekers to AA's program. Alcoholics Anonymous has touched and transformed myriad lives, and finally appears in a volume that honors its posterity and impact.

*Daily Reflections* A a, Aa World Services Inc, 2017-07-27 This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year--one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as Alcoholics Anonymous, Twelve Steps and Twelve Traditions, As Bill Sees It and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from a broad cross section of

members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. Daily Reflections has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions even as it presents an introduction for some to A.A. literature as a whole.

**Writing the Big Book** William H. Schaberg, 2019-09-24 The definitive history of writing and producing the Big Book of Alcoholics Anonymous, told through extensive access to the group's archives. Alcoholics Anonymous is arguably the most significant self-help book published in the twentieth century. Released in 1939, the "Big Book," as it's commonly known, has sold an estimated 37 million copies, been translated into seventy languages, and spawned numerous recovery communities around the world while remaining a vibrant plan for recovery from addiction in all its forms for millions of people. While there are many books about A.A. history, most rely on anecdotal stories told well after the fact by Bill Wilson and other early members—accounts that have proved to be woefully inaccurate at times. Writing the Big Book brings exhaustive research, academic discipline, and informed

insight to the subject not seen since Ernest Kurtz's Not-God, published forty years ago. Focusing primarily on the eighteen months from October 1937, when a book was first proposed, and April 1939 when Alcoholics Anonymous was published, Schaberg's history is based on eleven years of research into the wealth of 1930s documents currently preserved in several A.A. archives. Woven together into an exciting narrative, these real-time documents tell an almost week-by-week story of how the book was created, providing more than a few unexpected turns and surprising departures from the hallowed stories that have been so widely circulated about early A.A. history. Fast-paced, engaging, and contrary, Writing the Big Book presents a vivid picture of how early A.A. operated and grew and reveals many previously unreported details about the colorful cast of characters who were responsible for making that group so successful.

**The Book That Started It All** Anonymous,2013-09-03 An extraordinary reproduction of the original working manuscript of the Big Book of Alcoholics Anonymous, with an introduction and notes by a panel of celebrated AA historians. The Book That Started It All offers fresh insights into the history and foundation of the revolutionary Alcoholics Anonymous program. Reproduced in this elegant gift edition, the original working manuscript is the missing link in our understanding of what transpired between AA founder Bill Wilson's first draft of Alcoholics Anonymous and the first published edition. In January 1939, Wilson and other AA founders distributed 400 copies of his typed manuscript to everyone they could think of who might be concerned with the problem of alcoholism, to test out the program. As the loan copies were returned, suggestions for revision were considered and written out in colored pencil on one master copy that was eventually submitted for publication. The many changes made in black, green, and red on page after page are shown here in their original form, revealing the opinions, debates, and discussions that went into making the Big Book.

**Beginners' Book** Aa Grapevine,2008 Full of useful suggestions, insights and solutions for newcomers, this book features stories by AA members about what helped them get sober and successfully navigate early sobriety.
