Learn to Spell 500 Words a Day Camilia

Sadik, 2013-12 Learn to Spell 500 Words a Day is a book in 6 volumes: A, E, I, O, U, and Consonants. Vowels rule English and they cannot be avoided. Hence, each vowel is dissected and isolated in a volume and The Consonants is the 6th volume. Having 100 Spelling Rules applied in 600 Phonics-based Spelling Lessons, Children and Adults Learn to Spell Hundreds of Words at a Time! Guaranteed! The Vowel E book is for Children and Adults who can read but cannot spell the words that they read. It can be used in schools from the 4th grade and up, or as a self-help book without the help of a teacher. Dyslexia in spelling and in writing letters in reverse ends, after learning to spell and after slowing down to write words slowly. The vowel e has seven sounds we call phonics, which are spelled in 17 ways we call spelling patterns. Every sound and spelling pattern of the vowel e is presented in this book, as in these examples: [Short e: red, bread] [Long e: meat, meet, Pete, chief, belief, monkey, lucky, he, ski, elite] [Minor sounds of e: enough, eight, break, cake] [Schwa sound of e: poet] The Vowel E book contains 59 comprehensive and detailed phonics-based spelling lessons. Each lesson begins with a logical spelling rule, followed by a list of nearly all the words that follow that rule, followed by a nonsensical story that contains most

of the listed words, and students are asked to read aloud slowly to memorize the spelling of hundreds of words at a time. Sample of the nonsensical stories to memorize phonics in words: The monkey, turkey, and donkey drank whiskey in Turkey. The monkey, turkey, and donkey played hockey with the disk jockey that had a key to the zoo. Rickey who is a jockey at the racetrack laughed at this malarkey. Etc. The author, Linguist Camilia Sadik spent 15 years intensely dissecting English, discovering over 100 spelling rules, applying the spelling rules in 600 phonics-based spelling lessons, class-testing her discoveries and preparing 10 breakthrough learning books for children and adults to read and spell hundreds of words at a time. The 30 unique learning features in Sadik's books make learning to read and spell phonics inescapable. Sadik worked hard to make spelling easy and possible for all ages and all types of learners. Hands to Spell-read-write Angela M.

Foster, Joseph Martin Kronheim, 2014-05-20 This simple spelling workbook contains 123 two letter words in the English language. It's designed to begin teaching spelling on a level that encourages confidence. Since two letter words are the easiest to learn to spell, read and write it's a great place to start. It also lays the ground work for larger words to be learned in the future because most larger words have smaller words in them. Example: the two letter word he is also in the words of the, hem, them, etc. On each word page, the activities are: 1. Color the letters of the

word at the top of the page.2. Learn the spelling in ASL Manual Alphabet.3. Trace the word on the 3 different font types: Bubble, dotted manuscript, and dotted cursive.4. Use the Braille Alphabet to "write" the word in Braille.5. Check the box in front of dictionary after you have looked up the word and learned its meaning. Do the same for the ASL/SEE sign.6. Make up a sentence using the word, then write it.7. Once the word is mastered, move to the next page and repeat instructions 1-7. Spelling quizzes are placed throughout. If the spelling quiz is not passed with a 100% correctness, go back over the words that were wrong until mastery is achieved before moving on.

Spelling Rules and Patterns for Ages 10-11: to Learn, Improve and Have Fun with Spelling and Writing Joanne Rudling,2018-08-03 For British

spellings focusing on KS2 curriculum requirements. This colourful, fun book is ideal for kids (including dyslexics) who are struggling with spelling and phonics by systematically focusing on areas that other spelling books and schemes ignore: □ improving visual memory, □ using memory tricks, □ noticing letter patterns, □ knowing spelling rules & exceptions, □ building words with prefixes and suffixes, □ understanding the history of spelling and why spelling is the way it is. Using a combination of well-known, proven literacy techniques and spelling strategies, this book will help kids learn, remember, and improve their spellings while reinforcing and building: * spelling knowledge, * confidence, * love of spelling and writing. The book is a great resource for teachers and tutors, too, because it explains why these tricky spellings are the way they are, including the rules and history of them - so you can answer those awkward questions about them. The book also provides some great ideas for exercises, group work, and games in the classroom.

Reviews/feedback
Graham J Spooner of The Sensible Tuition Company
I enjoyed reading through the first little section actually with the 'tricks and tips' for how to develop your spelling. This is exactly the sort of thing that my students are asking me for advice on regularly - and there are a lot of things in here that I know will be directly useable in lessons. I like the gap filling exercises - again, something like this makes the book a GREAT resource for a tutor or teacher as we could lift/adapt these exercises for 1:1 work. I like the way you've really opened up the material

with the word lists. Again (speaking from the perspective of a private tutor) I think this is particularly useful as a resource to test a student's understanding (perhaps bringing these words into a game of hangman or other gap fill exercises). The grammar bits were quite memorable, I like your no-nonsense approach and voice that you have here. It's just useful stuff delivered without unnecessary padding but still accessible! I think that overall the book definitely fills a 'gap' by getting students actually looking at words, decoding them and building their intuition about how they are made, remade and deconstructed. It's also got a nice balance in its content in that it is accessible to a student at 10-11, but also useful for a tutor to adapt and create exercises from without much stress. I really like the use of colour throughout. I also really enjoyed the history bits too (e.g. about Latin roots of words) - very interesting. From Jessica and Roman McA. My son didn't lose concentration and worked for 20 mins without one single complaint. He really liked the word searches. He said writing sentences and drawing pictures was fun. He also liked filling in the missing letters, which I think is a brilliant way of really taking in the sequence of the letters. Roman scored really well on the tests, which is pretty good considering he hates spelling!
