

Abrahams

Spencer Quinn

The Book of Abraham Marek Halter, 2003 Chronicling nearly two thousand years of history, this panoramic saga follows the destiny of Abraham, a Jewish scribe, and his descendants from the burning of Jerusalem under the Romans to the 1943 battle of the Warsaw ghetto.

Mark Abrahams Mark Abrahams, James Frey, 2011 Interview with Annie Leibowitz, Natalie Portman, Cate Blanchett, Stephen Gan.

Soccer Tough Dan Abrahams, 2012-08 Soccer Tough demystifies mental toughness and football psychology and offers practical techniques that will enable soccer players of all abilities to actively develop focus, energy, and confidence. Soccer Tough will help banish the fear, mistakes, and mental limits that holds players back.

Down the Rabbit Hole Peter Abrahams, 2009-03-31 My all-time favorite. Astonishing. (Stephen King) Down the Rabbit Hole is the first book in the Echo Falls mystery series by bestselling crime novelist Peter Abrahams. Perfect for middle school readers looking for a good mystery. Welcome to Echo Falls, home of a thousand secrets. In Down the Rabbit Hole, eighth grader Ingrid Levin-Hill is in the wrong place at the wrong time. Or at least her shoes are. And getting them back will mean getting tangled up in a murder investigation as complicated as the mysteries solved by her idol, Sherlock Holmes. With soccer practice, schoolwork, and the lead role in her town's production of Alice in Wonderland, Ingrid is swamped. But as things in Echo

Falls keep getting curiouser and curiouser, Ingrid realizes she must solve the murder on her own—before it's too late. Deft use of literary allusions and ironic humor add further touches of class to a topnotch mystery, said School Library Journal. Intriguing twists. Publishers Weekly agreed: The fresh dialogue and believable small-town setting will tempt fans to visit Echo Falls again. The next book in this Edgar Award-nominated series in Behind the Curtain, followed by Into the Dark.

Tears of Abraham Sean T. Smith, 2016-03-22 The first Civil War was the bloodiest conflict in American history—but the second civil war is worse. When Texas secedes from the Union, Henry and Suzanne Wilkins are as broken as the rest of America. They are breaking up, hurting, and longing for a way to make it right. Then Henry's clandestine counter-terror unit is ambushed and they must get home, crossing the bleeding country, hunted by the relentless and powerful Directors who will stop at nothing to prevent him from revealing the conspiracy that triggered the war. From the snow-swept slopes of the Rocky Mountains, to mangrove swamps deep in the Everglades back-country, Henry and Suzanne must protect what they love, facing terrible truths about themselves and those they trusted most. They are America—flawed and betrayed—but worth fighting for.

Lights Out! Spencer Abraham, William Tucker, 2010-07-06 In this timely book, former Secretary of Energy Spencer Abraham debunks the myths that warp our current debate over energy, and offers new solutions to the real problems we

face in America. Drawing on the very latest thinking from experts in industry and academia, and his own experiences running America's Energy Department, he proposes a fresh approach to meeting our daunting energy threats. This book effectively answers how America and the world can overcome the challenges of rising global energy demand, geopolitical disruptions of the energy marketplace, and the environmental impact of producing and using energy. What emerges is a pragmatic energy strategy that calls for blending a variety of energy sources including nuclear, clean coal, solar, wind, and natural gas with a more determined effort at improving energy efficiency through the deployment of smart energy grids and buildings, to help meet our challenges while preserving our economy and environment. Coming in the midst of a national debate about global warming, energy dependence and rising energy prices and rich with anecdotes from the author's service in the Senate and cabinet, this book is a clarion call that will help shape our energy future.

The Mission Statement Book Jeffrey Abrahams, 1999 In this revised edition of *The Mission Statement Book*, author Jeffrey Abrahams, offers an updated, comprehensive selection of corporate mission statements along with everything you need to know to create a statement that's just right for your organization.

Bullet Point Peter Abrahams, 2010-04-27 Wyatt never really thought much about his dad—a hardened criminal, a lifer in a prison somewhere on the other side of the state. But then the economy had to go and tank, and the community

had to go and cut the baseball program from Wyatt's high school. And then the coach had to go and show Wyatt a photograph of his dad at sixteen, looking very much like Wyatt himself. Through a series of unfortunate—or perhaps they were fortunate—events, Wyatt meets a crazy-hot girl named Greer with a criminal dad of her own. A criminal dad who is, in fact, in jail with Wyatt's own criminal dad. Greer arranges a meeting, and Wyatt's dad is nothing like the guy he's imagined—he's suave, and smart, and funny, and cool, and—Wyatt's pretty sure—innocent. So Wyatt decides to help him out. A decision that may possibly be the worst he's ever made in his life. This is another hold-your-breath thriller by the New York Times bestselling and Edgar Award nominated Peter Abrahams.

