The Art and Science of the Hotel Concierge Holly Stiel, Lin Ivie, American Hotel & Lodging Association, American Hotel and Lodging Association, Educational Institute Staff, 2013-03-27

Concierge Confidential Michael Fazio, Michael Malice, 2011-02-01 New York City's top concierge gives up a keyhole view into the luxe hotel rooms, private dining and dressing rooms of the ridiculous, rich and demanding Michael Fazio is the ultimate behind-the-scenes support man. Want two orchestra tickets to the Broadway musical that just won the Tony? Call Fazio. How about an upgrade to first class on an overbooked overnight flight to Tokyo? Call Fazio. Or a roomful of fresh hydrangeas—in winter? That's right. Call Fazio. From his early start as the harried and neglected personal assistant to a typical L.A. casting agent, Fazio took what he learned there and moved into concierge work at New York City's Intercontinental Hotel, where he was eventually able to parlay his services into a large and successful business of his own. In *Concierge Confidential*, Fazio reveals the behind-the-scenes madness that goes into getting the rich and famous what they want, and shares some great insider knowledge on how to get access to the unattainable without making the concierge, waiters and other service people crazy. A few of Fazio's tips include: • When and how much to palm in tips • How to get a seat or ticket to the hottest thing in town • How to avoid being labeled a rube the minute you walk through the door • How you can become your favorite store or restaurant's most beloved customer • And much more

Handbook of Concierge Medical Practice Design Maria K. Todd, 2014-12-10 In concierge medicine, physicians develop amenities-rich membership programs and collect a monthly or annual membership fee to pay for the amenities in addition to the medical services rendered. *Handbook of Concierge Medical Practice Design* examines the many considerations physicians must make prior to transitioning their practices into concierge

services. Maria K. Todd, a recognized expert in concierge medicine, branding, consulting, healthcare, marketing, medical tourism, planning, and physician practice administration, explains how to set up a concierge practice. She describes how this new business model affects workflow and outlines financial considerations—including managed care payer relations, the hybrid practice, and predictive modeling—to uncover the hidden factors that affect bottom-line performance. The book supplies readers with models for creating a business plan and a strategy for transforming a practice into a concierge practice. It concludes by covering the legal aspects of creating a concierge practice. It includes patient acquisition and retention strategies as well as detailed plans for adding additional doctors and physician extenders, such as nurse practitioners and physician assistants. The book provides sample employment contracts and advice on how to select and work with consultants. It includes chapters on business process re-engineering, workflow management, financial considerations, competitive analysis, developing a business plan, and how to market the new practice.

Service Extraordinaire David Winter, 2017-12-15 Concierge medicine represents a relatively novel health care delivery model that is becoming more appealing both to providers and patients because of its potential to improve quality and value in health care. A gap exists in the current literature regarding the benefits and challenges associated with concierge medicine as well as best practices for developing and sustaining a successful, patient-centered concierge practice. This book aims to close the gap by discussing the role of concierge medicine in the context of the evolving U.S. healthcare system and the changes produced by the Affordable Care Act. It will address questions about affordability, access, quality, value, communication, technology, and patient-centered care, and will include real-world best practice examples from a successful concierge medicine practice.

How May We Hate You? Anna Drezen, Todd Dakotah

Briscoe,2016-05-17 Most people think hotel employees are effortlessly cheerful, naturally helpful, and genuinely like their work. Most people are wrong. Find out what really goes on in the world of hospitality with this hilarious book full of funny and absurd stories, anecdotes told in dialogue, factoids, and hoax pop quizzes by two veteran concierges who paid their way while working at a combined 50 hotels in and around Times Square. They are very pleased to help you learn: · The Truth About Bed Bugs · The Mythology of “Loyalty Programs” · The 411 on Hotel Residents · And so much more Filled with photographs and infographics, *How May We Hate You?* is both romp and commentary on the hospitality industry and life behind the nametag.

