**A Stranger Comes to Town** Abra SW,2015-01-05 An aetheric chain-reaction sends a wave of death rolling around the world, warping living beings and aether-based technology alike. In one afternoon, trains go from being the power that pushed civilization out to the frontier, to being very expensive sheds of scrap metal, filled with rotting produce and dying cattle. Cities go hungry. The farmers are in hardly better shape than their former customers in the city. Some trees bear withered fruit, while gobbets of exploded fruit flesh drape the limbs of others. One wheat stalk might be strong and firm, but its neighbor disintegrates to dust at a touch. Harvesting crops takes more work, but yields less food. People try not to starve, using a variety of tactics. The Loyale traveling circus survives the aether storm mostly unscathed. When the circus comes to Seppanen Town, all seems well until a ragged fugitive plunges into their camp and begs for sanctuary.

A Circus of Brass and Bone Abra SW,2015-01-15 It's the end of civilization, but the show must go on. The Loyale Traveling Circus

and Menagerie is in turmoil. During their ocean voyage from British India to Boston, someone murdered their ringmaster. The killer must be one of their own. Unfortunately, that is the least of their problems. While they were at sea, an aetheric calamity sent a wave of death rolling across the world. In post-Civil War America, a third of the population died outright, and many of the survivors suffer strange nervous symptoms that are steadily increasing in severity. Basic technology is also rendered dangerously unstable by the disaster. The circus members find themselves traveling through the collapse of civilization. In such desperate times, what use is a circus? If they can defend themselves against the starving populace, if they can outwit and outperform the political factions that have seized power, if they can fight off the ravaging monstrosities born of the aether storm ... they just might find the answer.

However Abra also discovers the relief organizations that rescue orphaned elephants and help protect them in the wild.
