

Abuzz Lite Social Media Monitoring 15

Benjamin Vogt

Cross-Pollinated Hybrid Art Abuzz Lynn Tomlinson, 2015 Catalogue of an exhibition that brings together work that is enriched and informed by an exchange of knowledge to create new forms, with an emphasis on animated, digital, and kinetic work linked to processes found in the natural world.

Cosmopolitan Toby Cecchini, 2003-10-07 *Cosmopolitan: A Bartender's Life* is a memoir of the bartending life structured as a day in the life at Passerby, the bar owned and run by Toby Cecchini. It is, as well, a rich study of human nature—of the sometimes annoying, sometimes outlandish behavior of the human animal under the influence of alcohol, lust, and the sheer desire to bust loose and party. It's not a pretty picture, but it's always compelling through the gimlet-eyed gaze of the author. As his typical day progresses, from the almost pastoral quiet of opening the bar and setting up to the gathering rush of customers dropping in after work to the sheer madness of catering to a crazed crush of funseekers, Toby Cecchini muses over a life spent in the service industry and the fascinating particulars of his chosen profession. Topics touched on include dealing with regulars, both welcome and not; sex and the bartender; cocktail connoisseurs (and drinks he refuses to make); learning the bartending ropes of the Odeon when young and newly arrived in New York; the sheer man-killing pace of keeping those drinks coming at flood tide; and the manifold varieties of weirdness and bad behavior that every bartender has to learn how to manage. *Cosmopolitan: A Bartender's Life* is the hip, behind-the-scenes look at the frenzied yet undeniably fun atmosphere of that great establishment—the bar—and Toby Cecchini is, by turns, witty, acute, mordant, and lyrical in dealing with the realities of

his job, shedding plenty of light on the hidden corners of what people do when they go out at night.

A New Garden Ethic Benjamin Vogt, 2017-09-01 In a time of climate change and mass extinction, how we garden matters more than ever: “An outstanding and deeply passionate book.” —Marc Bekoff, author of *The Emotional Lives of Animals* Plenty of books tell home gardeners and professional landscape designers how to garden sustainably, what plants to use, and what resources to explore. Yet few examine why our urban wildlife gardens matter so much—not just for ourselves, but for the larger human and animal communities. Our landscapes push aside wildlife and in turn diminish our genetically programmed love for wildness. How can we get ourselves back into balance through gardens, to speak life's language and learn from other species? Benjamin Vogt addresses why we need a new garden ethic, and why we urgently need wildness in our daily lives—lives sequestered in buildings surrounded by monocultures of lawn and concrete that significantly harm our physical and mental health. He examines the psychological issues around climate change and mass extinction as a way to understand how we are short-circuiting our response to global crises, especially by not growing native plants in our gardens. Simply put, environmentalism is not political; it's social justice for all species marginalized today and for those facing extinction tomorrow. By thinking deeply and honestly about our built landscapes, we can create a compassionate activism that connects us more profoundly to nature and to one another.

Crisis Management in the Age of Social Media Louis Capozzi, 2013-07-02 Social media has fundamentally changed the contract between institutions and the public. Today,

people expect a conversation, not a one-way diatribe. That, combined with the speed of the Internet, changes the game for many companies in anticipating, managing, and ultimately avoiding an “instant crisis”—an instant crisis example is when Verizon added a \$2 charge for all their customers; one hour later 100,000 signatures appeared on a Twitter petition, and soon Verizon was in the middle of a huge public relations crisis. Inside this book, you’ll learn just how to manage this type of situation and meet the challenges of social media. Each chapter includes a description of a crisis, the timeliness of a good response, the effectiveness of this response, and an assessment of what works and what doesn’t. Some examples of social media crises include Apple Computer, Netflix, JetBlue, Bank of America, Fed Ex, and public figures such as Anthony Weiner, Ashton Kutcher, and Jon Bon Jovi.