Physician Services A. Bruce Steinwald (au),2005-11
Concierge care (CC) is an approach to medical practice in which physicians charge their patients a membership fee in return for enhanced services. The recent emergence of CC has prompted fed. concern about how the approach might affect beneficiaries of Medicare, & some disabled individuals. Concerns include the potential that membership fees may constitute additional charges for services that Medicare already pays physicians for & that CC may affect Medicare beneficiaries' access to physician services. This report identified 146 concierge physicians & surveyed them in Fall 2004. Reviewed relevant laws & policies on access to physician services & interviewed officials at the HHS & rep. of Medicare beneficiary advocacy groups. Charts & tables.

Concierge Medicine Steven D. Knope,2010-09-16 At a time when Americans are debating the pros and cons of recent health care reforms, Concierge Medicine offers an alternative to save primary care medicine. Here, the author outlines an increasingly popular, though controversial, system that offers a high level of care to patients who still need and value a relationship with their personal physician. Dr. Knope introduces concierge medicine, which encourages patients to contract directly with physicians for

personalized care that is not determined by insurance coverage but rather by the patient and doctor together. For those considering an individualized health care model that can be more affordable, cost effective and straightforward, Dr. Knope offers practical advice for finding, interviewing, and contracting with a concierge doctor.

Physician Services United States. Government Accountability Office, 2005

Concierge and Lifestyle Manager Manual Desiree Ertuly,

You Want WHAT??? Concierge Tales from the Men and Women who Make Las Vegas Dreams Come True Mariann Mohos, 2016 Ding ...Every time the bell rings at a concierge's desk, you never know the story that will follow... especially in Las Vegas, City of Sin. Will a request be awkward and embarrassing or sweet and lighthearted? A concierge never knows until the... ding. *You Want WHAT???* is a lighthearted glimpse into the lives of dozens of Las Vegas concierges. This collection of true stories range from sweet to sad to downright outrageous. Don't worry, we don't name names or get too explicit... what happens in Vegas, stays in Vegas. For the most part, anyway. :) What stands out about this book and its collection of true stories told in the voice of various Las Vegas concierge is the complete lack of sarcasm. It's humorous and witty without having to resort to putting people down for their lack of knowledge or odd requests. It's that good-natured, upbeat, even professional approach to presenting these stories that make this book so likable. ~ Yiftach *You Want WHAT???* entertainingly showcases Vegas concierges at their finest. In Las Vegas we make dreams come true. ~ Oscar Goodman, former Las Vegas Mayor This is the perfect gift for friends and family who love Vegas, or for someone considering vacationing there. Order today and take a journey through the concierge's life on the Strip!

Concierge Medicine David Winter, 2018-04-15 Concierge medicine represents a relatively novel health care delivery model

that is becoming more appealing both to providers and patients because of its potential to improve quality and value in health care. A gap exists in the current literature regarding the benefits and challenges associated with concierge medicine as well as best practices for developing and sustaining a successful, patient-centered concierge practice. This book aims to close the gap by discussing the role of concierge medicine in the context of the evolving U.S. healthcare system and the changes produced by the Affordable Care Act. It will address questions about affordability, access, quality, value, communication, technology, and patient-centered care, and will include real-world best practice examples from a successful concierge medicine practice.

The Concierge Life Kellyann Schaefer, 2017-11 You want to do more than just run a concierge business. You want to live the Concierge Life! But first, you need to know the truth about what it takes to create a successful concierge business—and it may not be what you think. In this book, we'll tackle the big issues that concierge businesses face every day, like: • The six false beliefs that will kill your dream—and maybe your business, too! • Your #1 job as a concierge. (Hint: it's not serving your clients!) • How to manage your mindset so little setbacks don't become big barriers. • How to identify (and market to) your real ideal clients. This is your guide to creating a thriving concierge business and living the dream. Are you ready to start creating your awesome Concierge Life?

Ultimate Service Holly Stiel, Delta Collins, 1994 For courses in hotel management and service, this sourcebook covers the job of the concierge. It includes topics such as building relationships, telephone manner, handling irate customers and organizing the concierge department. Emphasis is placed on service and wider responsibilities.

