To Fly and Fight Clarence E. "Bud" Anderson,2017-05-12 Bud Anderson is a flyers flyer. The Californians enduring love of flying began in the 1920s with the planes that flew over his fathers farm. In January 1942, he entered the Army Air Corps Aviation Cadet Program. Later after he received his wings and flew P-39s, he was chosen as one of the original flight leaders of the new 357th Fighter Group. Equipped with the new and deadly P-51 Mustang, the group shot down five enemy aircraft for each one it lost while escorting bombers to targets deep inside Germany. But the price was high. Half of its pilots were killed or imprisoned, including some of Buds closest friends. In February 1944, Bud Anderson, entered the uncertain, exhilarating, and deadly world of aerial combat. He flew two tours of combat against the Luftwaffe in less than a year. In battles sometimes involving hundreds of airplanes, he ranked among the groups leading aces with 16 aerial victories. He flew 116 missions in his old crow without ever being hit by enemy aircraft or turning back for any reason, despite one life or death confrontation after another. His friend Chuck Yeager, who flew with Anderson in the 357th, says, In an airplane, the guy was a mongoosethe best fighter pilot I ever saw. Buds years as a test pilot were at least as risky. In one bizarre experiment, he repeatedly linked up in midair with a B-29 bomber, wingtip to wingtip. In other tests, he flew a jet fighter that was launched and retrieved from a giant B-36 bomber. As in combat, he lost many friends flying tests such as these. Bud commanded a squadron of F-86 jet fighters in postwar Korea, and a wing of F-105s on Okinawa during the mid-1960s. In 1970 at age 48, he flew combat strikes as a wing commander against communist supply lines. To Fly and Fight is about flying, plain and simple: the joys and dangers and the very special skills it demands. Touching, thoughtful, and dead honest, it is the story of a boy who grew up living his dream.

Drive Daniel H. Pink, 2011-04-05 The New York Times bestseller that gives readers a paradigm-shattering new way to think about motivation from the author of *When: The Scientific Secrets of Perfect Timing* Most people believe that the best way to motivate is with rewards like money—the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of *To Sell Is Human: The Surprising Truth About Motivating Others*). In this provocative and persuasive new book, he asserts that the secret to high performance and satisfaction—at work, at school, and at home—is the deeply human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects every aspect of life. He examines the three elements of true motivation—autonomy, mastery, and purpose—and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.

Out of Death's Dark Shadow Tanya Allan, 2020-10 Many have become accustomed to the excellent stories from the pen of Tanya Allan. In this new offering, as she quickly approaches an amazing 100 novels, we get another of her great coppers vs villains escapades which we are all familiar with. Retired Detective Chief Inspector from the Metropolitan Police, Greg Marchant - grieving his wife's recent passing - is unexpectedly notified that he has an inheritance waiting for him in the wilds of New Mexico. He may move to the distant Southwest of America, but once a copper - always a copper. What follows is a complex interaction with a series of villains and drug lords... and to no one's surprise... he is joined in his adventures by a feisty, beautiful younger widow who is as at home changing a head gasket on a V12 engine as she is in a pretty sun dress. Our retired London Detective unravels crooked police, unsolved murders from the past and drug smuggling - all the while discovering that while he and our pretty mechanic have both lost spouses, they both might have a lot more life left to share. While you may not find any of Tanya's famous TG heroines, this well conceived action mystery - come love story - will keep you up late, turning the pages on your tablet to find out who did what next! *Out of Death's Shadow* will keep anyone who likes a good police action story totally entertained. Let's hope that just perhaps Detective Marchant isn't as retired as we think, and just maybe we haven't seen the last of our ocean-crossing copper and grease monkey Kathy. This book is highly recommended for all.
