**John Bohannon**

**Abracadabra** David Kranes, 2017-11-01 *Abracadabra* is a fantastical and inventive addition to the tradition of noir writing, which not only delights and surprises at every turn but also raises important questions about identity, the human condition, the nature of evil, and the state of the union. The novel begins with a mystery, when Mark Goodson, a seemingly well-adjusted married man, disappears during a magic act, precipitating a series of events, encounters, and seemingly inexplicable occurrences, which it falls to a former professional football player, Elko Wells, to weave together into a story that is at once compelling and true. The concussion that ended Wells' playing career left him open to hearing voices and discerning patterns of meaning helpful to his work as the owner of a missing-persons agency. He also owns a celebrity look-alike agency, which complicates matters in humorous ways, and his reliance on a string of cocktail waitresses called the Bloody Marys who are on the lookout for various people adds another level of intrigue. Magicians and misdirection, gambling, down-on-one's-luck, the crazed sense of possibility and impossibility, mistaken identity, impersonators and body doubles, people acting bizarrely with all sorts of chaos, collisions, and overlaps thrown in for good measure. Again and again the reader is swept into treacherous waters, always confident that the writer is in control of his material. Because the many twists and turns the plot takes are all but impossible to anticipate, the experience of reading *Abracadabra* is deliciously magical.

*The Trouble with Abracadabra* Michael Dahl, 2015-12-21 A mysterious magician needs Tyler and Charlie's help.

*The Return of Abracadabra* Michael Dahl, 2015-08 The biggest bully in school recruits the kid with a photographic memory to help solve the mysteries in the hotel where he

lives.

**Abracadabra** HP Newquist, 2015-11-17 Magic is a word we use to describe something amazing, awe-inspiring, or spectacular. Truly great magic makes us believe in things we know can't be real. In the hands of the greatest magicians, even a simple card trick can become truly wondrous. Now, in this nonfiction narrative of magic through the ages, HP Newquist explains how the world's most famous tricks were created. From the oracles of ancient Egypt and the wizards of medieval Europe on to the exploits of Houdini and modern practitioners like Criss Angel, this book unlocks the secrets behind centuries of magic and illusion. Fully illustrated and including step-by-step instructions for eight classic magic tricks, this book will have middle-grade readers spellbound.

*Abracadabra* HP Newquist, Harvey P. Newquist, 2015-11-17 Includes step-by-step instructions for 8 magic tricks!--Jacket.

*Abracadabra, Stop the Curse!* Dunnia Balcázar-Goldstein, 2010-07-28 This is the story of a great lie between members of a middle class family: the Daniels. The direction of their lives changed dramatically as a result of a marriage and the birth of a child. The Daniels' alcohol dependency, the Powells' unhealthy influence, a priest's spiritual failure, erodes the weak structure which apparently sustains the moral principles of our characters, when they fall into a vast web woven into disloyalty, revenge and lust. Overwhelmed by the devastating result of their acts, they realized, but not until much later, that they had been their only victims for wanting to control the lives of others with the sole purpose of satisfying their harmful intentions. Reduced to living in constant turbidity, they did not suspect that inner reconciliation and redemption were hidden from the beginning, behind love. I would like to add a credit for

the artist Jorge Posada, who provided his paintings for the covers of both books. Covers by Colombian artist Jorge Posada <http://www.jorgeposada-art.com>

Minnie is furious that Mickey thinks her friends are responsible for the thefts. Can Mickey find the real thief before his friendship with Minnie disappears without a trace?

*The Abacadabra Kid* Sid Fleischman, 1998-04-23 The man with the spats rolled up his sleeves and proceeded to pluck a polished red billiard ball out of thin air. Presto! It vanished. Abacadabra! It reappeared. It turned white. It

blushed red again. Voilá! Suddenly there were four billiard balls between this amazing man's fingers. I was stunned. All of this was happening right under my nose. And there was more. He flipped the deck into falling waterfalls of cards, spun them into fans, and thrust a sword through a shower of cards to impale the seven of diamonds -- selected a moment before. I was dazzled. The moment he finished his act and ushered us gawkers back onto the sidewalk, I knew what I wanted to be. Someone else could be president of the United States. I wanted to be a magician.