I Hope You Get This Message Farah Naz Rishi, 2019-10-22 In this high concept YA novel debut that’s *We All Looked Up* meets *The Sun Is Also a Star*, three teens must face down the mistakes of their past after they learn that life on Earth might end in less than a week. News stations across the country are reporting mysterious messages that Earth has been receiving from a planet—Alma—claiming to be its creator. If they’re being interpreted correctly, in seven days Alma will hit the kill switch on their “colony” Earth. True or not, for teenagers Jesse Hewitt, Cate Collins, and Adeem Khan, the prospect of this ticking time bomb will change their lives forever. Jesse, who has been dealt one bad blow after another, wonders if it even matters what happens to the world. Cate, on the other hand, is desperate to use this time to find the father she never met. And Adeem, who hasn’t spoken to his estranged sister in years, must find out if he has it in him to forgive

her for leaving. With only a week to face their truths and right their wrongs, Jesse, Cate, and Adeem's paths collide as their worlds are pulled apart.

Scale E. Summerson Carr, Michael Lempert, 2016-08-18 A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program for monographs. Visit www.luminosoa.org to learn more. Wherever we turn, we see diverse things scaled for us, from cities to economies, from history to love. We know scale by many names and through many familiar antinomies: local and global, micro and macroevents to name a few. Even the most critical among us often proceed with our analysis as if such scales were the ready-made platforms of social life, rather than asking how, why, and to what effect are scalar distinctions forged in the first place. How do scalar distinctions help actors and analysts alike make sense of and navigate their social worlds? What do these distinctions reveal and what do they conceal? How are scales construed and what effects do they have on the way those who abide by them think and act? This pathbreaking volume attends to the practical labor of scale-making and the communicative practices this labor requires. From an ethnographic perspective, the authors demonstrate that scale is practice and process before it becomes product, whether in the work of projecting the commons, claiming access to the big picture, or scaling the seriousness of a crime.

Sombreros and Motorcycles in a Newer South P. Nicole King, 2012-02-15 In 1949, Alan Schafer opened South of the Border, a beer stand located on bucolic farmland in Dillon County, South Carolina, near the border separating North and South Carolina. Even at its beginning, the stand catered to those interested in Mexican-themed kitsch—sombreros,

toy pinatas, vividly colored panchos, salsas. Within five years, the beer stand had grown into a restaurant, then a series of restaurants, and then a theme park, complete with gas stations, motels, a miniature golf course, and an adult-video shop. Flashy billboards—featuring South of the Border’s stereotypical bandit Pedro—advertised the locale from 175 miles away. An hour south of Schafer’s site lies the Grand Strand region—sixty miles of South Carolina beaches and various forms of recreation. Within this region, Atlantic Beach exists. From the 1940s onward, Atlantic Beach has been a primary tourist destination for middle-class African Americans, as it was one of the few recreational beaches open to them in the region. Since the 1990s, the beach has been home to the Atlantic Beach Bikefest, a motorcycle festival event that draws upward of 10,000 African Americans and other tourists annually. *Sombreros and Motorcycles in a Newer South* studies both locales, separately and together, to illustrate how they serve as lens for viewing the historical, social, and aesthetic aspects embedded in a place’s culture over time. In doing so, author Nicole King engages with concepts of the “Newer South,” the contemporary era of southern culture which integrates Old South and New South history and ideas about issues such as race, taste, and regional authenticity. Tracing South Carolina’s tourism industry through these locales, King analyzes the collision of southern identity and place with national, corporatized culture from the 1940s onward. *Sombreros and Motorcycles in a Newer South* locates campy but historic tourist sites that serve as important texts for better understanding how culture moves and more inclusive notions of what it means to be southern today.

