Backpacker ,2004-03 Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

The Camper Book Dave Hoekstra,Jon Sall,Jeff

Daniels,2018-06-01 The Camper Book will captivate all those who dream of waving good-bye to the rat race from the window of their own moveable home, be it a camper, RV, travel trailer, camper van, or tiny camper. Not just for placid retirees anymore, camper culture has sprung up among simplicity-seeking millennials, retro-loving glampers, sports and movie stars, aging hippies, contract workers, road-schoolers, and others. Award-winning journalist Dave Hoekstra hit the road in his own custom camper van, named Bluebird, to explore the history, culture, subcultures, and future of

camper life. Traveling and talking his way through US campsites, RV parks, landmarks, and communities, Hoekstra draws out revealing stories from all walks of life—from Americans who are downsizing material goods while upsizing spiritual pursuits to RV enthusiasts such as Grammy-winning singer-songwriter John Prine and Chicago Cubs manager Joe Maddon. A modern-day Studs Terkel, Hoekstra provides a delightful mix of oral history, in-depth reporting, and practical information, while photographer Jon Sall's beautiful color photographs illuminate the unique people, places, and rigs that typify camper life.

Apple James Rich, 2019-08-08 Who doesn't love apples?

Grown, harvested and eaten for centuries, apples play an important role in everyday life and are enjoyed in a huge variety of ways.

Author James Rich hails from apple country in Somerset, England, where his family own a cider farm. Apples, it could be said, are in his blood, this is a collection of over 90 of his best-loved recipes.

Try your hand at a summery Crunchy apple, cherry and kale salad, a comforting Slow-roasted pork belly and pickled apple, and an

Ultimate apple crumble, all washed down with a Cider and thyme cocktail. James uses whole apples as well as cider, apple juice, cider brandy and cider vinegar to add depth to his dishes. Apples can be delicate and complementary, floral and simple or they can be bold, sharp and stand out from the crowd. Set to the backdrop of his family's stunning apple, Apple is a celebration of this humble fruit.

Lateral Cooking Niki Segnit, 2019-11-05 A groundbreaking handbook--the method companion to its critically acclaimed predecessor, *The Flavor Thesaurus*--with a foreword by Yotam Ottolenghi. Niki Segnit used to follow recipes to the letter, even when she'd made a dish a dozen times. But as she tested the combinations that informed *The Flavor Thesaurus*, she detected the basic rubrics that underpinned most recipes. *Lateral Cooking* offers these formulas, which, once readers are familiar with them, will prove infinitely adaptable. The book is divided into twelve chapters, each covering a basic culinary category, such as Bread, Stock, Soup & Stew, or Sauce. The recipes in each chapter are arranged on a continuum, passing from one to another with just a tweak or two to the method or ingredients. Once you've got the hang of flatbreads, for instance, then its neighboring dishes (crackers, soda bread, scones) will involve the easiest and most intuitive adjustments. The result is greater creativity in the kitchen: *Lateral Cooking* encourages improvisation, resourcefulness, and, ultimately, the knowledge and confidence to cook by heart. *Lateral Cooking* is a practical book, but, like *The Flavor Thesaurus*, it's also a highly enjoyable read, drawing widely on culinary science, history, ideas from professional kitchens, observations by

renowned food writers, and Segnit's personal recollections. Entertaining, opinionated, and inspirational, with a handsome three-color design, *Lateral Cooking* will have you torn between donning your apron and settling back in a comfortable chair.

Lady Father Susan Bowman, 2011-05 *Lady Father* is a narrative account of my journey through the ordination process in the Episcopal Diocese of Southern Virginia of the 1980's and the subsequent years of ordained ministry. As the first female admitted to the ordination process by the Rt. Rev. C. Charles Vach, 7th Bishop of Southern Virginia, who was then a strong and vocal opponent of the ordination of women, I was a reluctant pioneer. Dubbed the Lady Father, I have served the church for 25 years and I am now offering my experiences and the insights I learned from them to others who feel a similar call and who may find themselves on a similar journey against the flow. *Lady Father* is filled with anecdotes that will ring true with many clergy, bring hope to those aspiring to ordination, and shed light on the continuing debate in the Church over who should be ordained. The Process described in the book is a journey most clergy have traveled, but my story is a unique blend of the obstacles, denials, and rejections I faced and overcame, along with the uplifting moments and

spiritual growth that came out of the struggle. It is truthful and so, at times, it is painful; it is often light-hearted, even humorous; it is moving as it deals with real people, real events, and real emotions; and, most of all, it is mine - my story, my journey, my life.
