**The Dark Castle** Abigail Ford,2020-09-17 One man could save humanity from themselves, but only if he stops wallowing in his castle first. In the land of Heimurinn, the religious Order of the Ancient Ones have ruled over the people for centuries. They are driven by their obsession with perfection and the belief that the only way to obtain true peace and harmony among all people is for perfection to be achieved by all. But there are some that disagree... Hidden away in a magical castle that is disguised as an abandoned ruin is Victor Tulms, a man who is everything the Ancient Ones hate. His face is scarred from burns, his personality is eccentric and wild. Once upon a time, Victor led a one-man rebellion against the Ancient Ones, but now he is nothing but a depressed hermit with no purpose and no direction. That is, until two old friends knock on his front door, asking for his help. Their request seems simple enough, but just like Victor's castle, nothing is as it seems. A clean fantasy adventure set in a medieval fantastical world. Magical creatures, meaningful morals, and fun banter included.

Sacred Contracts Caroline Myss,2013-09-04 Caroline Myss, author of the New York Times bestsellers *Anatomy of the Spirit* and *Why People Don't Heal and How They Can*, presents an exciting, highly original program in this long-awaited book. Based on her internationally popular workshop of the same name, *Sacred Contracts* is a brilliant synthesis of psychology, healing guidance, and spiritual insight. As a medical intuitive, Myss has found that people often don't understand their purpose in life, which has led to a spiritual malaise of epidemic proportions. This metaphysical disease in turn leads to depression, anxiety, fatigue, and eventually physical illness. But our purpose—our individual Sacred Contract—is often difficult to apprehend. For this reason, Myss developed an enjoyable and ingenious process for deciphering your own Contract using a new theory of archetypes that builds on the works of Jung, Plato, and contemporary thinkers. She first recounts how the concept of Sacred Contracts took form in myths and other cultural traditions through the ages. She then examines the lives of the spiritual masters and prophets—Abraham, Jesus, the Buddha, and Muhammad—whose archetypal journeys illustrate the four stages of a Sacred Contract and provide clues for discovering your own. With her signature motivational style and stories, Myss explains how you can identify your particular spiritual energies, or archetypes—the gatekeepers of your higher purpose—and use them to help you find out what you are here on earth to learn and whom you are meant to meet. In coming to know your archetypal companions, you also begin to see how to live your life in ways that make the best use of your personal power and lead you to fulfill your greatest—in fact, your divine—potential. In this process, you learn how to see your life—and the lives of others—symbolically, allowing you to manage your personal power without getting caught up in emotional drama. You will also learn how to fulfill your Sacred Contract: what you and only you are here on earth to do. Finally, Myss offers specific guidance for locating your physical and emotional vulnerabilities and healing any susceptible areas. Both visionary and practical, *Sacred Contracts* is a completely unique process of self-discovery and spiritual archaeology and a bold, powerful work of spiritual wisdom.

*Grim Reaper* Drac Von Stoller,2012-01-26 I knew this day would come but I didn't think it would be so soon. I peered through the curtains of my bedroom window listening to the howling wind and watched as the lightning lit up the sky. My heart was beating like a base drum. Something about this night was like no other night I have ever experienced that overwhelmed me with great fear of the unknown. Then I noticed in the distance a carriage barreling down the castle road at such a great speed. The closer the carriage got to the castle the more my fear grew. I could tell it was just a matter of minutes when death would knock upon my door. Just as the carriage pulled up to the front of the castle's gate my heart was telling me not to answer the door. I knew in my heart when destiny knocks upon your door there's no stopping a good or evil presence. Then the black figure stepped down from the carriage slowly walking to the front door of the castle and with three loud knock's on the door, I calmly walked down the castle stairs to

the front door shaking like a leaf to see who was at my front door.

The very last thing he expects or needs is the prickly necromancer that the Goddess herself bids him cooperate with to solve the mysterious murder. A man who communes with the dead... Koray has been alone all his life, cursed since he was young to be a necromancer, a branch of magic long considered an abomination, forcing him and the other necromancers to live apart, subject to abuse and other cruelties. Secrets that threaten to tear a kingdom apart... *The Arthur of the Welsh* ,2020-10-15 Little, if anything, is known historically of Arthur, yet for centuries the romances of Arthur and his court dominated the imaginative literature of Europe in many languages. The roots of this vast flowering of the Arthurian legend are to be found in early Welsh tradition, and this volume gives an account of the Arthurian literature produced in Wales, in both Welsh and Latin, during the Middle Ages. The distinguished contributors offer a comprehensive view of recent scholarship relating to Arthurian literature in early Welsh and other Brythonic sources. The volume includes chapters on the 'historical' Arthur, Arthur in early Welsh verse, the legend of Merlin, the tales of Culhwch ac Olwen, Geraint, Owain, Peredur, The Dream of Rhonabwy and Trystan ac Esyllt. Other chapters investigate the evidence for the growth of the Arthurian theme in the Triads and in the Historia Regum Britanniae of Geoffrey of Monmouth, and discuss the Breton connection and the gradual transmission of the legend to the non-Celtic world. The volume, which is unique in offering a comprehensive discussion of the subject, will appeal widely to medievalists, to Welsh and Celtic scholars, and to those non-specialists who have felt the fascination of the figure of Arthur and wish to know more.