A Better Man Louise Penny, 2019-08-27 “‘A Better Man,’ with its mix of

meteorological suspense, psychological insight and criminal pursuit, is arguably the best book yet in an outstanding, original oeuvre.” —Tom Nolan, *The Wall Street Journal*
Enchanting... one of his most ennobling missions. —Marilyn Stasio, *New York Times Book Review*
Catastrophic spring flooding, blistering attacks in the media, and a mysterious disappearance greet Chief Inspector Armand Gamache as he returns to the Sûreté du Québec in the latest novel by #1 *New York Times* bestselling author Louise Penny. It’s Gamache’s first day back as head of the homicide department, a job he temporarily shares with his previous second-in-command, Jean-Guy Beauvoir. Flood waters are rising across the province. In the middle of the turmoil a father approaches Gamache, pleading for help in finding his daughter. As crisis piles upon crisis, Gamache tries to hold off the encroaching chaos, and realizes the search for Vivienne Godin should be abandoned. But with a daughter of his own, he finds himself developing a profound, and perhaps unwise, empathy for her distraught father. Increasingly hounded by the question, how would you feel..., he resumes the search. As the rivers rise, and the social media onslaught against Gamache becomes crueler, a body is discovered. And in the tumult, mistakes are made. In the next novel in this “constantly surprising series that deepens and darkens as it evolves” (*New York Times Book Review*), Gamache must face a horrific possibility, and a burning question. What would you do if your child’s killer walked free?

This is How I Disappear Mirion Malle, 2021-12-06
Clara’s at a breaking point. She’s got writer’s block, her friends ask a lot without giving much, her psychologist is useless, and her demanding publishing job leaves little time for self care. She seeks solace in the community around her, yet, while her friends provide support and comfort, she is often

left feeling empty, unable to express an underlying depression that leaves her immobilized and stifles any attempts at completing her poetry collection. In *This is How I Disappear*, Mirion Malle paints an empathetic portrait of a young woman wrestling with psychological stress and the trauma following an experience of sexual assault. Malle displays frankness and a remarkable emotional intelligence as she explores depression, isolation, and self-harm in her expertly-drawn novel. Her heroine battles an onslaught of painful emotions and while Clara can provide consolation to those around her, she finds it difficult to bestow the same understanding unto herself. Only when she allows her community to guide her towards self-love does she find relief. Filled with 21st century idioms and social media communication, *This Is How I Disappear* opens a window into the lives of young people as they face a barrage of mental health hurdles. Scenes of sisterhood, fun nights out singing karaoke, and impromptu FaceTime therapy sessions show how this generation is coping, connecting, and healing together.

The Net Delusion Evgeny Morozov, 2012-02-28 The revolution will be Twittered! declared journalist Andrew Sullivan after protests erupted in Iran in June 2009. Yet for all the talk about the democratizing power of the Internet, regimes in Iran and China are as stable and repressive as ever. In fact, authoritarian governments are effectively using the Internet to suppress free speech, hone their surveillance techniques, disseminate cutting-edge propaganda, and pacify their populations with digital entertainment. Could the recent Western obsession with promoting democracy by digital means backfire? In this spirited book, journalist and social commentator Evgeny Morozov shows that by falling for the supposedly democratizing nature of the Internet, Western do-gooders may have

missed how it also entrenches dictators, threatens dissidents, and makes it harder -- not easier -- to promote democracy. Buzzwords like 21st-century statecraft sound good in PowerPoint presentations, but the reality is that digital diplomacy requires just as much oversight and consideration as any other kind of diplomacy. Marshaling compelling evidence, Morozov shows why we must stop thinking of the Internet and social media as inherently liberating and why ambitious and seemingly noble initiatives like the promotion of Internet freedom might have disastrous implications for the future of democracy as a whole.

The Arab Revolts David A. McMurray, Amanda Ufheil-Somers, 2013 The 2011 eruptions of popular discontent across the Arab world, popularly dubbed the Arab Spring, were local manifestations of a regional mass movement for democracy, freedom, and human dignity. Authoritarian regimes were either overthrown or put on notice that the old ways of oppressing their subjects would no longer be tolerated. These essays from Middle East Report--the leading source of timely reporting and insightful analysis of the region--cover events in Tunisia, Egypt, Bahrain, Syria, and Yemen. Written for a broad audience of students, policymakers, media analysts, and general readers, the collection reveals the underlying causes of the revolts by identifying key trends during the last two decades leading up to the recent insurrections.

