**The Motivation Myth** Jeff Haden,2018-01-09 From Inc.com's most popular columnist, a counterintuitive--but highly practical--guide to finding and maintaining the motivation to achieve great things. It's comforting to imagine that superstars in their fields were just born better equipped than the rest of us. When a co-worker loses 20 pounds, or a friend runs a marathon while completing a huge project at work, we assume they have more grit, more willpower, more innate talent, and above all, more motivation to see their goals through. But that's not at actually true, as popular Inc.com columnist Jeff Haden proves. Motivation as we know it is a myth. Motivation isn't the special sauce that we require at the beginning of any major change. In fact, motivation is a result of process, not a cause. Understanding this will change the way you approach any obstacle or big goal. Haden shows us how to reframe our thinking about the relationship of motivation to success. He meets us at our level--at the beginning of any big goal we have for our lives, a little anxious and unsure about our way forward, a little burned by self help books and strategies that have failed us in the past—and offers practical advice that anyone can use to stop stalling and start working on those dreams. Haden takes the mystery out of accomplishment, proving that success isn't about spiritual awakening or a lightning bolt of inspiration --as Tony Robbins and adherents of The Secret believe--but instead, about clear and repeatable processes. Using his own advice, Haden has consistently drawn 2 million readers a month to his posts, completed a 107-mile long mountain bike race, and lost 10 pounds in a month. Success isn't for the uniquely-qualified; it's possible for any person who understands the true nature of motivation. Jeff Haden can help you transcend average and make lasting positive change in your life.

**Unstoppable: 6 Easy Steps to Find and Achieve Your Fire** Gail Kasper,2023-03-27 "... A timeless guide for people everywhere who aspire to live their best life!" – Princell Hair, senior executive Unstoppable: 6 Easy Steps To Find And Achieve Your Fire details the Systematic Attitude Development-Technique (SAD-T). This simple 6-step revolutionary system begins when you open your mind to your FIRE, your Ferociously Important Reason to Exist, a space where you become unstoppable. The Technique has led thousands of people to accomplish extraordinary goals, improve their attitudes, maximize each day, and take steps with their lives, even in a crisis. A parable and a coaching book, you are first introduced to three siblings, Mariella, Mabel, and Jack, who face the all-too-common challenges of life: weight issues, relationship breakup, job loss, job stagnation, and failed dreams. They find themselves held hostage by emotion, unable to take steps to move forward. Together, they use SAD-T to get logical, change their lives, and achieve their goals. Experience their journey, watch their transformation, and then follow the action steps to achieve your own unstoppable life. "Gail's unique approach with her proprietary Systematic Attitude Development-Technique gives you no alternative except the successful attainment of your goals! It provides you with a clear and concise, yet diverse, set of tools that other books do not cover or speak about. Most of us are unaware of the emotional roadblocks to achieving our dreams; Gail will help you tackle those fears and knock down barriers through logical action steps." – David Thomas, executive "Gail's parables and solutions are POWERFUL! Her universal stories speak to everyone; her clear, practical application empowers you to create your future. With a willingness to share the depth of her own past challenges, she delivers a credibility to teach and the inspiration to succeed." – Andrew Fisher, senior executive
