Ace Your Medical Exams Patsy Tremayne, 2019-05-15 How often have you put off studying because you've had a long, tiring work shift, or you feel guilty at not spending enough time with your family? For many doctors, finding a study and testing program they can stick to is an almost impossible task. Most regimes ask too much, too often, and are invariably too hard. ACE YOUR MEDICAL EXAMS doesn't ask you to do the impossible. It introduces you to the psychological strategies and techniques designed to cultivate peak performance and personal growth. What good performers in any field have in common is an ability to quickly move past the negative emotion of a failure and learn from the experience. The book bridges the gap between research and practice by clearly illustrating essential concepts with case studies, anecdotes, and examples. Designed as an easy, do-it-yourself manual, the book includes action plans at the end of most chapters. There are questionnaires for you to fill in and reflect on. You'll discover how appropriate body language and voice tone can improve your self-confidence and communication, as well as the perceptions of others around you. You will learn how to use your brain at optimal times to foster quality study and nurture resilience, and most chapters have creative suggestions for testing yourself on specific oral or written exam components. All the information is here; the how and why of procrastination, the benefits or otherwise of study groups, motivation (or the lack of it!) and a myriad of study suggestions. Just choose and adapt the ideas to fit your lifestyle. ACE YOUR MEDICAL EXAMS helps you choose a personal study and testing program that, while no-one ever said it was easy, isn't intimidating

101 Tips to Ace Your Promotional Exam Steve Prziborowski, 2021-01-13 Chief Steve Prziborowski reveals more than 101 tips for getting promoted and becoming a vital asset to your fire department, family, and community. From soft skills to hard truths, this book covers what you need to move up the ranks the right way. FEATURING: • Sound advice for personal growth and personal improvement for any firefighter of any rank who wishes to advance • Insights, tricks, and tips for avoiding the pitfalls while preparing for a comprehensive promotional testing process • Bonus: Guidance from 37 professional, knowledgeable fire service veterans What others are saying: "Just like firefighting, getting promoted and moving up isn't something you can succeed in alone—it takes a team. Steve has assembled a whole bunch of good fire service veterans who own their very personal experiences, bumps and bruises along with their successes, to help you figure this out. Sit back and prepare to soak up decades of advice based on experience so you can start the climb up." —Deputy Chief Billy Goldfeder (Proudly bumped and bruised since 1973) "After years of teaching thousands of aspiring fire rescue officers, Steve Prziborowski has documented his highly successful training information. You need this book if you are looking to get the edge up on the competition and demonstrate to the hiring authority that you are ready for the job. If you are serious about being a successful fire rescue officer at any rank, do yourself a favor and add this text to your personal library today!" —Fire Chief Dennis L. Rubin "Committing to taking a promotional exam requires a Herculean effort, a never-looking-back attitude, and a willingness to give up your life as you know it until the exam is over. The book is an invaluable resource to guide your journey. Study hard and then study harder. Good luck." —Deputy Chief (Ret.) Anthony Avillo, North Hudson Regional (NJ) Fire and Rescue

Studying and learning, especially in the rigid confines of school, can be tough to say the least. Use this book to decode exactly how to make it work for you. You'll discover the strategies to rocket to the top of your class. How to double your learning, memory, and testing capabilities. The Study Skills Handbook teaches us about great students. Are they all baby Einsteins? No, they simply have practiced the types of tips in this book. This type of academic success is learnable, but you have to know the code first. Consider this book the code to your academic wellbeing. You will blast your competition and set the curve in each class. How to simply become a better student - at anything inside or outside the classroom. Peter Hollins has studied psychology and peak human performance for over a dozen years and is a bestselling author. He has worked with a multitude of individuals to unlock their potential and path towards success. His writing draws on his academic, coaching, and research experience. Not just for students - for parents, educators, teachers, professors, autodidacts, etc. Optimal exam day strategies - even if you haven't crammed enough. How to make the most of your classroom time by being less passive. Your perfect study environment to absorb info. Convenient and easy memory techniques to memorize anything. What an exam and class postmortem are and how they can help you.

ACE Your Exams, Tests, & Quizzes Peter Hollins, 2021-11-30 Get inside a test creator's head and give them exactly what they want for top grades. How to truly excel in school. Tools for essays, multiple-choice questions, and everything in between. The most effective methods for memory, cramming, and immediate regurgitation. How to create an exam checklist that you can use in any situation. How flow charts and mind maps can help you test better. The most important cues to look for in test questions. How to perform an exam post-mortem and how to adjust your habits. The keys to exam confidence and eliminating anxiety. Wide-range tips that cover before, during, and after the test so you can get better every single time. It's not fair, of course, but we our society values results, not process. This book gives you both - you get the process that will give you the best results. They are inseparable! Hands down, your grades, standing, and performance will improve, and that will give you more and more opportunities. First and foremost, this is a book about learning, and the rest comes as a result thereof. Helpful for tests and exams at any level - from SAT, LSAT, and GMAT to pop quizzes in history class.

Ace Any Test Ron Fry, 2004-07 The perfect antidote to test stress, *Ace Any Test* walks test-takers through successful test preparation, including reading for maximum retention, researching the teacher's test-giving history, and psyching up for test day. This book helps prevent anxiety from getting in the way of the reader's best performance, whether their test is a unit exam or a standardized exam, such as the SAT.