I and You Lauren Gunderson, 2021-01-14 "Sharp and funny. Gunderson taps into a buoyant spirit ... the touching 'barbaric yawp' (Whitman's phrase) of these two deeply engaging kids." The Washington Post Housebound by illness, Caroline hasn't been to school in months. Confined to her room, she has only social media for company. That is

until classmate Anthony bursts in – uninvited and armed with waffle fries, a scruffy copy of Walt Whitman's poetry and a school project due the next day... Caroline is unimpressed, but an unlikely friendship develops and a seemingly mundane piece of homework starts to reveal the pair's hopes and dreams - as well as a deep and mysterious bond that connects them even further. Finalist for the Susan Smith Blackburn Prize, 2014. This new Modern Classics edition features an introduction by Julie Felise Dubiner.

Billboard ,1992-10-17 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Help! I'm Alive Gurjinder Basran,2022-05-10 A powerfully emotional story of four people touched by a teen's death, award-winning author Gurjinder Basran's Help! I'm Alive is a clear-eyed exploration of meaningful connection in the modern era After video footage of Jay's death is shared on social media, a suburban Vancouver community is left to try to make sense of what happened to Jay and whether his death was an accident or a suicide. Help! I'm Alive explores the aftermath through the eyes of four people all suddenly confronted with who they have been and how they should be in the wake of such loss. Jay's former best friend, Ash, wonders what happened to their friendship and questions the relationships he has now; Winona, Jay's troubled girlfriend struggles with guilt and abandonment; Anik, Ash's older brother, is on a search for the meaning of life but hasn't left his basement apartment in months; and Pavan, Ash and Anik's mother, finds Jay's death lays bare all her personal and maternal anxieties. Unflinching but life-

affirming, Help! I'm Alive is a Gen Z and Gen X coming-to-terms story about loneliness and connection, love and suffering, and the moments that bring us together and drive us apart.

Obviously Akilah Hughes, 2019-09-24 A refreshingly funny and blisteringly unsentimental coming-of-age memoir. -John Green, #1 New York Times bestselling author of Turtles All The Way Down and The Fault in Our Stars In Akilah Hughes's world, family--and life--are often complicated, but always funny. Through intimate and hilarious essays, Akilah takes readers along on her journey from the small Kentucky town where she was born--and eventually became a spelling bee champ and 15-year-old high school graduate--to New York City, where she took careful steps to fulfill her dream of becoming a writer and performer. Like Tiffany Haddish's The Last Black Unicorn or Mindy Kaling's Is Everyone Hanging Out Without Me? for the YA set, Akilah pens revealing and laugh-out-loud funny essays about her life, covering everything from her racist fifth grade teacher, her struggles with weight and acne, her failed attempts at joining the cheerleading team, how to literally get to New York (hint: for a girl on a budget, it may include multiple bus transfers) and exactly how to make it once you finally get there.

A Place Called No Homeland Kai Cheng Thom, 2017-04-17 This powerful poetry collection seeks to map the emotional and spiritual territory of diaspora, violence, abuse, and exile. Kai Cheng incorporates autobiographical details from her own childhood and adult life with the rhythms of the oral storytelling tradition and fairytale motifs, poignantly depicting the plight of trans women of color.

The Wagers Sean Michaels, 2020-01-21 From Giller-Prize-winning author Sean Michaels, The Wagers is a wild and magical novel about what it means to not only chase

luck, but find it. When Theo Potiris performed his stand-up comedy act on Conan at 25, he thought he'd hit it big. But ten years later, he's still spending his days working at his parents' grocery store, bicycling to the local open mic, and writing letters to a girlfriend who lives halfway around the world. Theo's desperate for a break. But when he brings his thirteen-year-old niece to the horse track to place a birthday bet—a Potiris family tradition—the goddess of good luck strikes her instead, in the form of a small fortune. Try as he might to be happy for her, Theo's shock and envy finally push him out of the family nest, away from his comedy dreams and toward a new calling. First: a mysterious corporation called The Rabbit's Foot, which carefully quantifies and cashes in on luck. Then: to a gang of vigilantes, who recruit Theo to help them steal luck from those who carry more than their fair share. *The Wagers* is a literary motorcycle chase, carried by stylish prose and delightful invention. But it's also an investigation of work and purpose, happiness and art, the randomness of good fortune, and all the ways we choose to wage our lives.