The Right Side Spencer Quinn, 2017-06-27 In this brilliant...deeply felt (Stephen King) novel by the New York Times bestselling author of the Chet and Bernie mystery series, a deeply damaged female soldier home from the war in Afghanistan becomes obsessed with finding a missing girl, gains an unlikely ally in a stray dog, and encounters new perils beyond the combat zone. LeAnne Hogan went to Afghanistan as a rising star in the military, and came back a much lesser person, mentally and physically. Now missing an eye and with half her face badly scarred, she can barely remember the disastrous desert operation that almost killed her. She is confused, angry, and suspects the fault is hers, even though nobody will come out and say it. Shattered by one last blow—the sudden death of her hospital roommate, Marci—LeAnne finds

herself on a fateful drive across the country, reflecting on her past and seeing no future. Her native land is now unfamiliar, recast in shadow by her one good eye, her damaged psyche, her weakened body. Arriving in the rain-soaked small town in Washington State that Marci called home, she makes a troubling discovery: Marci's eight-year-old daughter has vanished. When a stray dog—a powerful, dark, unreadable creature, no one's idea of a pet—seems to adopt LeAnne, a surprising connection is formed and something shifts inside her. As she becomes obsessed with finding Marci's daughter, LeAnne and her inscrutable canine companion are drawn into danger as dark and menacing as her last Afghan mission. This time she has a strange but loyal fellow traveler protecting her blind side. Enthralling, suspenseful, and psychologically nuanced, *The Right Side* introduces one of the most unforgettable protagonists in modern fiction: isolated, broken, disillusioned—yet still seeking redemption and purpose. As Harlan Coben raves, this is a great suspense novel, and so much more. You won't forget the heroic LeAnne Hogan—and the same goes for her dog! Not to be missed.

Jewish Life in the Middle Ages Israel Abrahams, 1896

Abraham's Children Richard Harries, Norman Solomon, Timothy Winter, 2006-03-30
Abraham's Children brings together essays by leading scholars of each faith to address key issues for the faiths and to collaboratively identify common ground and pose challenges for the future. The book will inspire readers in the process of inter-faith dialogue, contribute clearly to vital religious

issues of contemporary world concern and help readers to understand faiths that are different from their own.

Judaism Israel Abrahams, 2019-11-25 Judaism is a book by Israel Abrahams. It examines the most distinctive points in Jewish doctrine and practice and clarifies some of the various phases in the history of Judaism.

Abraham's Silence J. Richard Middleton, 2021-11-16 It is traditional to think we should praise Abraham for his willingness to sacrifice his son as proof of his love for God. But have we misread the point of the story? Is it possible that a careful reading of Genesis 22 could reveal that God was not pleased with Abraham's silent obedience? Widely respected biblical theologian, creative thinker, and public speaker J. Richard Middleton suggests we have misread and misapplied the story of the binding of Isaac and shows that God desires something other than silent obedience in difficult times. Middleton focuses on the ethical and theological problem of Abraham's silence and explores the rich biblical tradition of vigorous prayer, including the lament psalms, as a resource for faith. Middleton also examines the book of Job in terms of God validating Job's lament as right speech, showing how the vocal Job provides an alternative to the silent Abraham. This book provides a fresh interpretation of Genesis 22 and reinforces the church's resurgent interest in lament as an appropriate response to God.

An Introduction to the Book of Abraham John Laurence Gee, 2016-11-30 When the Book of Abraham was first published to the world in 1842, it was

published as a translation of some ancient records that have fallen into [Joseph Smith's] hands from the catacombs of Egypt, purporting to be the writings of Abraham while he was in Egypt, called 'The Book of Abraham, Written by his Own Hand, upon Papyrus.' The resultant record was thus connected with the papyri once owned by Joseph Smith, though which papyrus of the four or five in his possession was never specified. Those papyri would likely interest only a few specialists--were the papyri not bound up in a religious controversy. This controversy covers a number of interrelated issues, and an even greater number of theories have been put forward about these issues. Given the amount of information available, the various theories, and the variety of fields of study the subject requires, misunderstandings and misinformation often prevail. The goal with the Introduction to the Book of Abraham is to make reliable information about the Book of Abraham accessible to the general reader.

Chapters on Jewish Literature Israel Abrahams, 1899 Bibliography at end of each chapter.

The Apocalypse of Abraham George Herbert Box, 2017-06-15 Considered by many to be 'the last important product of the Apocalyptic movement', The Apocalypse of Abraham is an apocryphon, a work that belongs to a body of prophetic Abrahamic literature flourishing about the time of Christ. The text details the Destruction of the Temple and thus was written after 70 AD. It is considered part of the Apocalyptic literature but not regarded as

authoritative scripture.

I am Abraham Lincoln Brad Meltzer, 2014-01-14 Each picture book in this series is a biography of an American hero, told in a simple, conversational, vivacious way, and always focusing on a character trait that made the person heroic. (Cover may vary) The heroes are depicted as children throughout, telling their life stories in first-person present tense, which keeps the books playful and accessible to young children. This book spotlights Abraham Lincoln who always spoke his mind and was unafraid to speak for others. This friendly, fun biography series inspired the PBS Kids TV show *Xavier Riddle and the Secret Museum*. One great role model at a time, these books encourage kids to dream big. Included in each book are: • A timeline of key events in the hero's history • Photos that bring the story more fully to life • Comic-book-style illustrations that are irresistibly adorable • Childhood moments that influenced the hero • Facts that make great conversation-starters • A virtue this person embodies: Abraham Lincoln's compassion made him a great leader. You'll want to collect each book in this dynamic, informative series!

Speaking Up Without Freaking Out Matthew Abrahams, 2010

Abraham, Israel and the Nations Paul R. Williamson, 2001-03-01 The divine promises to Abraham have long been recognized as a key to the book of Genesis as a whole. But their variety, often noted, also raises literary and theological problems. Why do they differ each time, and how are they related to each other and to the story of Abraham? Williamson focuses on the promises

in Genesis 15 and 17, and concludes that they are concerned with two distinct but related issues. Genesis 15 guarantees God's promise to make Abraham into a great nation, while Genesis 17 focuses chiefly on God's promise to mediate blessing (through Abraham) to the nations. The two chapters are connected, however, by the theme of an individual, royal descendant who will come from the nation (Israel) and mediate blessing to all the nations of the earth.