You Want What Mariann Mohos, 2011-03-31 Ding ... Every time the bell rings at a concierge's desk, you never know the story that will follow... especially in Las Vegas, City of Sin. Will a

request be awkward and embarrassing or sweet and lighthearted? A concierge never knows until the... ding. You Want WHAT is a lighthearted glimpse into the lives of dozens of Las Vegas concierges. This collection of true stories range from sweet to sad to downright outrageous. Don't worry, we don't name names or get too explicit... what happens in Vegas, stays in Vegas. For the most part, anyway.:) What stands out about this book and its collection of true stories told in the voice of various Las Vegas concierge is the complete lack of sarcasm. It's humorous and witty without having to resort to putting people down for their lack of knowledge or odd requests. It's that good-natured, upbeat, even professional approach to presenting these stories that make this book so likable. Yiftach You Want WHAT entertainingly showcases Vegas concierges at their finest. In Las Vegas we make dreams come true. Oscar Goodman, former Las Vegas Mayor This is the perfect gift for friends and family who love Vegas, or for someone considering vacationing there. Confessions of a Concierge Bonnie G. Smith, 1987-09-10
Shares the memories of a Parisian woman about turn-of-the-century France, World War I, and the period between the wars

The Great CONCIERGE Valerio A. Simula, 2015-12-18 If you are currently working in the hospitality industry as a concierge or any other field or perhaps aspiring to do so, then this is an invaluable resource guide for you. The Great Concierge is an amazing book that teaches you how to excel when working in the hotel industry and how to become not just a concierge, but a great concierge. You will learn from the best in the field - men with several years experience, who have seen and done it all. The book is detailed and exciting and provides information from the simplest to the most challenging areas of the profession. It takes you into the world of the concierge and teaches you how and what to do to be successful in your career and live a fulfilling life.

The Concierge McDowell Bryson, Adele Ziminski, 1992-07 Of

all the staff members in the hotel and hospitality industry the concierge is the one who has the most personal contact with the guests. Written to teach the American student the intricacies of the concierge profession, it provides basic information, based on years of experience, of what the daily functions of the concierge are and how to perform them.

The Concierge Manual Katharine C. Giovanni, Ron Giovanni, 2009-09 Answering some of the biggest questions about the logistics of running a concierge business, this guide provides all the tools necessary to create a successful concierge, lifestyle management, errand service, or personal assistant company. From on-site, lobby, or corporate concierge services to more individual-oriented businesses, everything from the basics of starting a new company to sales and marketing tips are covered here in a simple, step-by-step format.

Creating a Concierge Service for Seniors Debra Hadsall, 2013-10-21 This is an experience based guide on how to create a concierge service for seniors (senior citizens, aged, elderly) to help others and make money. A concierge service can be a small business with a part-time income for someone who values helping seniors remain independent, or can develop into a full-time business and income.

The Private Concierge Suzanne Forster, 2012-07-01 L.A.'s rich and powerful rely on Lane Chandler's company, The Private Concierge, to anticipate their every whim and to guarantee unparalleled discretion. But then one of Lane's celebrity patrons is found murdered in the most undignified manner imaginable. In rapid succession, three other prominent clients become embroiled in separate scandals, thanks to what looks like a security breach of TPC's communications systems. As word gets out, clients drop Lane like last week's gossip. She's bent on keeping TPC's name out of the papers, but when former police officer Rick Bayless starts nosing around, she has more to worry about than bad PR. Rick knows about Lane's shadowy past, and he's certain she's

hiding new secrets. With no other options, Lane must face a dangerous conspirator who knows more about her every move than she does.

Eventually, you will entirely discover a additional experience and carrying out by spending more cash. nevertheless when? attain you agree to that you require to acquire those all needs considering having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to comprehend even more in the region of the globe, experience, some places, later history, amusement, and a lot more?

It is your very own become old to feint reviewing habit. among guides you could enjoy now is **Abd Concierge** below.