Some of Us Are Very Hungry Now Andre Perry, 2019-11-12 Beautiful, brilliant, bold... Tantamount to a slice from the Americana songbook. —Christopher John Stephens, PopMatters With luminous insight and fervent prose, Andre Perry's debut collection of personal essays, *Some of Us Are Very Hungry Now*, travels from Washington, DC, to Iowa City to Hong Kong in search of both individual and national identity. While displaying tenderness and a disarming honesty, Perry catalogs racial degradations committed on the campuses of elite universities and liberal bastions like San Francisco while coming of age in America. The essays in *Some of Us Are Very Hungry Now* take the form of personal

reflection, multiple choice questions, screenplays, and imagined talk-show conversations, while traversing the daily minefields of childhood schoolyards and Midwestern dive-bars. The impression of Perry's personal journey is arresting and beguiling, while announcing the author's arrival as a formidable American voice. A complete, deep, satisfying read... The variety of structures, formats, and rhythms Perry uses in *Some of Us Are Very Hungry Now* is extraordinary... These essays shine with broken humanity and announce the arrival of a new voice in contemporary nonfiction, but they do so with heaps of melancholia and frustration instead of answers. That Perry can hurt us and keep us asking for more is a testament to his talent as a storyteller. —Gabino Iglesias, NPR

Social Media and Political Accountability Andrea Ceron, 2017-06-29 This book illustrates how social media platforms enable us to understand everyday politics and evaluates the extent to which they can foster accountability, transparency and responsiveness. The first part focuses on accountability and tests whether the offline behavior of politicians is consistent with their online declarations, showing that textual analysis of politicians' messages is useful to explain phenomena such as endorsements, party splits and appointments to cabinet. The second part concerns responsiveness. By means of sentiment analysis, it investigates the shape of the interaction between citizens and politicians determining whether politicians' behavior is influenced by the pressure exerted on social media both on policy and non-policy issues. Finally, the book evaluates whether a responsive behavior is successful in restoring online political trust, narrowing the gap between voters and political elites. The book will be of use to students, scholars and practitioners interested in party organization, intra-party politics, legislative politics,

social media analysis and political communication, as well as politicians themselves.

How to Win at Quitting Smoking V. J. Sleight, 1915-01-03 Unlike other books on the subject, *How to Win at Quitting Smoking* focuses on the process of change instead of a single method. Proven evidence based strategies are given in a motivating manner, often in a smoker's own words. Easy to understand analogies are used to explain some of the complicated psychological processes of change. As a former smoker, the author writes from personal experience, as well as over 20 years of clinical practice helping thousands become smoke-free.

Reviewing **Abuzz Lite Social Media Monitoring 15**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Within the pages of "**Abuzz Lite Social Media Monitoring 15**," an enthralling opus penned by a very acclaimed wordsmith, readers attempt an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve to the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

Abuzz Lite Social Media Monitoring 15 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently

accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download

free Abuzz Lite Social Media Monitoring 15 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education

and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire

library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the

availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Abuzz Lite Social Media Monitoring 15 PDF books and manuals is

convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Abuzz Lite Social Media Monitoring 15 free PDF books and manuals for download has

revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Abuzz Lite Social Media Monitoring 15 Books

What is a Abuzz Lite Social Media Monitoring 15 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Abuzz Lite Social Media Monitoring 15 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often

have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Abuzz Lite Social Media Monitoring 15 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing

capabilities. How do I convert a Abuzz Lite Social Media Monitoring 15 PDF to another file format?

There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Abuzz Lite Social Media Monitoring 15 PDF?

Most PDF editing software allows you to add

password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or

desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print

restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
