Kode and Aara 2 KC Mills,2019-06-14 It's bad enough when enemies try to take you down, but when it is family, you're torn between loyalty and self-preservation. Dakota learned a hard lesson when he realized that he was protecting himself from the wrong people. His worst enemies couldn't compete with the snakes in his bloodline. Aara finds herself stuck between feelings that she can't deny and a need for self-worth. Sometimes life is complicated in ways that the heart can't handle so you have to make the tough choices that could potentially shatter the depths of your soul. Preston finds himself falling, and he isn't sure how to handle it. Love isn't something he needs, or so he thinks, but Evvy seems to keep inching her way closer to the one thing he assumed was never accessible in the first place. His heart! With a family of snakes and a lifetime of lies, Dakota quickly realizes just how little he knew the ones who claimed to love him the most. The truth is supposed to set you free, but in his case, it's holding him hostage to a life he never really wanted. Will he shake the restraints and find his peace, or will he be bound to a life that has no way out and no happy ending?

Kode and Aara KC Mills,2019-05-09 Dakota Moretti has it all, money, power, respect, and a daughter whom he loves like no other. His legacy has been handed down to him by birthright whether he likes it or not, so he steps up like the legend he is destined to be and handles his business in the streets. With all of his power, he finds himself attached to a disloyal, treacherous woman and a void in his heart that is only partially filled with the love he has for his princess. Is he destined to never find a love of his own, or will he stumble into the last thing he was looking for when he least expects it? Aara has lost it all. Her entire family was taken away in the blink of an eye. She finds herself building a wall around her heart, only allowing enough space to deal with people that she is unable to build relationships with. The only light in her life is her work and her best friend until an innocent day at the coffee shop brings the very unexpected into her life. Neither Dakota nor Aara are looking for love, but when they find themselves in the same space, sparks fly, and the pull is too strong to keep them apart. As much as Aara fights the pull, she just can't seem to stop her heart from wanting what it wants, and that's Kode. Life is messy, and sometimes love just isn't enough. Find out if love conquers all or if these two are destined to never find an everlasting love that lasts a lifetime.

Aara Vandana Rajan,2021-01-14 Idyagas, the race of protectors who maintain the earth's elemental balance with their magical powers, have ruled the secret realm of Rakshaya since the beginning of time. But now they are close to annihilation with their many enemies, grown stronger over time, closing in on them. Every Idyaga awaits the birth of their Aara, the one who will restore the righteousness of the realm. When Samyuktha, the widowed queen of Dravyana, the most powerful Idyaga kingdom, gives birth to twin girls - Anaya and Dyuthi - where one of them is born with the star sign of the Aara, unseen chaos breaks through the realm. Will the princesses be able to bring forth the prophesied righteousness? Will they be able to live up to their mother's name, whose valour had made her greater than the Gods of Rakshaya? Or will the age-old prophecy turn futile with the many wrongs of the land?
